SMART STAR EXAMINATIONS BOARD

PRIMARY FOUR

LESSON NOTES

LESSON NOTES

TERM ONE

0782297443 B.O.M ASSESSMENT READY NOTES & SCHEMES

" ASSESSING PROGRESS, INSPIRING SUCCESS"

INTRODUCTION TO SOCIAL STUDIES

Qn: **Write S.ST in full**

- Social Studies

Qn: What is Social studies

- Social studies is the study of people and their environment

Subjects that make up social studies

- History
- Geography
- Civics
- Religious Education

Qn: **What does the tern environment mean?**

- Environment means man and his surroundings

Qn: Give another term to mean Environment

- Surroundings

Components of the environment

These are things that make up the environment. They include:

- Land
- Animals
- Plants(vegetation)
- Air
- Water bodies (Lakes and Rivers)
- Mountains
- Valleys, Rift valleys etc

Qn: **How do people acquire land in your district?**

- By buying it

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Through inheritance

Qn: Give the importance of land to people in your district

- ❖ It is used for farming
- ❖ It is used for construction industries
- ❖ It is used for settlement
- ❖ It is for road construction

Qn: **What is history?**

- ❖ History is the study of past events

Qn: **List down sources of history**

i) Oral tradition

ii) Written history

iii) Linguistic

iv) Archaeology

v) Anthropology

LOCATION OF OUR DISTRICT IN UGANDA

- ➢ Location means position of a place

Ways of locating places

- ➢ Using a compass
- ➢ Using position of the sun/using shadows
- ➢ Using major landmarks like valleys, hills, mountains

Ways of locating places on a map

- ➢ Using grid reference (lines of longitude and latitude)
- ➢ Using a compass direction
- ➢ Using major landmarks

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- Using neighbouring places

Qn: **What is a compass?**

- A compass is an instrument used to show direction of places

Qn: What is a compass direction?

- This is an element of a map used to show direction of places

Qn: What is grid reference?

- This is a method of locating places on a map using lines of longitude and latitude

Lines of latitude /latitudes

- These are imaginary lines drawn on a map running from East to West
- The general name given to all lines of latitude is parallels

Qn: Name the major line of latitude marked O°

- Equator

Note:Equator divides the world into two hemispheres:

- Northern hemisphere
- Southern hemisphere

Qn: **What is a hemisphere?**

- A hemisphere is a half of the world divided by the equator or prime meridian.

Qn: Name the lakes crossed by the equator in Uganda

- Lake Victoria
- Lake George

Qn: **Name the districts in Uganda crossed by the Equator**

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ✓ Wakiso
- ✓ Mpigi
- ✓ Kasese
- ✓ Ibanda
- ✓ Kalungu
- ✓ Kiruhura
- ✓ Kamwenge

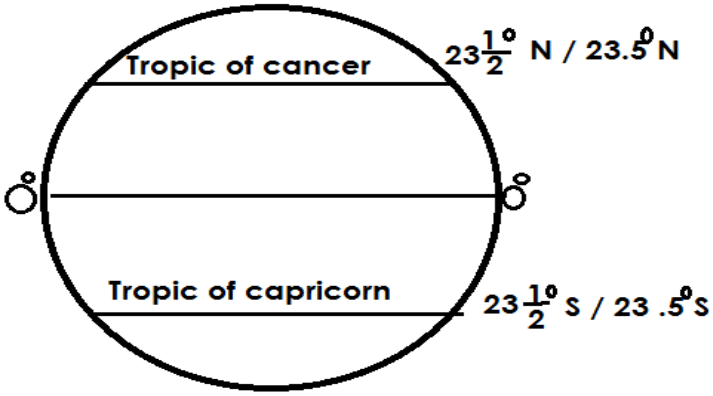

Importance of latitudes

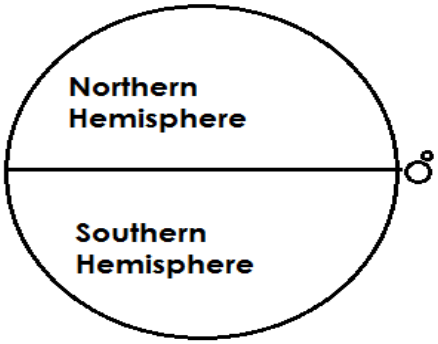

- ❖ They locate places on a map
- ❖ They determine climate of an area

Qn: Name the major town in Uganda crossed by the Equator

- ❖ Entebbe

Example of latitudes

Lines of longitude /longitudes

- ❖ These are imaginary lines drawn on a map running from North pole to south pole

Qn: What general name is given to all lines of longitude?

- ❖ Meridians

Qn: Name the major line of longitude marked O°

READY NOTES & SCHEMES
0782297443

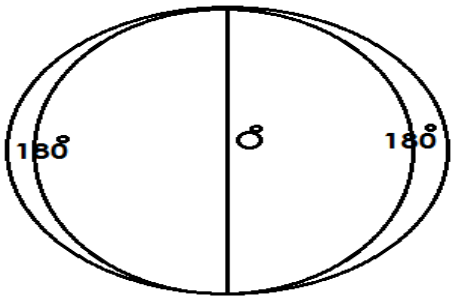

- ❖ Greenwich Meridian/Prime Meridian

Importance of longitudes

- ❖ They locate places on a map
- ❖ They determine time
- ❖ They determine dates

Examples of longitudes

- ❖ Prime meridian /Greenwich Meridian (O^{O})
- ❖ International dateline (180^{0})

A compass

- ❖ This is an instrument used to show directions of places

Examples of people who use a compass

- ❖ Pilots
- ❖ Mountain climbers
- ❖ Rally drivers
- ❖ Ship captains
- ❖ Tourists
- ❖ Sailors
- ❖ Scouts and girl guides

Qn: **What are cardinal points?**

Cardinal points are the four major points of a compass

Qn: List down the cardinal points

0782297413 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

i) North

ii) South

iii) East

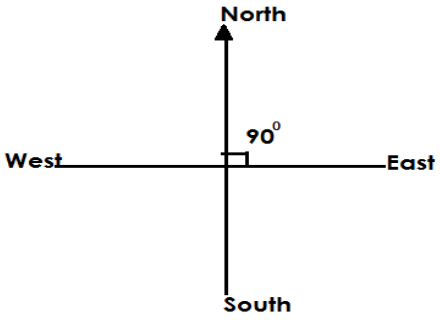

iv) West

NB: When the compass is at rest, its needle faces in the North

Qn: <u>Why does the needle of a compass point North while at rest?</u>

- ❖ There is a magnetic force in the North

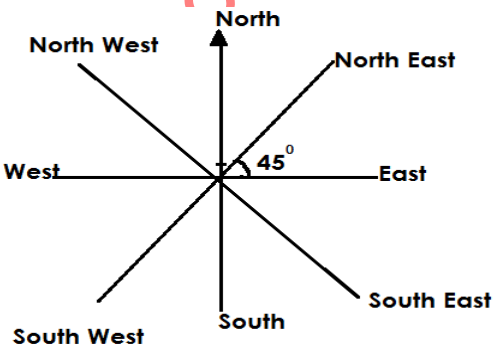

Diagram of a compass

<u>Note:</u> The angle between two cardinal points is 90^0

Semi cardinal points/secondary points

- ❖ These are points formed between cardinal points
- ❖ They are formed at 45^0

Qn: <u>Mention the opposite direction to south West</u>

- ❖ North East

Movement of a compass

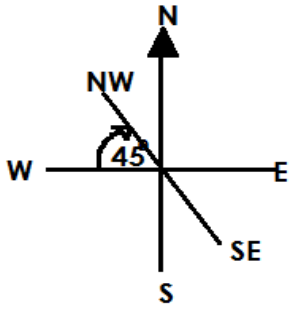

C.T ASSESSMENT READY , NOTES & SCHEMES
0787

- ❖ Clockwise movement
- ❖ Anti-clockwise movement

Qn: Moses was standing in the North, he moved 90^0clockwise. What was his new direction?

Qn: Joan was standing in the west, she moved 450^0 anti-clockwise. What was her new direction North West?

Solution

Activity

Qn: Why does the shadow of an object appear shortest at noon?

- ❖ The sun is directly above the object

Qn: Where does the sun appear to rise?

- ❖ East

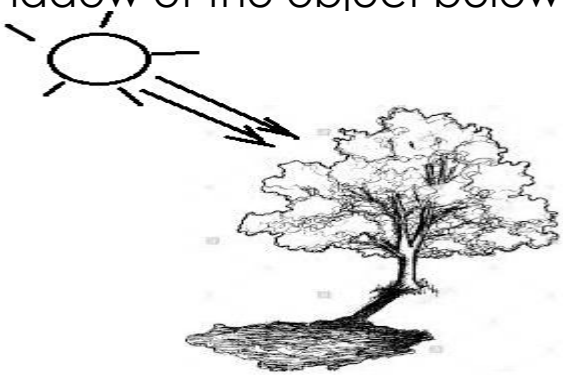

Qn: Why does the sun appear to rise from the East?

- ❖ The East rotates towards the East

Qn: To which direction does the sun set?

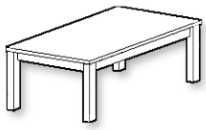

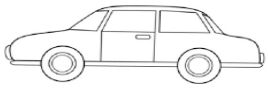

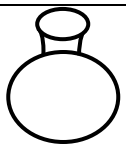

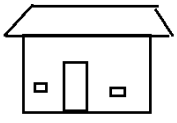

- ❖ West

Qn: Draw the shadow of the object below

0782297443 P.O.T I ASSESSMENT READY , NOTES & SCHEMES

MAPS AND PICTURES

Object	Picture	Map
Tree		
Table		
Car		
Hut		
Pot		
Cup		
House		

0782297443 B.O.T I ASSESSMENT READY ... & SCHEMES

Qn: **What is a map?**

- A map is a drawing of an object as seen from above

Or

- A map is a representation of an object as seen from above

Qn: **What is a picture?**

- A picture is a drawing of an object drawn as seen from sides or
- A picture is representation of an object drawn as seen from sides

Qn: Give the difference between a map and a picture

- A map is drawn as seen from above while a picture is drawn as seen from a side
- A picture is more detailed than a map

Qn: Give two similarities between a map and a picture

- Both represent real object
- Both are drawings of objects

Types of maps

- Political maps
- Physical maps
- Population maps
- Climate maps
- Vegetation maps
- Economic maps

Importance of maps

- They are used to locate places
- They store geographical information

0782297443 B.O.T I ASSESMENT READY , NOTES & SCHEMES

- ❖ Accurate maps are used to calculate actual ground distance between places

Elements /components/qualifications/features of a good map

i) Key

ii) Compass direction

iii) Title /heading

iv) Scale

v) Frame

Importance of elements of a map

A Compass direction

It is used to show direction of places on a map

Key

It explains /interprets map symbols on a map

It gives meaning of map symbols

Title/heading

It shows what a map is all about

Scale

It is used to calculate the actual ground distance between places on a map

Types of scales

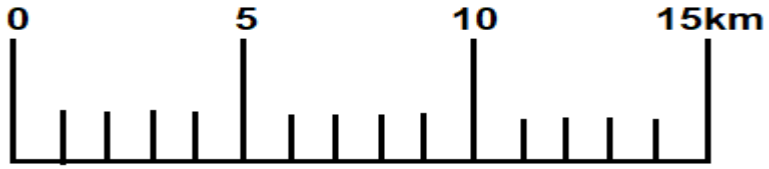

a) Linear scale/scale bar

b) Statement scale

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

c) Fractional /representative /ratio scale

Illustration of a linear scale

Example of a statement scale

One centimeter represents one hundred kilometers

Examples of a representative/fractional /ratio scale

1 cm = ($\frac{1}{100}$) km

or

1 : 100km

Frame

- It encloses a map

Map symbols

- These are signs and colours that represent real objects

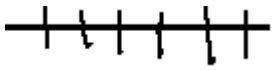

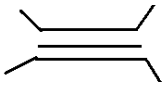

Qn: Why are symbols used on a map instead of real objects (importance of map symbols)

