CREATIVE PRINTERS

LA[4] WORKPLAN

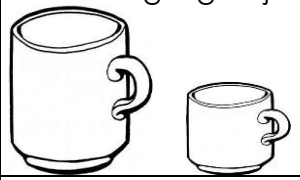

Definition: Numeracy is the ability to understand and work with numbers.
Learning Area: Developing and using mathematical concepts in my day to day experience.
Class: Baby Class
Term: One
Year: 2026

WK	PD	LEARNING OUTCOME	COMPETENCE	CONTENT	ACTIVITIES	HELP ME TO:-	DELIVERY APPROACH	T/AIDS	REF	REM
1	1	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	- I can show one to one correspondence	- Reciting and singing number rhymes	- Reciting number rhymes **Number one x 2 where are you?.....** **One little finger……** -	- Recite to develop speech - Perform actions to develop fine muscles.	- recitation - Demonstration		Nursery rhymes pg 18	
	2		-	- Reciting number rhymes	- Reviewing learnt rhymes - Reciting number rhymes **-Number one x2….. -One little finger x 2 … -One little boy sat on the ground…** - Counting orally 1-5	- Review to develop memory - Recite to develop speech - Perform actions to develop fine muscles. - Count to develop memory	- Recitation - Demonstration - Repetitive	Body parts	Nursery rhymes pg 18	
	3		-	- Reciting and	- Reviewing learnt rhymes **Number one x 2 ….**	- Review to develop memory	- Recitation - Demonstrati	Flash cards	Nursery rhymes	

CREATIVE PRINTERS

				singing number rhymes	**One little boy……** - Reciting a new rhyme **One yellow duck…..** -Counting orally 1-5	- Recite to develop speech -Count to develop number sequence.	on - Repetitive		pg 18	
	4	Comparing things according to different attributes.	- I can show relations among things in serial order.	- Block building	- Reviewing learnt rhymes - Reciting number rhymes **-One yellow duck…** **-One little boy sat on the ground…** - Building different shapes using blocks.	- Review to develop memory - Build to develop fine muscles	- Recitation - Demonstrati on - Repetitive	Block	Maths made easy page 2	
	5		- I can classify and order things	- Recognisin g big and small	- Reviewing learnt rhymes - Reciting number rhymes **-One yellow duck…** **-Big and small…..** - Counting orally 1-5 - Introducing big and small objects.	- Recite to develop speech - Count to develop number sequence - Recognize objects to develop visual discrimination.	- Recitation - Demonstrati on - Repetitive	Real objects	Maths for today care level 1 pg 4-6	
2	**1**	Comparing things according to different attributes.	I can classify and order things	- Sorting big and small objects	- Reviewing learnt rhymes **-Big and small…..** - Sorting big and small objects. 	- Recite to develop speech - Sort to develop visual discrimination	- Recitation - Demonstrati on - Guided discovery	Real objects	Maths for day care level 1 pg 4-6	

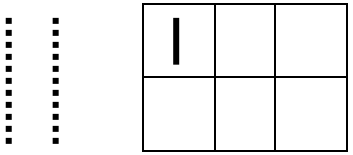

CREATIVE PRINTERS

	2		-	Colouring the big object.	- Reciting number rhymes **-Big and small…..** - Reviewing big and small objects. - Colouring big objects 	- Recite to develop speech - Review to develop memory - Colour to develop fine muscles	- Recitation - Guided discovery - Demonstration	Photocopied work	Maths activities for Pre-Primary level 3 page 46	
	3		-	Pasting big and small objects.	- Reciting learnt rhymes **-Big and small…..** **1,2,3,4 once I caught…** - Reading sizes of objects - Pasting big and small objects. 	- Recite to develop speech - Read sizes to develop memory - Paste to develop visual discrimination.	- Demonstration - Guided discovery	Cut outs of objects	Maths activities for Pre-Primary level 3 page 46	
	4	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	I can show one to one correspondence	Introducing number 1	- Reciting number rhymes **-One little boy…** **-One yellow duck…..** - Introducing number one with a story line. **Once upon a time, there was a boy….** - Counting for number I practically. **I**  **I** 	- Recite to develop speech - Count to develop number value - Listen to the story line to develop concentration	- Recitation - Guided discovery	Real objects Individual	My first step to numbers pages 2,3	
	5			Identifying only one object from a variety.	- Reciting number rhymes **-One little boy sat on the ground…** - Identifying only one object from a variety	- Recite to develop speech - Identify to develop visual discrimination	- Recitation - Guided discovery	Real objects -cups -tins -Books	-Colouring bk page 1 -Count and