- To avoid crowding a map
- To promote neatness on a map

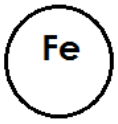

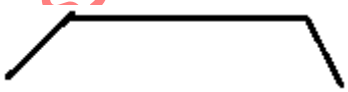

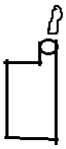

Examples of common map symbols

Waterfalls	
Dam	

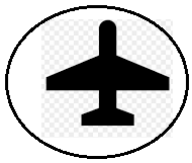

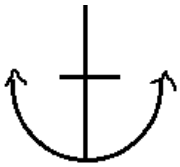

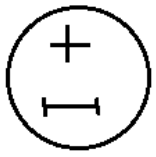

0782097445 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Railway line	
Swamp

Hospital	

Colours used on a map

- ❖ Blue - waterbodies
- ❖ Brown/ purple – Highlands/ mountain
- ❖ Green - Vegetation
- ❖ Red – Boundaries
- ❖ Yellow - Scatters short grass, low lands, plateau

Location of our district

Qn: Mention the district in which your schools is found

- ❖ Wakiso

Qn: Mention the regions that make up Uganda

- ❖ Northern region
- ❖ Central Region
- ❖ Western Region

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

❖ Eastern Region

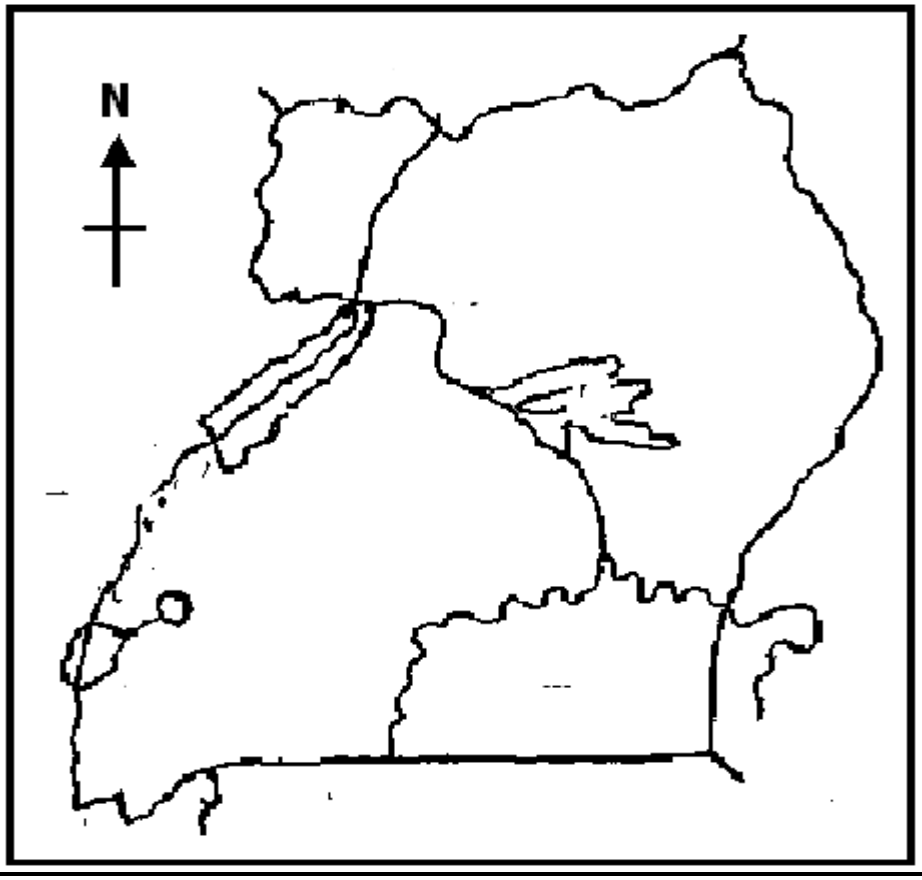

Districts found in different regions

Northern	Eastern	Western	Central
Gulu	Iganga	Masindi	Wakiso
Arua	Jinja	Mbarara	Kampala
Moyo	Tororo	Kasese	Mpigi
Yumbe	Soroti	Bushenyi	Mukono
Oyam	Mbale	Hoima	Luwero
Apac	Kamuli	Kabale	Masaka
Moroto	Apac	Kisoro	Kayunga
Abim	Namutumba	Kagadi	Kyotera
Kotido	Paliisa	Ntoroko	Kalangala
	Luuka		Buvuma

Qn: **In which region is your school found?**

❖ Central region

A MAP OF UGANDA SHOWING REGIONS

0782297443 B.O
MENT READY , NOTES & SCHEMES

Reasons why government creates new district

- ❖ To extend services nearer to people
- ❖ To make administration easy
- ❖ To promote development
- ❖ To create employment opportunities or jobs for people

Qn: **What is an island?**

- ❖ An island is an area of land surrounded by a waterbody

Qn: Mention the two island districts in Uganda

- ❖ Kalangala
- ❖ Buvuma

Qn: Name the waterbody which surrounds Kalangala and Buvuma

- ❖ Lake Victoria

Economic activities done in Kalangala

- ❖ Tourism
- ❖ Fishing
- ❖ Lumbering
- ❖ Transport
- ❖ Trade

Qn: Name the crop that has been introduced in Kalangala and Buvuma

- ❖ Oil Palm

Products of oil palm

- ❖ Cooking oil
- ❖ Palm wine

0782207443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Soap

Problems faced by people in Kalangala

- ❖ Poor road network/ poor transport system
- ❖ Lack of hydroelectricity
- ❖ Poor medical facilities
- ❖ Poor sanitation
- ❖ Poor education services

Solutions to problems facing people in Kalangala

- ❖ Building more school, hospital
- ❖ Using solar energy
- ❖ Providing better means of water transport

WAKISO DISTRICT

Qn: **What is a district?**

- ❖ This is an administrative area at the level of local council five

Qn: Who is the political head of a district?

- ❖ Chairperson L.CV
- ❖ Our school is found in Wakiso district
- ❖ Wakiso district is found in central Uganda

Countries that make up Wakiso District

i) Busiro county

ii) Kyadondo county

Town council in Wakiso District

- ❖ Kajjansi town council
- ❖ Nsangi town council
- ❖ Kyengera town council

0782297443 B.O.T ASSESSMENT READY NOTES & SCHEMES

- ❖ Katabi town council
- ❖ Gombe town council

Municipalities in Wakiso

i) Entebbe municipality

ii) Kira municipality

iii) Nansana municipality

iv) Makindye Ssabagabo municipality

Problems faced by districts

- ❖ Shortage of funds
- ❖ Poor social service centres
- ❖ Corruption
- ❖ Remoteness
- ❖ Poor leadership
- ❖ Poor transport

Neighbouring districts of Wakiso

- ❖ Mukono
- ❖ Kampala
- ❖ Mityana
- ❖ Luwero
- ❖ Nakaseke
- ❖ Mpigi

Qn: Name the district which is almost surrounded by Wakiso

- ❖ Kampala

Important places in Wakiso

- ❖ Entebbe international airport

0782297413 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Namugongo shrine
- ❖ Namboole stadium
- ❖ Schools
- ❖ Police Stations
- ❖ State house Entebbe
- ❖ Hospitals
- ❖ Hotels
- ❖ Uganda wildlife Education Centre (UWEC)
- ❖ Banks

Qn: <u>In which districts in Entebbe International airport found</u>

- ❖ Wakiso

Qn: **<u>Give three importance of Entebbe International Airport</u>**

- ❖ It provides jobs to people
- ❖ It promotes tourism
- ❖ It provides transport service

Qn:**<u>How is Namboole Stadium important?</u>**
It is where football matches are played

- ❖ It provides jobs
- ❖ It promotes tourism

Qn: **<u>How are hotels important in our district?</u>**

- ❖ They provide accommodation services
- ❖ They provided space for conference
- ❖ They provide jobs to people
- ❖ They help people to relax

<u>Economic activities done in Wakiso</u>

i) Trade

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

ii) Transport

iii) Tourism

iv) Fishing

V) Fishing

Municipality

Qn: What is a municipality?

- ❖ This is an Urban centre in a district with its own local government

Qn: Who heads a municipality?

- ❖ Major

Qn: Who heads all civil servants in a municipality?

- ❖ Town clerk

Examples of municipalities in Uganda

- ❖ Arua Municipality
- ❖ Iganga Municipality
- ❖ Lira Municipality
- ❖ Kabale Municipality
- ❖ Soroti Municipality
- ❖ Masindi Municipality
- ❖ Entebbe Municipality
- ❖ Nansana Municipality
- ❖ KiiraMunicipality
- ❖ Masaka Municipality

Importance of municipalities

- ❖ They provide jobs

0782227443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ They improve infrastructure like roads
- ❖ They provide ready market for goods
- ❖ They promote trade

Ways a district gets funds

- ❖ Through tourism
- ❖ Through collecting taxes
- ❖ Through donations
- ❖ Through grants
- ❖ Through loans
- ❖ Through court fines

Ways a district spend its funds

- ❖ Through constructing roads
- ❖ Promoting/maintaining sanitation
- ❖ Funding government aided schools
- ❖ Paying some workers

KAMPALA DISTRICT

- ❖ Kampala got its name after animals called Impala or Empala which lived there
- ❖ Kampala is the capital city of Uganda
- ❖ Kampala is the run way of K.C.C.A (Kampala Capital City Authority
- ❖ K.C.C.A is headed by an appointed Executive Director (ED)
- ❖ The elected Political leader of Kampala city is given a title of lord Mayor
- ❖ The headquarters of KCCA are found at city hall in Kampala

Qn; **Which ministry is responsible for Kampala city?**

- ❖ Ministry for Kampala

0782297445 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Qn: **Name the current leaders of Kampala**

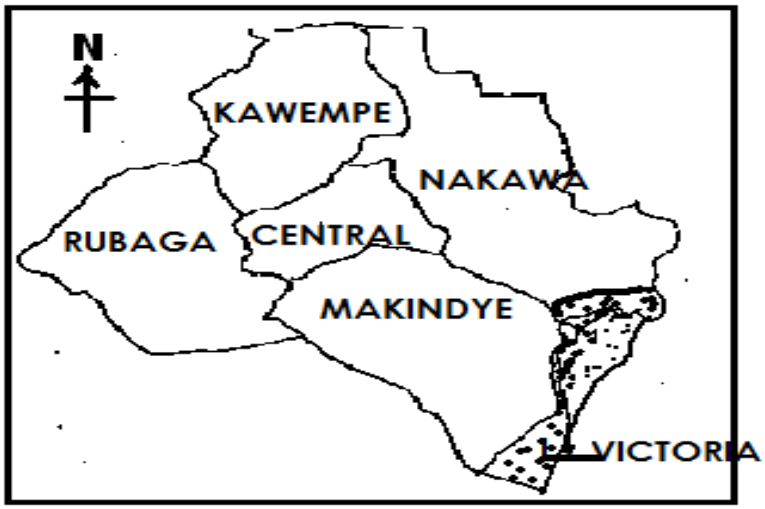

i) Executive Director – Hajjat Sharifah Bukezi

ii) Lord Mayor - Hon. Ronald Nsubuga Balimwezo

Kampala is made up of five urban councils. They include

- Nakawa
- Kawempe
- Central
- Rubaga
- Makindye

A MAP OF KAMPALA URBAN COUNCILS

Reasons why Kampala is divided into urban council /divisions

- To make administration easy
- To extend social services nearer to people
- To create jobs for people
- To promote development

Duties of K.C.C.A

- To promote sanitation in the city
- To promote good road network in the city
- To collect taxes from business owners

NOTES & SCHEMES
0782291443 B.O.

- ❖ To upgrade the city to a modernized one
- ❖ To plan for the city

Importance of Kampala

- ❖ It provides market for goods
- ❖ It is a centre for trade
- ❖ It is a centre of administration
- ❖ It provides jobs for people

Economic activities done in Kampala city

- ❖ Trade
- ❖ Tourism
- ❖ Transport
- ❖ Fishing

Problems faced by people living in Kampala

- ❖ Poor sanitation
- ❖ High crime rate
- ❖ High cost of living
- ❖ Easy spread of diseases
- ❖ Development of slums
- ❖ Shortage of land
- ❖ Unemployment /lack of jobs

Important places in Kampala city

- ❖ Parliamentary building
- ❖ Uganda museum
- ❖ Makerere University
- ❖ Hospitals
- ❖ Courts of law
- ❖ Radio stations
- ❖ Televisions stations

0782297413 BOT ASSESSMENT READY , NOTES & SCHEMES

- ❖ Bank of Uganda
- ❖ Cathedrals / places of worship
- ❖ Market centres
- ❖ Hotels

Major hills in Kampala and what is found there

Hills	Important places
i)Nakasero	State house, UBC tv
	Sheraton hotel, parliamentary building, Bank of Uganda
	Central police stations (CPS)
ii) Muyenga	- Water tanks
iii) Makerere	- Makerere University
iv) Mulago	- Mulago referral hospital, Mulago nursing school
v) Rubaga	- Rubaga Cathedral, Rubaga Hospital
vi) Kitante	- Uganda Museum
viii) Kololo	- Kololo Airstrip
viiii) Mengo	- Kabaka's palace
	- CBS Radio station
	- Mengo hospital

Activity

1. Mention one hill found in Kampala
2. On which hill do we find Bank of Uganda
3. Which social service is mainly provided on Makerere hills?

0782297443 B.O.T ASSESSMENT READY ,NOTES & SCHEMES

4. Which basic need from Muyenga tank hill is provided to the people of Kampala?

5. Write C.P.S in full

6. How is C.P.S important to the people of Kampala

7. Name the manmade lake found in Kampala

8. How is Lake Victoria useful to the people of Kampala?

9. What is a museum?

10. Give two importance of museum

Importance of important places in our district

Medical centres

These are places where people go for treatment when they are sick

They include:

- ❖ Hospitals
- ❖ Dispensaries
- ❖ Clinics
- ❖ Pharmacies
- ❖ Drug shopsetc

Qn: Name the social service provided in a hospital

- ❖ Health service

Qn: Name the largest referral hospital in Uganda

- ❖ Mulago hospital

Groups of people who provide health services

- ❖ Doctors

0782297443 B.O.T I ASSESSMENT READY, NOTES & SCHEMES

- ❖ Nurses
- ❖ Midwives

Importance of a midwife

- ❖ She helps a pregnant woman to give birth
- ❖ She provides antenatal and postnatal services
- ❖ She provides guidance and counseling services to women and girls

Places of worship

i) A church is a place where Christians go for prayers

ii) A mosque is a place where Moslems go for prayers

Examples of church leaders

- ❖ Bishops
- ❖ Archbishops
- ❖ Pastors
- ❖ Deacons

Examples of leaders in Islam

- ❖ Imam
- ❖ Mufti
- ❖ District Khadi

Duties of religious leaders

- ❖ They teach the word of God/ Allah
- ❖ They provide guidance and counseling
- ❖ They settle conflicts/disputes among believers
- ❖ They conduct religious marriage
- ❖ They offer sacraments

Ways religions have promoted development in Uganda

0782297443 B.O.T I ASSESSMENT READY ,NOTES & SCHEMES

- ❖ They have built schools
- ❖ They have built hospitals
- ❖ They have opened up radio and tv stations
- ❖ They have built orphanages
- ❖ They settle conflicts among people
- ❖ They have promoted morals through preaching the word of God
- ❖ They have opened up banks

Types of markets

i) Periodic markets

ii) Permanent markets

Examples of markets in Kampala

- ❖ St. Balikuddembe market
- ❖ Nakasero Market
- ❖ Kibuye Market
- ❖ Wandegeya Market
- ❖ Kalerwe Market
- ❖ Nakawa Market

Sources of food

- ❖ Garden
- ❖ Markets
- ❖ Shop/supermarkets
- ❖ Lakes and rivers

Importance of markets

- ❖ They help people to buy and sell goods
- ❖ They provide jobs to people
- ❖ They provide taxes to the government

0782297413 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Post office

- ❖ This is a place where we send letters and parcels

Importance of a post Office

- ❖ It provides job to people
- ❖ It sells stamps
- ❖ To send and receive letters and parcels

Services provided by the post office

- ❖ Transport
- ❖ Communication
- ❖ Banking

PHYSICAL FEATURES IN OUR DISTRICT

Qn: What are physical features?

These are landforms on the earth's surface

Examples of physical features in our district

- ❖ Plateau
- ❖ Lakes
- ❖ Rivers
- ❖ Valleys
- ❖ Mountains
- ❖ Hills

Types of physical features

i) Relief features

ii) Drainage features

Relief features

- ❖ These are landforms that are identified according to altitude

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Examples of relief features

- ❖ Mountains
- ❖ Hills
- ❖ Plateau
- ❖ Valleys

Drainage features

- ❖ These are landforms which contain water

Examples of drainage features

- ❖ Lakes
- ❖ Rivers
- ❖ Streams

Plateau

- ❖ A plateau is a raised flat-topped piece of land
- ❖ It can also be called a table land
- ❖ Plateau is the physical feature which covers most parts of our districts /Uganda

Draw a symbol for a plateau

Economic activities done on the plateau

- ❖ Farming
- ❖ Tourism
- ❖ Trade
- ❖ Fishing
- ❖ Lumbering
- ❖ Mining

Importance of a plateau

0782297445 - ASSESSMENT READY , NOTES & SCHEMES

- ❖ It is used for farming /animal grazing
- ❖ It promotes tourism
- ❖ It supports industrialization

Reasons why most people settle on plateau

- ❖ Presence of fertile soils
- ❖ Transport is easy on Plateau
- ❖ It is easy to construct houses on a plateau
- ❖ Presence of pasture for dairy farming

Problems faced by people living on plateau

- ❖ Pests and diseases
- ❖ Floods
- ❖ Drought
- ❖ Soil erosion

Mountain

i) A mountain is a large raised piece of land higher than 2000 metres

ii) Mountain range is a series of mountains

iii) A mountain peak is the highest point of a mountain

	Mountain	**Mt.Peak**
i)	Mountain Rwenzori	Margherita
ii)	Mountain Elgon	Wagagai
iii)	MountianMufumbiro	Muhavura
iv)	Mountain MorotoSokdek	

Other mountains

- ❖ Mountain Napak

0782297243 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- Mountain Kadam

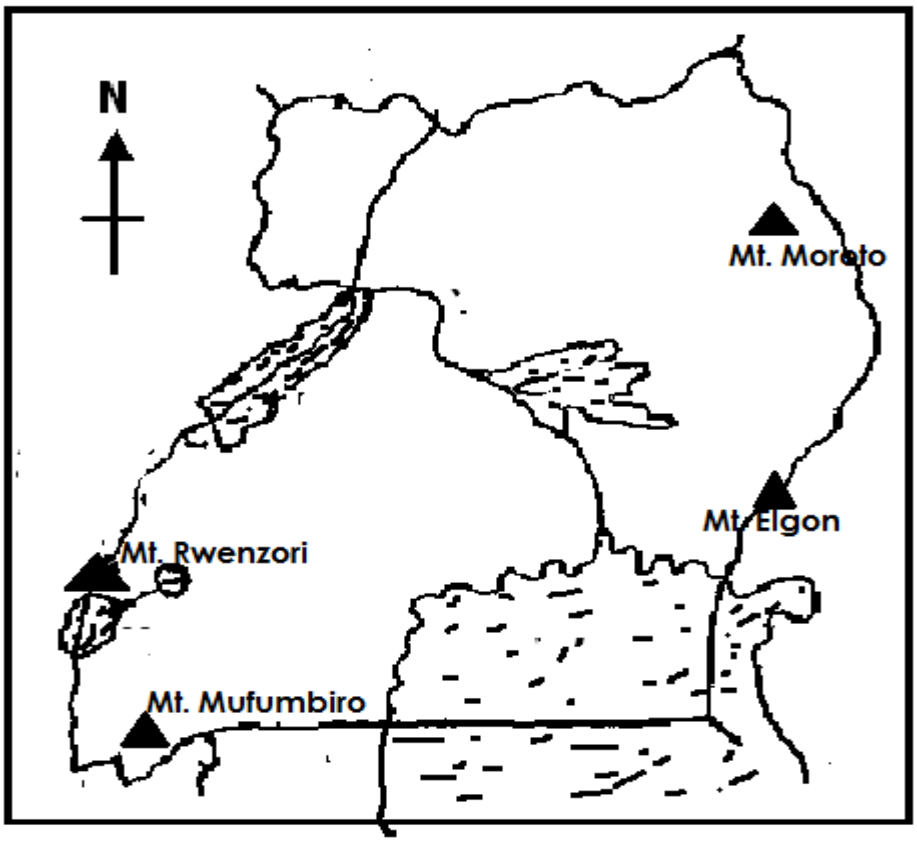

Types of mountains

- Block mountain
- Volcanic mountains

Examples of mountainous /highland district

- Kabale
- Mbale
- Bududa
- Kapchorwa
- Kasese
- Sironko
- Bundibugyo

A MAP OF UGANDA SHOWING LOCATION OF MOUNTAINS

NT READY , NOTES & SCHEMES
0782

Importance of mountains

- ❖ They help in rain formation (relief rainfall)
- ❖ They promote tourism
- ❖ They form natural boundaries between countries
- ❖ Mountain slopes have fertile soils for crop growing
- ❖ Some mountains have minerals

Qn: **Mention tribes that live on slopes of these mountains**

i) Mt. Rwenzori - Bakonzo, Bamba

ii) Mt. Elgon - Bagisu, Sabiny

iii) Mt Mufumbiro - Bafumbira

iv) Mt. Moroto -Karimojong

Problems faced by people living on Mountain slopes

- ❖ Soil erosion
- ❖ Poor transport network
- ❖ Volcanic eruptions
- ❖ Landslides/Mudslides

Solutions to problems faced by people on mountain slopes

- ❖ By rearing donkeys for transport
- ❖ By constructing winding roads
- ❖ By terracing land
- ❖ By relocating people to safer places

Ways of controlling soil erosion in hilly/ highland areas

- ❖ By terracing
- ❖ By contour ploughing
- ❖ Through strip cropping

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Economic activities carried out in mountainous areas

- ❖ Farming
- ❖ Lumbering
- ❖ Tourism
- ❖ Mining

Qn: How is road transport made possible in mountainous areas?