					exercise books. 	muscles			29	
3	**4**	Surveying, knowing and distinguishing the attributes of objects.	I can classify and order things.	Introducing a circle.	- Reciting rhymes **-Two little black birds…** **-The wheels on the bus go round…..** - Introduce with a story - Touching and feeling circular objects.	- Recite rhymes to develop speech - Touch and feel to develop fine muscles.	- Demonstration - Guided discovery	Balls Cups tyres	-Shapes pg 2 -Maths activities for Pre-Primary 2 level 8 page 1	
	5			Sorting objects with a shape of a circle	- Reciting a rhyme **-Round and round the garden** - Counting numbers 1-5 - Sorting circular objects 	- Recite to develop speech - Count to develop number sequence - Recognize objects to develop visual discrimination.	- Demonstration - Guided discovery	Real objects	Shapes pg 2 Discovery maths page 9	
4	**1**		-	Colouring	- Singing a song - Reciting number rhymes **I know my shape x 2** **My shape is …….** - Colouring a circle 	- Sing to develop speech - Colour to develop fine muscles.	- Demonstration - Guided discovery	Cut out shapes Books crayons		

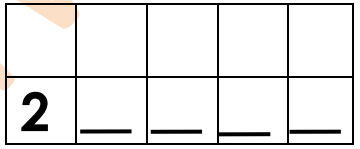

CREATIVE PRINTERS

	2		-	Tracing a circle	- Reciting a rhyme **The wheels on the bus..** - Tracing a circle. 	- Recite to develop speech - Perform the actions to develop fine muscles. - Trace to develop fine muscles	- Demonstration - Guided discovery	Cut out shapes Books crayons	Shapes pg 2 Discovery maths page 9	
	3	Surveying, knowing and distinguishing the attributes of objects.	I can classify and order things.	Drawing a circle	- Reciting a rhyme **-The wheels on the bus..** - Drawing a circle. 	- Recite to develop speech - Draw to develop fine muscles	- Demonstration - Guided discovery	Pencils Books papers	Shapes pg 2 Discovery maths page 9	
	4	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	I can enumerate objects	Introducing number 2	- Reciting a rhyme for number 2. **Two little hands to …. x3 Two little legs to …..** - Counting orally 1-5 - Counting practically for number 2.   2 balls 2 cups	- Recite rhymes to develop speech - Count orally to develop number sequence -	- Demonstration - Guided discovery	Real objects like balls cups spoons Pencil dolls	-Counting book pg 1 **Numbers 1-20** -Nursery rhymes pg 5 -Mtcs activities for Pre-Primary 1 pg 14	
	5		-	Counting for number 2. -Sorting number 2.	- Reciting the rhymes related to number 2 **-My two hands can…** **-My God is so big he**	- Recite rhymes to develop speech - Count to develop number	- Demonstration - Guided discovery	-Individual number cards	-Counting book pg 1	

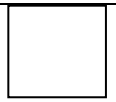

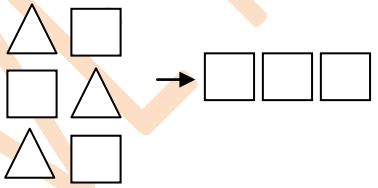

CREATIVE PRINTERS

				-Reciting rhymes related to number 2. **-Two little monkeys jumping on the bed…** **-I love number 2**	**made two eyes two ears two hands and two legs.** - Counting orally 1-5 - Counting for number 2 practically with objects. - Counting for 2 with pictures practically - Sorting number 2 and reading number 2. **2 1 2 3 2**	sequence - Sort to develop visual memory.		-Flash cards -Real objects like balls, pencils, bottle tops.	-Mtcs activities for Pre-Primary 1 pg 14	
5	**1**	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	I can enumerate objects.	Building number 2	- Reciting the rhymes Tw **Two little black birds… My God is so big….** -Counting 1-5 -Building number 2 using bottle tops. 	- Recite the rhyme to develop memory. - Build to develop fine muscles	- Demonstration - Guided discovery	Crayons books	-My first bk of activities pg 2 -Mtcs activities for Pre-Primary 1 pg 30	
	2		-	Colouring number 2.	- Reciting number rhymes **-Two little black birds… -My God is is big….** - Colouring number 2. **2**	- Recite to develop speech - Colour to develop fine muscles	- Recitation - Demonstration - Repetitive	Real objects	-My first bk of activities pg 2 -Mtcs activities for Pre-Primary 1 pg 30	
	3		-	Circling number 2	- Reciting a rhymes for number 2.	- Recite to develop speech	- Demonstration	Flash cards	-My first bk of	