- ❖ By constructing winding roads

2. How is transport made possible in mountainous areas?

- ❖ By constructing wind roads
- ❖ By rearing donkeys for transport

3. What is the main cause of landslides?

- ❖ Heavy rainfall

4: Mention districts affected by land Slides in Uganda

- ❖ Bududa
- ❖ Bulambuli
- ❖ Sironko

5. Give dangers of landslides

- ❖ They lead to death of people
- ❖ They destroy property
- ❖ They lead to displacement of people
- ❖ They destroy crops

VALLEYS

A valley is alow land between two close hills/mountains

QUESTIONS

1. What is a rift valley?

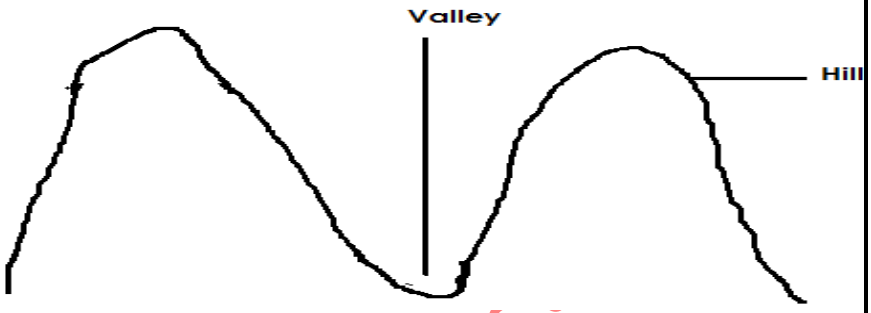

0782297443 P.O.T I ASSESSMENT READY , NOTES & SCHEMES

- This is along and wide depression on the earth's surface.

2. What is escarpment?

- These are steep sides of a rift valley

Diagram showing a valley

Importance of valleys

- They promote tourism
- They have fertile soils for farming

Problems faced by people living in a valley

- Soil erosion
- Floods
- High temperatures
- Poor transport

LAKES IN UGANDA

- A lake is a large mass of water surrounded by land

Examples of lakes in Uganda

- Lake Victoria (largest in Uganda)
- Lake Albert (source of crude oil)
- Lake Kyoga (most swampy)
- Lake Edward
- Lake George
- Lake Kwania
- Lake Wamala
- Lake Bisina

0782297443 BOT ASSESSMENT READY , NOTES

- ❖ Lake Bunyonyi (Deepest lake in Uganda)
- ❖ Lake Opeta
- ❖ Lake Mutunda
- ❖ Lake Katwe (Source of salt)
- ❖ Lake Buleraetc

Questions

1. Name the largest lake in Uganda
   - ❖ Lake Victoria
2. Name the deepest lake in Uganda
   - ❖ Lake Bunyonyi
3. Name the lake which is a source of salt in Uganda
   - ❖ Lake Katwe
4. Name the lake where crude oil was discovered
   - ❖ Lake Albert
5. Which is the swampiest lake in Uganda
   - ❖ Lake Kyoga
6. Why is Lake Kyoga swampy
   - ❖ It is shallow
7. Why is lake Kyoga shallow
   - ❖ It has a lot of clay
   - ❖ It is much silted
8. Name the channel which joins lake Edward to George
   - ❖ Kazinga channel

0782229742 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Economic activities carried out on lakes

- ❖ Fishing (major)
- ❖ Transport
- ❖ Tourism
- ❖ Trade

Importance of lakes

- ❖ They help in rain formation (convectional rainfall)
- ❖ They are sources of water for irrigation, industrial use, domestic use
- ❖ They are fishing grounds
- ❖ Some form natural boundaries between countries
- ❖ They are homes for aquatic animals
- ❖ They promote tourism
- ❖ They are used for transport
- ❖ Some are sources of minerals like lake Katwe.

Dangers of lakes/rivers

- ❖ They cause flooding
- ❖ They encourage breeding of diseases vectors
- ❖ They hide dangerous wild animals
- ❖ They encourage soil erosion

Problems facing lakes/Rivers

- ❖ Drought
- ❖ Silting
- ❖ Pollution
- ❖ Over fishing
- ❖ Over harvesting of swamp vegetation

0782297443 B.O.T ASSESSMENT READY ,NOTES & SCHEMES

How to care for lakes

- ❖ By planting trees around lakes/afforestation
- ❖ By discouraging people from dumping rubbish and other wastes in water
- ❖ By using proper fishing methods

Qn: Mention any two fresh water lakes you know in Uganda

i) Lake Victoria

ii) Lake Kyoga

RIVERS

A river is a large mass of water flowing in a particular direction

Examples of rivers

River Nile(Longest in Uganda

River Katonga

River Kagera

River Kafu

River Manafwa

River Mpologoma

River Achwa

River Semliki

River Mpanga

River Nkusi

River Mayanja

Terms related to rivers

0782297443 B.O.T I ASSESSMENT READY NOTES & SCHEMES

a) **River source**

- ❖ This is a point where a river starts flowing

b) **River mouth**

- ❖ This is a place where a river ends flowing

c) **Tributary**

- ❖ This is a small river joining the main river

d) **Distributary**

- ❖ This is a small river branching away from the main river

e) **River Confluence**

- ❖ This is a place where two or more rivers meet

f) **Waterfall**

- ❖ This is the steep flow of a river

RIVER NILE

Question

1. Name the longest river in Uganda

- ❖ River Nile

Waterfalls found on River Nile

- ❖ Murchison falls
- ❖ Itanda falls
- ❖ Karuma falls

Uses of water falls

i) They generate Hydro Electric Power (HEP)

0782297463 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

ii) They promote tourism

iii) They are used for recreation

2. Mention two rivers that flow into Lake Victoria

i) River Kagera

ii) River Katonga

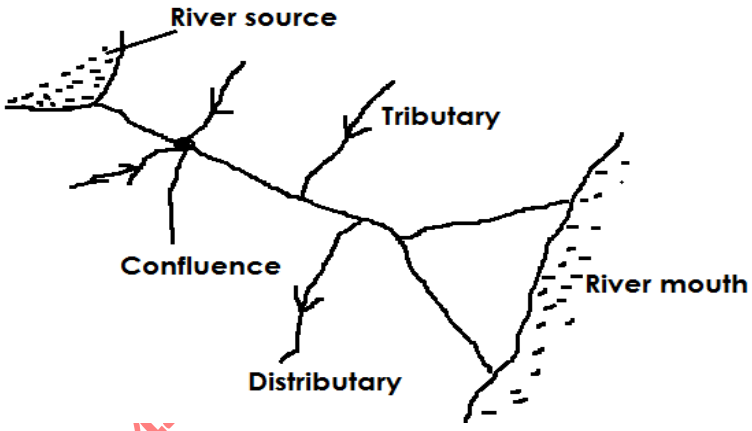

3. Write HEP in full

- ❖ Hydro Electric Power

4. What is Hydro Electric Power?

- ❖ This is the type of energy generated by fast running water.

Parts of a river

Places where rivers have their sources

- ❖ Highlands/mountains
- ❖ Plateaus
- ❖ Swamps
- ❖ Forests

0782...974
...ENT READY NOTES & SCHEMES

Importance of rivers

- ❖ They provide water for domestic use, Industrial use, irrigation
- ❖ They promote tourism
- ❖ They are fishing grounds
- ❖ They help in rain formation
- ❖ Some act as natural boundaries between countries
- ❖ They generate hydro electricity

Types of rives

i) **Seasonal rivers**

- ❖ These are rivers that flow during the wet seasons and dry during the drying seasons

ii) **Permanent rivers**

- ❖ These are rivers that flow throughout the year

Economic activities carried out on rivers

- ❖ Fishing
- ❖ Tourism
- ❖ Trade
- ❖ Transport

Qn: **Give reasons why areas around lakes and rivers are densely populated**

i) They have fertile soils

ii) They have good climate / reliable rainfall

FISHING

- ❖ This is the catching of mature fish from waterbodies

Types of fish caught in Uganda

0782207443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Tilapia
- ❖ Nile Perch
- ❖ Mud fish
- ❖ Lung fish
- ❖ Cat fish

Questions

1. Name the commonest type of fish caught in Uganda
   - ❖ Tilapia
2. Which is the largest type of fish caught in Uganda?
   - ❖ Nile perch
3. Which type of fish is commonly found in swamps?
   - ❖ Mud fish

Methods of catching fish

- ❖ Using fishing nets
- ❖ Using spears
- ❖ Using baskets
- ❖ Using hooks
- ❖ Using traps

Fish preservation

- ❖ This is a way of keeping fish safe for along time without going bad

Ways of preserving fish

Traditional methods

- ❖ Salting
- ❖ Smoking
- ❖ Sun drying

Modern methods

0782257443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Canning
- ❖ Freezing/refrigerating /icing

Qn: **Which is the commonest method of preserving fish in Uganda**

- ❖ Smoking

Uses of fish

- ❖ It is eaten as food
- ❖ It is a source of income
- ❖ Fish can be used as medicine
- ❖ Bones of fish can be used as animal feeds

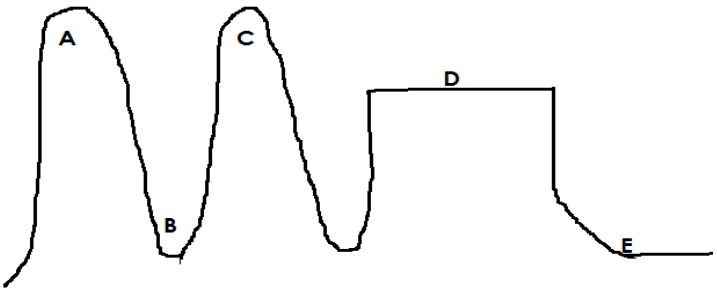

Problems facing fishing

- ❖ Shortage of capital
- ❖ Poor fishing methods
- ❖ Poor transport
- ❖ Bad weather conditions
- ❖ Price changes

Examples of poor fishing methods

- ❖ Using poison
- ❖ Using undersized nets
- ❖ Using local herbs

Qn: **Name parts labeled on the diagram below**

A - Mountain
B - Valley
C - Plateau
E - Plain

0782297 ... B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Qn: What is a plain?

- ❖ A plain is a low-lying land.

WEATHER IN OUR DISTRICT

Questions

1. **What is weather?**
   - ❖ Weather is the condition of the atmosphere of a place at a given time
   - ▪ Weather is the atmospheric condition of a place at a given time
2. **What is climate?**
   - ❖ Climate is the average weather condition of palace recorded and studied for a long period of time
3. **What is weather forecast?**
   - ❖ This is the telling of future weather changes
4. **What is meteorology?**
   - ❖ This is the study of weather
5. **Who are meteorologists?**
   - ❖ These are people who study about weather changes
6. **What is a weather station/meteorological centre?**
   - ❖ This is a place where weather changes are studied and recorded from
7. **Where is the largest weather station found in Uganda?**
   - ❖ Entebbe in Wakiso District

0782237443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Elements /aspects/components of weather

- ❖ Rainfall
- ❖ Temperature
- ❖ Sunshine
- ❖ Cloud cover
- ❖ Humidity
- ❖ Mist
- ❖ Fog
- ❖ Chilly

Condition /types of weather

- ❖ Rainy
- ❖ Sunny
- ❖ Windy
- ❖ Cloudy
- ❖ Humid
- ❖ Foggy
- ❖ Chilly weather
- ❖ Misty

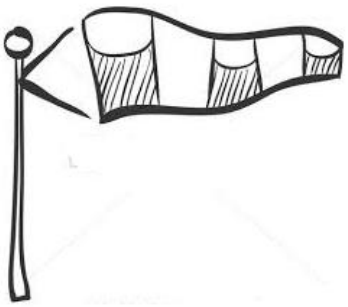

Weather instruments

Weather instruments	Uses
Rain gauge	It measures amount of rainfall received in an area
sunshine recorder	It records the number of hours the sunshine in a day
Windvane/weather cock	It shows the direction of wind
Barometer	It measures atmospheric pressure/air pressure
Anemometer	It measures speed of wind

0782207443 E.O.T.I ASSESSMENT READY , NOTES & SCHEMES

Hygrometer	It measures humidity

Wind socks

Qn: **Why is a wind sock not considered to be weather instrument?**

- ❖ It is not found at a weather station

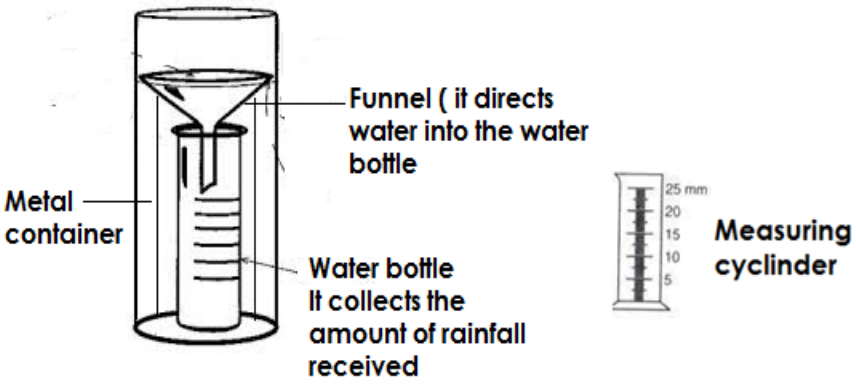

Qn: State the importance of a wind sock

- ❖ It shows wind direction
- ❖ It shows strength of wind

Places where a windsock is found

- ❖ Airfield
- ❖ Airstrip
- ❖ Airport

Draw some weather instrument

Qn: Why is a rain gauge place in a flat Open area?

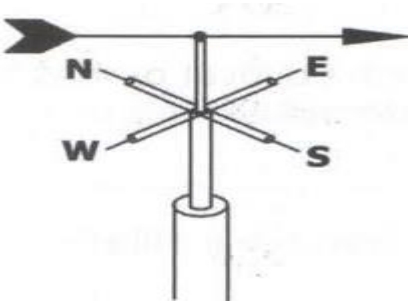

- ❖ To prevent rain obstruction

+1 ASSESSMENT READY , NOTES & SCHEMES

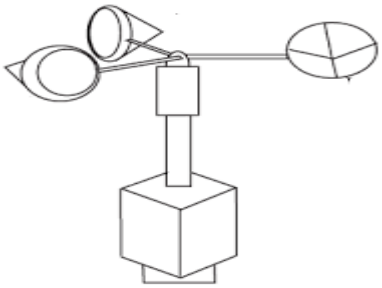

Qn: Why is a rain gauge placed 30cm above the ground

- To prevent running water/splashing water from entering it

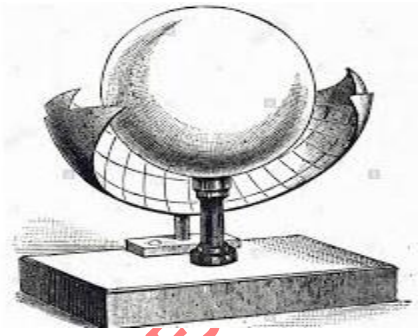

Windvane

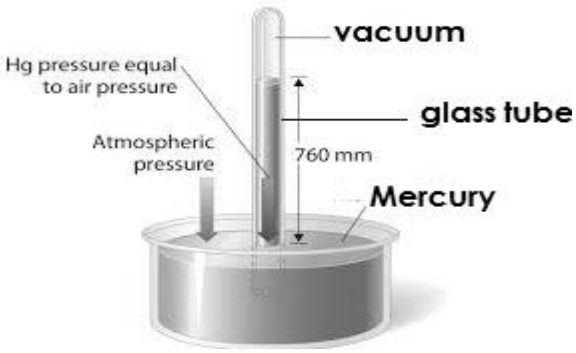

Anemometer

Sunshine recorder

Stevenson screen

- This is a wooden box where delicate weather instruments are kept at a weather station
- It is painted while to reflect sunlight/ sunshine

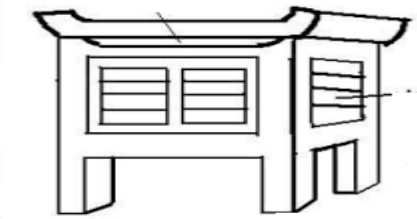

Instruments kept there include

- Barometer
- Hygrometer
- Six's thermometer

Qn: **Why are there louvers on a screen son screen?**

- To allow free circulation of air

078297443 B.O.T ASSESSMENT RE NOTE

Qn: A part from delicate weather instruments, name any other materials found in a Stevenson screen

- ❖ Record book

Qn: Why is a rain gauge not kept in a Stevenson screen?

- ❖ It is not a delicate weather instrument

Rainfall

- ❖ Rain refers to the droplets of water that fall from the sky

Rainfall cycle

- ❖ This is the continuous process through which rain is formed

Types of rainfall

i) Convectional rainfall

ii) Relief rainfall/orographic

iii) Cyclonic rainfall/frontal

Convectional rainfall

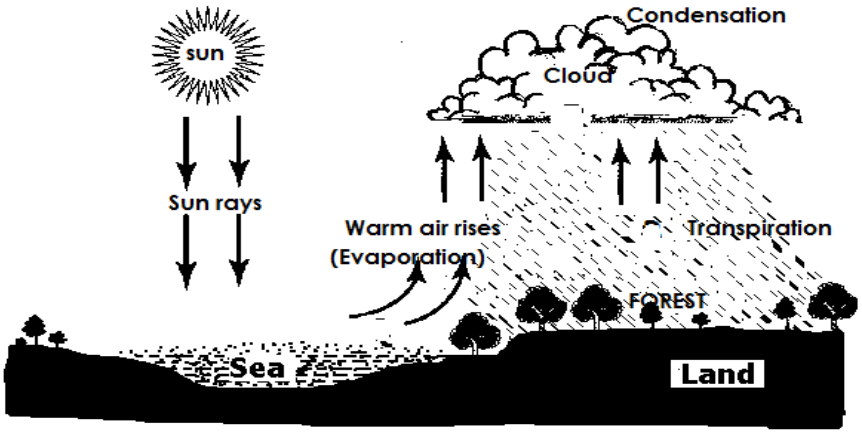

- ❖ This is the type of rainfall received in areas near large waterbodies and forests

It is received in district like;

- ❖ Kalangala
- ❖ Kampala
- ❖ Wakiso
- ❖ Jinja

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

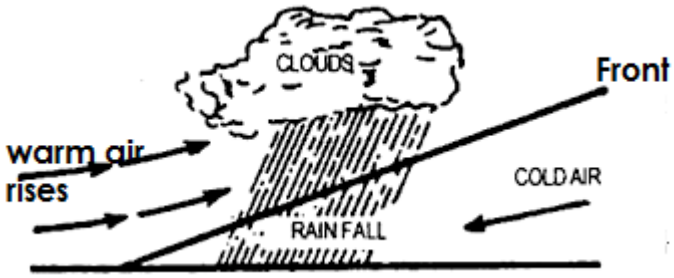

Diagram showing convectional rainfall

Cyclonic rainfall/ frontal

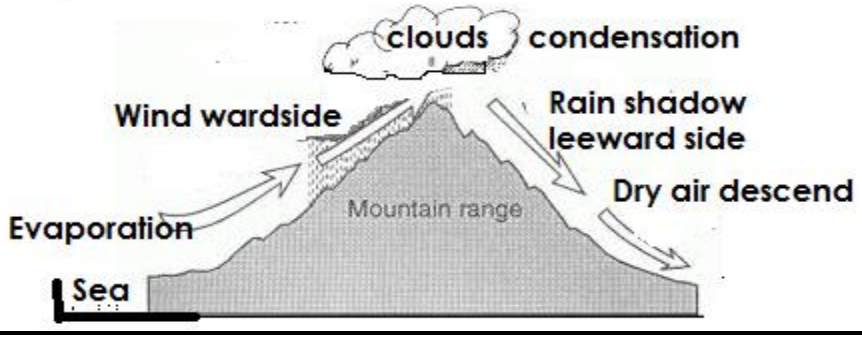

- This type of rainfall is experienced when warm moist air masses meet cold dry masses at a front
- A front is a point where two air masses meet
- This type of rainfall is experienced in flat areas like Karamoja and Teso(plains)

Diagram

Relief /orographic

- This type of rainfall is received in highland areas
- It is formed when the sun heats the water body and evaporation takes places
- The warm moist air is formed to rise and it is blocked by the mountain forcing it to rise higher to form nimbus clouds

0772207443 B.O.T I A- READY , NOTES & SCHEMES

NB: A mountain has two sides

a) **Windward is** the side of a mountain which receives rainfall throughout the year

b) **Leeward /rain shadow** is the side of a mountain which receives little or no rainfall

Qn: Why does the windward side receive rainfall throughout the year?

- ❖ It receives moist winds

Qn: Why does leeward receive little or rainfall?

- ❖ It receives dry winds

Importance of rainfall

- ❖ It is the major sources of water.
- ❖ It softens soil for cultivation
- ❖ It enables plants to make their own food
- ❖ It enables crops to grow well

Disadvantages /dangers of too much rainfall

- ❖ Too much rainfall causes floods
- ❖ Too much rainfalls destroys crops
- ❖ Too much rainfall destroys bridges
- ❖ Too much rainfall destroys people's houses

Types of clouds

- ❖ Nimbus clouds
- ❖ Cirrus clouds
- ❖ Cumulus clouds
- ❖ Stratus clouds
- ❖ Cumulonimbus clouds

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Importance of clouds

- ❖ Clouds bring rainfall
- ❖ Clouds protect us from direct sunrays
- ❖ Clouds keep the earth warm at night
- ❖ They help to reduce temperature in a given place

Dangers of clouds

- ❖ Dark clouds cause air crashing
- ❖ Clouds cause hail storms which destroy people's crops
- ❖ Clouds cause heavy rainfall which cause floods

Qn: Why is rain referred to as the major source of water?

- ❖ It gives water to other sources

Qn: Name the type of clouds that bring rain

- ❖ Nimbus

Qn: Mention clouds that are highest in the sky

- ❖ Cirrus

NB Nimbus clouds are the main source of rain

Qn: **What is wind?**

- ❖ Wind is the moving air/air in motion

Uses of wind

- ❖ It helps farmers in winnowing
- ❖ It dries our clothes
- ❖ It helps sailors to move their canoes /boats
- ❖ It helps in rain formation
- ❖ It helps in pollination

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Dangers of wind

- ❖ Strong wind destroys farmers crops
- ❖ Strong wind destroys people's property e.g. houses
- ❖ Strong wind leads to soil erosion
- ❖ Strong wind can capsize boats/water vessels

Sunshine

- ❖ Sunshine is heat and light from the sun
- ❖ Energy from the sun is called solar

Uses of sunshine

- ❖ It helps in in rain formation
- ❖ It dries farmers' produce /crops
- ❖ It is a source of solar energy
- ❖ It is a source of vitamin D

Dangers of sunshine

- ❖ Too much sunshine causes shortage of pasture
- ❖ Prolonged sunshine causes drought
- ❖ Too much sunshine dries man's crops
- ❖ Too much sunshine dries water bodies
- ❖ It causes skin cancer
- ❖ Too much sunshine can cause death of animals

Qn: **What is a season?**

- ❖ This is a period of time with similar weather changes

Qn: **Mention activities done by farmers in these seasons.**

i) **Wet season**

- ❖ Planting crops
- ❖ Weeding

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Pruning
- ❖ Spraying
- ❖ Thinning

ii) **Dry season**

- ❖ Harvesting ready crops
- ❖ Drying produce
- ❖ Preparing land
- ❖ Preparing machines
- ❖ Seed storing

TERM TWO

VEGETATION IN OUR DISTRIGHT

Qn:**What is vegetation?**

- ❖ Vegetation is the plant cover of an area

Qn: Why is it wrong to say that vegetation is the green plant cover of an area?

- ❖ Not all vegetation is green

Examples /components /Elements of vegetation

- ❖ Forests
- ❖ Flowers
- ❖ Swamps
- ❖ Thickets
- ❖ Shrubs
- ❖ Crops
- ❖ Grasslands

Types of vegetation(forms)

i) Natural vegetation

0702297413 B.O.T ASSESSMENT READY , NOTES & SCHEMES

ii) Planted vegetation

Qn: **What is natural vegetation?**

- ❖ This is the plant cover of an area that grows on its own

Examples of natural vegetation

- ❖ Natural forests
- ❖ Swamps
- ❖ Shrubs
- ❖ Thickets
- ❖ Grasslands

Characteristic of natural vegetation

- ❖ Trees take long to mature
- ❖ Trees produce hard wood
- ❖ They have a variety of tree species
- ❖ Trees have broad leaves
- ❖ Trees are evergreen

Qn: **What is planted vegetation?**

- ❖ This is the plant cover of an area that grows under the influence of man

Or

- ❖ This is the plant cover of an area which grows by the help of man

Examples of planted vegetation

- ❖ Planted forests
- ❖ Flowers
- ❖ Crops
- ❖ Vegetables

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Characteristics of planted vegetations

- ❖ They take a short time to mature
- ❖ Trees provide softwood
- ❖ Trees are of the same species
- ❖ Seedlings are first grown in a nursery bed
- ❖ Trees are well spaced

Qn: Give two differences between natural vegetation and planted vegetation

✓

Ways of caring for vegetation

- ❖ By pruning
- ❖ By thinning
- ❖ By trimming
- ❖ By watering it
- ❖ Adding fertilizers/mature

Importance of vegetation

- ❖ Some vegetation is eaten as food
- ❖ Some vegetation acts as herbal medicine
- ❖ Vegetation helps in rain formation
- ❖ It promotes tourism
- ❖ It provides raw materials for local industries
- ❖ Some vegetation is eaten as food for animals
- ❖ It controls soil erosion
- ❖ It acts as wind breaks
- ❖ It provides shades
- ❖ It acts as habitats for wild animals
- ❖ It is a source of fuel i.e firewood, charcoal
- ❖ It is a source of timber /wood

0782297413 B.O.I ASSESSMENT READY , NOTES & SCHEMES

Qn: **How does vegetation help to improve people's health?**

- ❖ It provides herbal medicine
- ❖ It provides food

Qn: How does vegetation help in changing/ modifying climate of an area?

- ❖ It helps in rain formation

Qn: How does vegetation purify air?

- ❖ It absorbs carbon dioxide and releases oxygen

Qn: How is vegetation important to animals?

- ❖ It is eaten as food by animals
- ❖ It acts as habitats for animals

Qn: Which kind of medicine is got from vegetation?

- ❖ Herbal medicine

Qn: How is a vegetation important o herbalist?

- ❖ It provided herbal medicine

Dangers of vegetation

- ❖ Some vegetation is poisonous if eaten
- ❖ Thick vegetation hides dangerous wild animals
- ❖ It acts as a breeding place for disease vectors
- ❖ It is hiding place for bandits/criminals
- ❖ It makes road construction difficult

Grassland

- ❖ A grassland is a large area of land covered with tall or short grass

0782297443 B.O.T I ASSESMENT READY , NOTES & SCHEMES

- ❖ Savanna grassland is the type of natural vegetation which covers most parts of Uganda
- ❖ Most game parks in Uganda are located savanna grassland areas

Why?

- ❖ Presence of enough pasture of animals
- ❖ Presence of enough water for animals

Economic activities carried out in savannah grasslands

- ❖ Tourism
- ❖ Farming
- ❖ Hunting
- ❖ Lumbering
- ❖ Trade

Importance of grasslands

- ❖ They are grazing areas for animals
- ❖ They are homes for wild animals
- ❖ They promote tourism
- ❖ They provide grass for thatching housing
- ❖ They control soil erosion

Dangers of grasslands

- ❖ They hide dangerous wild animals
- ❖ They are breeding places for diseases vectors
- ❖ They are hiding places for criminals

GAME PARKS

- ❖ **A game park** is an area protected by the government to conserve wildlife.

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- **A game park** is a large area gazette by the government to conserve wild life.
- **A zoo** is a place where wild animals and birds are kept in cages for public viewing

Qn: Write UWEC in full

- Uganda Wildlife Education Centre

Qn: Name the body responsible for wildlife in Uganda

- UWA – Uganda wildlife Authority

Qn: Which ministry is in charge of game park in Uganda

- Ministry of tourism, wildlife and Antiquities

Examples of game parks in Uganda

- Murchison falls N.G.P (Largest)
- Queen Elizabeth N.G.P
- Bwindi impenetrable N.G.P
- Kidepo Valley N.G.P
- Mt. Rwenzori N.G.P
- Mt. Elgon. N.G.P
- Lake Mburo N.G.P
- Kibale N.G.P
- Mgahinga N.G.P
- Semliki National Game Park

Examples of animals found in game park

- Lions
- Zebras
- Elephants
- Hippopotamus/Hippos
- Crocodiles

0782297443 BOTT ASSESSMENT READY NOTES & SCHEMES

- Antelopes etc

Importance of game parks

- They promote tourism
- They conserve wildlife
- They act as research centres
- They provide jobs to people

Problems game parks face

- Poaching
- Fire outbreaks
- Encroachment
- Animal diseases
- Drought
- Shortage of capital

Problems caused by game parks

- Attacks from dangerous animals
- Some animals destroy people's crops
- A lot of noise at night

Questions:

1. What is poaching?

- Poaching is the illegal hunting of animals from game parks

2. Why do people carryout poaching?

- To get meat
- To get ivory
- To get skins and hides

3. **How is poaching dangerous?**

0782207423 L.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ It leads to migration of animals
- ❖ It leads to extinction of some animal species
- ❖ It leads to death of animals
- ❖ It reduces the number of tourists

Types of animals found in game parks

- ❖ **Carnivorous animals** (Those that feed on fresh /meat)
- ❖ **Herbivorous animals** (Those that feed on grass)
- ❖ **Omnivorous animals** (Those that feed on both meat and grass)
- ❖ **Insectivores** (feed on insects like chameleon)

Qn: **What is vegetation distribution?**

- ❖ Vegetation distribution is the way vegetation is spread in an area

Factors that determine vegetation distribution

- ❖ Climate
- ❖ Nature of soils
- ❖ Human activities
- ❖ Altitude
- ❖ Relief /topography
- ❖ Government policy

Human activities that promote growth of vegetation

i) Afforestation

ii) Re afforestation

iii) Agroforestry

Qn: **Define the following terms**

0782207403 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

a) **Afforestation** is the planting of trees where they have never existed

b) **Reafforestation** is the planting of trees where they have been cut down

c) **Agroforestry** is the planting of trees together with crops on a large scale

Human activities that destroy vegetation

i) Deforestation

ii) Bush burning

iii) Swamp drainage

iv) Over grazing

v) Road construction

vi) Industrialization

vii) Mining

Qn: **Define the following terms**

a) **Mining** is the extraction of minerals from the underground

b) **Industrialization** is the setting up of industries in an area

FORESTS

- A forest is a group of trees growing together with other plants on a large scale

Qn; Which body in Uganda is responsible for conserving forests?

- NFA (National Forestry Authority)

0782297443 P.O.T I ASSESSMENT READY , NOTES & SCHEMES

Types of Forests

a) Natural forests

b) Planted forests

Natural forests

These are forests that exists/grow on their own

Examples of natural forests in Uganda

- ✓ Budongoforest
- ✓ Mabira forest
- ✓ Bugoma forest
- ✓ Maramagambo forest
- ✓ Malabigambo forest
- ✓ Bwindi impenetrable forest
- ✓ Kibale forest
- ✓ Zoka forest
- ✓ Ssese island forest

Qn: Name the largest natural forest in Uganda

- ✓ Budongo forest

Qn: In which district in Budongo forest found?

- ✓ Masindi district

Qn: Which is the largest natural forest in Central Uganda?

- ✓ Mabira forest

Qn: Mention districts where Mabira forest is found

i) Mukono

ii) Buikwe

0782291443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Trees found in natural forests

- Mvule
- Mahogany
- Green heart
- Rosewood
- Ebony
- African walnut

Characteristics of natural forests

- Trees produce hardwood
- Trees grow tall
- Trees are different species
- Trees do not mature at the same time

Qn: Why do trees in natural forests produce hardwood?

- They take long to mature

Products of hardwood

- Desks
- Beds
- Doors
- Chairs
- Cupboards
- Benches
- Tables

Planted forests

- These are forests which are grown by man
- These are forests that are grown under influence of man

Examples of planted forests in Uganda

0782297413 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Lendu forests
- ❖ Mafuga forest
- ❖ Agwata forest
- ❖ Bugamba forest
- ❖ Magamogaforest
- ❖ Nabyeya forest
- ❖ Katuugo forest
- ❖ Itwala forest

Examples of trees found in planted forests

- ❖ Pine
- ❖ Eucalyptus
- ❖ Cedar
- ❖ Spruce trees
- ❖ Cedar trees
- ❖ Fir

Characteristics of planted forests

- ❖ Trees provide softwood
- ❖ Trees mature faster
- ❖ Trees mature at the same time
- ❖ Trees are of the same species
- ❖ Trees are well spaced

Products of softwood

i) Papers

ii) Pencils

iii) Match boxes

iv) Wooden rulers

v) Plywood

0782297443 BOT ASSESSMENT READY , NOTES & SCHEMES

viii) Softboards

Qn: Why do trees in planted forests produce softwood?

- ❖ They mature faster/they take a short time to mature

Qn: Why is tree harvesting easy in planted forests?

- ❖ Trees are well spaced

Qn: Why do trees in planted forests mature at the same time?

- ❖ They are planted at the same time

Importance /values of forests

- ❖ They are sources of timber
- ❖ They promote tourism
- ❖ They help in rain formation
- ❖ They provide wood fuel i.e., firewood charcoal
- ❖ Forests are habitats for wild animas
- ❖ They promote natural beauty in an area
- ❖ They provide herbal medicine

Qn: Mention two forms of wood fuel got from forests

i) Firewood

ii) Charcoal

Dangers of forests

- ❖ They hide dangerous wild animals
- ❖ They act as breeding places for diseases vectors
- ❖ They hide criminals
- ❖ They are hiding places for bandits/criminals
- ❖ They make road construction difficult

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Problems facing forests

- Deforestation
- Fire outbreaks
- Encroachment of forests
- Tree pests and diseases

Qn: What is deforestation?

- This is the cutting down of trees on a largest scale without replacing them

Reasons why people carryout deforestation

- To get timber /wood
- To get firewood/charcoal (wood fuel)
- To get land for farming /settlement
- Due to ignorance

Dangers of deforestation

- It leads to drought
- It leads to global warming
- It leads to soil erosion
- It destroys homes for wild animals
- It leads to animal migration
- It leads to shortage of food for animals

Qn: What is global warming?

- This is the constant rise in the world's temperature

Qn: What is drought?

- A drought is a long period without rain

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Causes of drought

- Swamp drainage
- Deforestation
- Bush burning

Effects of drought

- It leads to famine
- It leads to animal migration
- It leads to death of animals
- Drying up of some waterbodies

Ways of conserving /preserving vegetation

- Carrying out afforestation
- Carrying out re afforestation
- Carryingout agroforestry
- Sensitizing people on the importance of vegetation
- Encouraging people to use other sources of fuel apart from wood fuel e.g. bio gas, electricity

SWAMPS

- A swamp is a waterlogged area with vegetation

Qn: Write another word to mean swamps

- Wetlands/marshes

Importance of swamps

- They control floods
- They filter water
- They are fishing grounds (mud fish)
- They promote tourism
- They help in rain formation

0782207443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ They provide raw materials for craft industry
- ❖ They provide water for home use
- ❖ They provide water for home use
- ❖ They are homes for aquatic animals

Qn: <u>Mention examples of animals that live in swamps</u>

- ❖ Snakes
- ❖ Crocodiles
- ❖ Frogs
- ❖ Fish

<u>Examples of crops which are grown in swamps</u>

- ❖ Yams
- ❖ Sugarcanes
- ❖ Rice

Qn: Why is rice commonly grown in swamps?

- ❖ Swamps have enough water which can enable rice to grow well

<u>Disadvantages of swamps</u>

- ❖ They harbor dangerous wild animals
- ❖ They are breeding places for vectors
- ❖ They make road constructions difficult

<u>Raw material found in swamps</u>

- ❖ Papyrus
- ❖ Clay soils
- ❖ Palm leaves

<u>Problems facing swamps</u>

- ❖ Swamp drainage

0782297445 BOT ASSESSMENT READY , NOTES & SCHEMES

- ❖ Dumping of industrial wastes in swamps
- ❖ Over harvesting of swamps vegetation
- ❖ Burning of swamp vegetation

SWAMP DRAINAGE

Qn: What is swamp drainage?

- ❖ This is the removal of water from swamps for human activities

Reasons for swamp drainage

- ❖ To get land for farming /industrialization/settlement
- ❖ To get raw materials
- ❖ To construct roads
- ❖ To carryout brick making

Effects /dangers of swamp drainage

- ❖ It leads to drought
- ❖ It reduces the amount of rainfall received in an area
- ❖ It leads to floods
- ❖ It leads to destruction of aquatic life

Problems faced by people who settle in swampy areas

- ❖ Floods
- ❖ Attacks from disease vectors like mosquitoes which cause diseases
- ❖ Attacks from dangerous wild animals
- ❖ Coldness

N:B Name the body responsible for protecting swamps in Uganda

- ❖ NEMA (National Environmental Management Authority)

Qn: **what products is got from Papyrus?**

0782974-3 B.O.T ASSESSMENT READY , NOTES & SCHEMES

i) Local carpets

ii) Mats

iii) Baskets

Qn; <u>What do we call the act of making pots out of clay?</u>

- ❖ Pottery

Qn: **What are ceramics?**

- ❖ These are materials made out of clay

Qn; **Give examples of ceramics**

i) Pots

ii) Cups

iii) Plates

Qn**: <u>How does NEMA preserve the environment</u>**

- ❖ Enforcing laws against swamp drainage
- ❖ Carrying out environmental impact assessment
- ❖ Educating people about the importance of swamps

Qn: **Define the following terms**

a) **<u>Swamp reclamation</u>**

- ❖ This is the act of changing a swamp from its natural state to other uses

b) **<u>Swamp degradation</u>**

- ❖ This is the act of lowering the quality of swamps

c) **<u>Drainage</u>**

- ❖ This is the ground water system of an area

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Qn: **Give the importance of flowers in our community**

- ❖ They promote natural beauty
- ❖ They are sold for income
- ❖ Flowers are used to express love
- ❖ Used for decoration

Qn: **Give importance of trees in our school compound**

- ❖ They provide shades
- ❖ They act as wind breaks
- ❖ They provide fruits
- ❖ They promote natural beauty

PEOPLE IN OUR DISTRICT

Stages of development for early man

- ❖ Stone age
- ❖ Iron age

Stone age period

- ❖ This was the time when early man used tools made out of stones

Qn: Why was stone age period called so?

- ❖ Early man used tools made out of stones

Stages of stone age

i) Old stone age

ii) Middle stone age

iii) New stone age

0782257443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

The Old Stone Age period

- Early man had no permanent homes
- He had a hairy body
- Early man ate raw meat
- He used tools made out of stones

Examples of early man's food

- Raw meat
- Honey
- Roots
- Wild fruit
- Insects
- Fish

Examples of early man's tools

- Bolas
- Spear
- Bone needle
- Club
- Hand axe
- Bow and arrow
- Thumbnail scrapper
- Pick
- Cleaver
- Mallet

Materials early man used to make tools

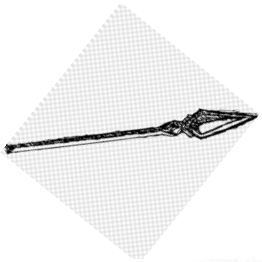

- Bones
- Stones
- Skins
- Sticks

0782229743 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

❖ Banana fibres

Diagram of early man's tools

Spear

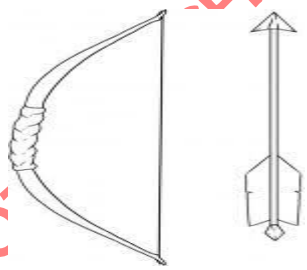

Hand axe

bolas

Bow and arrow

Bone needle

mallet

Thumbnail scrapper

Club

I ASSESSMENT READY , NC HEMES
0702297443

Functions of early ma's tools

i) **Bolas** was for trapping fast running animals

ii) **Spear**was for hunting

iii) **Hand axe**

- ❖ For skinning animals
- ❖ For chopping meat
- ❖ For shaping tools
- ❖ For uprooting

iv) **Bone needle** was for sewing skins

v) **Thumbnail** scrapper was for sharpening tools

vi) **Club** was for hitting animals while hunting

Note: The discovery of fire marked the end of the old stone and the beginning of the middle stone age

Middle stone age

Qn: Which discovery marked the beginning of the middle stone age?

- ❖ The discovery of fire

Qn: How did early man discover fire?

- ❖ By rubbing dry sticks together

Uses of fire to early man

- ❖ For roasting meat
- ❖ For providing light in caves
- ❖ For hardening tools
- ❖ For providing warmth
- ❖ For protection against dangerous wild animals
- ❖ For trapping insects

Ways the discovery of fire changed early man's life

- ❖ Early man started eating roasted meat
- ❖ He was able to get warmth on cold days

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Early man started living in caves.
- ❖ He was able to scare away dangerous wild animals

Qn: Which discovery enabled early man to start living in caves?

- ❖ The discovery of fire

Changes of early man in the middle stone age

- ❖ Manmade better tools
- ❖ Man started living incaves
- ❖ Man started using animals as blankets
- ❖ Man's brain started developing

N: B The discovery of farming marked the end of the middle stone age and the beginning of the new stone age

New stone age

Changes made in the new stone age

- ❖ Man had a well-developed brain
- ❖ Man started to live in simple huts
- ❖ Man started growing crops and rearing animals
- ❖ Man lived in villages and communities
- ❖ Manmade better tools like arrows and bows

Qn: Which discovery marked the end of stone age?

- ❖ The discovery of iron

Qn: Name the first animal to be tamed by man

- ❖ Dog

Tools used by early man to kill animals

- ❖ Spears
- ❖ Traps

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Bolas
- ❖ Bow and arrow

How was a dog useful to early man?

- ❖ It was for hunting
- ❖ It provided company
- ❖ It provided protection

Examples of animals early man kept

- ❖ Dogs
- ❖ Goats
- ❖ Sheep
- ❖ Cows

Places where early man lived

- ❖ In caves
- ❖ Under big trees
- ❖ At river banks

Qn: Why did early man live near lakes and rivers

- ❖ To carryout fishing
- ❖ To trap animals that would come to drink water
- ❖ To get water for drinking

Qn: Why did early man live under big trees and caves?

- ❖ To get shelter

Ways early man obtained food

- ❖ By hunting
- ❖ By gathering wild fruits
- ❖ By fishing
- ❖ Collecting wild honey
- ❖ By uprooting some plants

0782297413 P.O.T ASSESSMENT READY , NOTES & SCHEMES

Qn: Which discovery enabled early man to live a settled life?

- ❖ The discovery of farming

Problem eary man faced

- ❖ Attacks from wild animals
- ❖ Lack of proper shelter
- ❖ Bad /harsh weather
- ❖ Lack of proper food

Qn: Which discovery enabled earlymanto increase food production?

- ❖ The discovery of iron

Ways the discovery of farming changed early man's life

- ❖ He started to live a settled life
- ❖ He started living in communities

Stone age sites

- ❖ These are places where early man lived

Examples of stone age sites

i) Bigobyamugenyi

ii) Nyeri rock paintings

iii) Sango bay

iv) Luzira stone age site

v) paara

vi) Magosi

Qn: Name the oldest stone age sit in Uganda

0782291443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Sango bay stone age site

Qn: <u>Which stone age site is known for rock painting?</u>

- ❖ Nyoro rock paintings

<u>Importance of stone age sites</u>

- ❖ They promote tourism
- ❖ They provide jobs
- ❖ They are for study purpose
- ❖ Source of government revenue

MIGRATION

Qn: **<u>Give meanings of the following</u>**

i) **<u>Migration</u>**

- ❖ This is the movement of people from one place to another for settlement

ii) **<u>Immigration</u>**

- ❖ This is the process of coming into a foreign country for permanent settlement

iii) **<u>Immigrant</u>**

- ❖ This is a person who comes into a foreign country for permanent settlement

iv) **<u>Emigration</u>**

- ❖ This is a process of leaving one country for another for permanent settlement

v) **<u>Emigrant</u>**

0782297143 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ This is a person who leaves a country to another for permanent settlement

Causes of emigration/immigration

- ❖ Shortages of water and pasture
- ❖ Civil wars
- ❖ Internal and external conflicts
- ❖ Search for job opportunities

Reasons why people migrate

- ❖ To look for jobs
- ❖ To run away from wars
- ❖ To look for better health services
- ❖ To look for better education services
- ❖ To look for better accommodation
- ❖ To look for fertile soils for farming
- ❖ To look for places with better security
- ❖ To look for places with good climate

Types /forms of migration

i) Rural urban migration

ii) Urban rural migration

iii) Rural rural migration

iv) Urban urban migration

Qn: **What is rural urban migration?**

- ❖ This is the movement of people from villages to towns for settlement

Qn: **Give reasons why people migrate from villages to towns**

0782297445 B.O.T ASSESMENT READY , NOTES & SCHEMES

- ❖ To look for better jobs
- ❖ To look for better education services
- ❖ To look for better health services
- ❖ To run away from cultural practices
- ❖ To look for market for their goods

Effects of rural urban migration

- ❖ Low food production in villages
- ❖ Land shortage in towns
- ❖ High crime rate in towns
- ❖ Unemployment in towns
- ❖ Over population in towns

How to control rural urban migration

- ❖ Building better schools in villages
- ❖ Building better hospitals in villages
- ❖ Extending electricity in villages (rural electrification)
- ❖ Setting up small scale industries in villages

Qn: What is rural electrification?

- ❖ This is the extending of electricity to rural areas

Problems faced by people in towns

- ❖ Land shortage
- ❖ High cost of living
- ❖ High crime rate
- ❖ Poor sanitation
- ❖ Easy spread of diseases
- ❖ Development of slums

Qn: **What is urban rural migration?**

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ This is the movement of people from towns to villages for settlement

Qn: **Give reasons why people migrate from towns to villages**

- ❖ To look for enough land for farming
- ❖ Due to high cost of living in towns
- ❖ Due to unemployment in towns
- ❖ Due to job transfers

Qn: **What is rural rural migration?**

- ❖ This is the movement of people from one village to another for settlement

Qn: **Give causes of rural rural migration?**

- ❖ Due to internal and external conflicts
- ❖ Search for enough land for farming

Qn: **What is urban urban migration**

- ❖ This is the movement of people from one town to another for settlement

Causes of urban migration

- ❖ Job transfers
- ❖ Search for places with better security

Factors affecting settlement patterns

- ❖ Land
- ❖ Vegetation
- ❖ Climate
- ❖ Human activities
- ❖ Nature of the soils
- ❖ Social services

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Qn: How are rural people important to urban people?

i) They provide food to urban people

ii) They provide labour to urban people

Qn: How are urban people important to rural people?

- ❖ They provide jobs to rural people
- ❖ They provide market for goods

Qn: **What is a slum?**

- ❖ A slum is an area in a town /city with poor housing and drainage system

Qn: **Give any four dangers of slums**

- ❖ Easy spread of diseases
- ❖ Pollution
- ❖ Poor sanitation
- ❖ High crime rates

Problems faced by early migrants

- ❖ Attacks from hostile tribes
- ❖ Attacks from dangerous wild animals
- ❖ Harsh weather conditions
- ❖ Epidermic diseases
- ❖ Poor transport

POPULATION IN OUR DISTRICT

Terms related to population

- ❖ **Population** is the total number of people living in an area at a given time

0782097443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- **Population distribution** is the way people are spread in an area at a given time
- **Population growth** is the gradual increase in number of people in an area.
- **Population density** is the total number of people living in an areas per square kilometers
- **Population structure** is the composition of people in terms of age and sex
- **Dense population is** when an area has more people than the size of land
- **Sparse population** is when an area has fewer than to the size of land
- **Overpopulation** is when the number of people in an area is more than the available resources
- **Underpopulation** is when the number of resources is more than the number of people

Reasons why some areas over populated/densely populated

- They have good education services
- They have good health services
- Availability of jobs
- Good transport network
- Presence of fertile soils
- Availability of electricity
- Presence of large market for goods
- Presence of good climate/ reliable rainfall

Causes of low/sparse population in an area

- Civil wars
- Drought, floods
- Lack of jobs

0782291443 R.O.T ASSESSMENT READY, NOTES & SCHEMES

- ❖ Poor health services
- ❖ Poor education services
- ❖ Poor transport services
- ❖ Poor climate
- ❖ Poor soils

Advantages of high population

- ❖ It creates enough labour
- ❖ It increases taxes
- ❖ It provides high market for goods
- ❖ It promotes maximum use of resources

Disadvantages of high population

- ❖ Easy spread of diseases
- ❖ Land fragmentation
- ❖ Shortage of jobs/unemployment
- ❖ Poor sanitation
- ❖ High crime rates

Advantages of low population

- ❖ Low crime rates
- ❖ Low cost of living
- ❖ It is easy to provide social services
- ❖ Many job opportunities
- ❖ Presence of enough land

Disadvantages of low population

- ❖ Shortage of market for goods
- ❖ Shortage of labour
- ❖ Under use of resources
- ❖ Low tax base

0782297443 DOT I ASSESSMENT READY , NOTES & SCHEMES

Qn: Give reasons why some areas are sparsely populated

- ❖ Due to insecurity
- ❖ Due to poor climate
- ❖ Due to political instabilities
- ❖ Due to poor social services
- ❖ Due to poor soils

Population census

- ❖ This is the general counting of people in an area at a given time
- ❖ In Uganda, it is carried out every after ten years

Qn: Why is population census carried out every after years?

- ❖ It is expensive
- ❖ To allow population changes to take place

Qn: Who are enumerators?

- ❖ These are people trained to carryout population census

Qn: What is a census night?

- ❖ This is a night before population census is carried out.

Information collected by enumerators during census

- ❖ Gender/ sex
- ❖ Age
- ❖ Occupation
- ❖ Religions
- ❖ Education level
- ❖ Marital status
- ❖ Number of children
- ❖ Nationality

0782991443 B.O.T ASSESSMENT READY NOTES & SCHEMES

- ❖ Types of houses
- ❖ Name

Qn: Which ministry carried out population census in Uganda?

- ❖ Ministry of finance, planning and Economic Development

Qn: Name the body that carried out population census in Uganda

- ❖ UBOS –Uganda Bureau of Statistics

Reasons why the government carried out population census

- ❖ To know the number of people and plan for them
- ❖ To know birth rates and death rates
- ❖ To know population structure
- ❖ To know people's standards of living
- ❖ To know number of people in the country
- ❖ To know people employed and unemployed

Qn: What does the term gender mean?

- ❖ This of the state of being male or female

Problems enumerators face while carrying out census

- ❖ Ignorance among people/some people give wrong information
- ❖ Bad weather changes
- ❖ Poor transport
- ❖ Poor pay

0782227443 B.O.T ASSESMENT READY , NOTES & SCHEMES

Social set up of people in our district

QN: **Give the meaning the following terms**

i)**A clan** is an organized group of people under one foreteller/ancestor

ii)**A totem** is a special object, plant or animal that is much respected by a clan

iii)**A lineage** is a small group of people in a clan

iv)**A taboo** is something believed to be evil in one's culture

V)**A family** is a group of people related by blood, marriage or adoption

vi)**Culture** are norms and values of a given society

vii)**Customs** are the accepted behavior in a given society

viii) **Norms** are standards of behaviour in a given society

Symbols of a clan

- Totem
- Clan name
- Drumming

Examples of clans in our district for Baganda

- Ngabi clan
- Mamba clan
- Lugave clan
- Ente clan
- Empologoma clan
- Ngeye clan
- Effumbe clan

Acholi clans

- Payira clan

0782291443 B.O.T ASSESSMENT READY NOTES &SCHEMES

- ❖ Lamogi clan
- ❖ Payi clan
- ❖ Patiko clan ets

Basoga clans

- ❖ Ngabi clan
- ❖ Nkwale clan
- ❖ Balangira clan
- ❖ Baisaigaga clan

Responsibilities of a clan head

- ❖ Organizing clan meetings/ceremonies
- ❖ Settling disputes among clan members
- ❖ Registering clan members
- ❖ Protecting clan property
- ❖ Chairing clan meeting

Types of culture

i) Material culture

ii) Non material culture

Examples of material culture

- ❖ Clothes
- ❖ Food
- ❖ Animals
- ❖ Weapons
- ❖ Crafts

Examples of non-material culture

- ❖ Beliefs
- ❖ Religions

0782297443 B.OT I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Taboo
- ❖ Language
- ❖ Name
- ❖ Moral values

Ways through which people practice culture

- ❖ Through child naming
- ❖ Through circumcisions
- ❖ Through marriage
- ❖ Through burying the dead

Importance of culture

- ❖ It promotes unity
- ❖ It promotes peace
- ❖ It promotes morals
- ❖ It promotes identity

Ways of promoting culture

- ❖ Through organizing cultural galas
- ❖ Teaching local languages
- ❖ Dressing in cultural wears
- ❖ Organizing cultural ceremonies

What are social activities?

- ❖ These are ceremonies that bring people together

Examples of social activities

- ❖ Funeral rites
- ❖ Burial ceremonies
- ❖ Child naming
- ❖ Twin initiation
- ❖ Circumcision

0782297443 B.O.T. ASSESSMENT READY , NOTES & SCHEMES

- ❖ Marriage

Importance of social activities

- ❖ They promote unity /friendship
- ❖ They promote culture
- ❖ They promote peace /harmony
- ❖ They promote tourism
- ❖ They promote morals

Qn: Mention any two tribes which practice male circumcision in Uganda

i) Bagisu

ii) Bakonzo

Qn: **Why do the Bagisu practice male circumcision?**

- ❖ To initiate boys into adulthood
- ❖ To promote culture

Traditional dances in Uganda

Baganda

- ❖ Bakisimba
- ❖ Nankasa
- ❖ Muwogola
- ❖ Amaggunju
- ❖ Mbaga dance

Acholi

- ❖ Bwola
- ❖ Larakaraka
- ❖ Ding ding

0782207545 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Basoga

- ❖ Irongo
- ❖ Nalufuka
- ❖ Tameinaibuga

Batoro

- ❖ Runyege
- ❖ Entogoro

Iteso

- ❖ Akimbo

Bakiga

- ❖ Ekizino dance

Alur

- ❖ Adungu

Bagisu

- ❖ Mwaga dance
- ❖ Imbalu dance

Banyankole

- ❖ Ekitaguruuro
- ❖ Kimandwa

Lugbara

- ❖ Gaze
- ❖ Agwara

Qn: Give three importance of traditional dances

- ❖ They promote culture

0782297442 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ They promote tourism
- ❖ They are for entertainment

FAMILY

- ❖ A family is a group of people related by blood, marriage or adoption
- ❖ A family is the smallest social unit in the community
- ❖ A Father heads a family
- ❖ A homestead is a home with its surroundings

TYPES OF FAMILIES

- ❖ Nuclear family
- ❖ Extended family
- ❖ Foster family

Nuclear family

- ❖ This is a type of family made up of father, mother and their biological children

Members of a nuclear family

- ❖ Father
- ❖ Mother
- ❖ Biological children

Advantages of a nuclear family

- ❖ It is easy to provide education to members
- ❖ It is easy to provide medical care to family members
- ❖ It is easy to provide food to family members
- ❖ It is easy to provide clothes to family members
- ❖ It is easy to provide shelter to family members
- ❖ It is easy to promote discipline in a nuclear family
- ❖ Children enjoy parental love

0782207453 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Disadvantages of a nuclear family

- ❖ Lack of enough labour force
- ❖ Children may not know other family relatives
- ❖ Incase parents die, children may be left alone
- ❖ Limited social security

EXTENDED FAMILY

- ❖ An extended family is a type of family made up of father ,mother, biological children and other relatives

Members of an extended family

- ❖ Grand mother
- ❖ Grand father
- ❖ Uncle
- ❖ Aunt
- ❖ Cousins
- ❖ Niece
- ❖ Nephew

Advantages of an extended family

- ❖