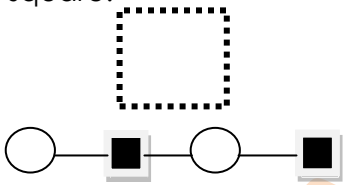

CREATIVE PRINTERS

					-Two little black birds… **-My God is is big….** - Counting orally 1-5 - Reviewing number 1 - Circling number 2. 	- Count orally to develop number sequence - Circle number 2 to develop visual discrimination.	- Guided discovery	Individual number cards	activities for Pre-Primary level 2 pg 30	
4	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	I can enumerate objects.	Tracing and writing number 2.	- Reciting number rhymes **-Two little black birds…** **-My God is is big….** - Reviewing number 1 and 2 - Counting orally using actions i.e boxing, clapping and nodding. - Tracing and writing number 2 in books. 	- Recite to develop speech - Count to develop number sequence - Review to develop memory - Trace and write to develop fine muscles.	- Demonstration - Guided discovery	Books pencils photocopied work	My first book of Mtcs page 2	
5	Surveying, knowing and distinguishing the attributes.	I can classify and order things.	Introducing a square	- Reciting a rhyme **-A ring is a circle…..** - Reviewing the learnt shapes i.e circle - Finding the hidden treasure - Touching and feeling a square.	- Recite to develop speech - Review to develop memory - Touch and feel to develop sensory skills - Find the hidden	- Demonstration - Guided discovery	Cut outs of shapes	Colours and shapes pg 8 Maths made easy	

CREATIVE PRINTERS

						treasure to develop fine muscles.			page 4	
6	**1**		-	Forming a square using straws/sticks	- Reciting rhymes **A ring is a circle….** - Review the learnt shapes i.e a circle - Forming a square using sticks or straws. 	- Recite to develop speech - Review to develop memory - Form a square to develop fine muscles	- Demonstration - Guided discovery	Cut outs of shapes Zuzu sticks straws	Colours and shapes pg 8 Maths made easy page 4	
	2	Surveying, knowing and distinguishing the attributes.	I can classify and order things.	Sorting a square	- Reciting number rhymes **A ring is a circle……** - Reviewing the learnt shapes - Sorting only a square 	- Recite to develop speech - Review to develop memory - Sort out a square to develop fine muscles.	- Demonstration - Guided discovery	Cut outs of shaes	Colours and shapes pg 8 Maths made easy page 4	
	3		-	Pasting a square	- Reciting rhymes **A ring is a circle…… I know my shapes….** - Reviewing the learnt shapes - pasting a square	- Recite to develop speech - Review to develop memory - Paste a square to develop fine muscles.	- Demonstration - Guided discovery	Photocopied work	Colours and shapes pg 16 Maths made easy page 7	
	4		-	Tracing and colouring a	- Reciting rhymes **A ring is a circle……**	- Recite to develop speech	- Demonstration	Photocopied	Colours, shapes	

CREATIVE PRINTERS

				square	- Reviewing the learnt shapes - Counting orally 1-5 - Tracing and colouring a square. 	- Review to develop memory - Count to develop number sequence. - Trace and colour to develop fine muscles	- Guided discovery	work	and numbers pg 16 -Carol vorderman's maths made easy page 5	
	5		-	Drawing a square	- Reciting rhymes **I know my shape…** - Reviewing the learnt shapes - Drawing a square 	- Recite to develop speech - Review to develop memory - Draw to develop fine muscles	- Demonstration - Guided discovery	Cut outs of shapes	Colours and shapes pg 10	
7	**1**	Recognising, describing and representing numbers and their relationship and solving mathematical problems with competence and confidence.	I can enumerate objects	Introducing number 3	- Reciting rhymes **-A ring is a circle…..** **-My God is too big…** **-Two little black….** **-Three blind mice….** - Reviewing the learnt numbers. - Introducing number 3 with a story line - **Once upon a time there lived three blind mice…**	- Recite to develop speech - Review to develop memory - Listen to the story to develop concentration	- Demonstration - Guided discovery	Flash cards Individual cards	-Discovering maths pg 4 -First counting pg 4 -Counting book page 8	
	2		-	Sorting number 3	- Reciting a rhymes **-Three blind mice….** - Reviewing the learnt numbers. - Counting for number 3 - Sorting number 3.	- Recite to develop speech - Review to develop memory - Count to develop number	- Demonstration - Guided discovery	Number cards Objects for countin	-Discovering maths pg 1 -My First book of
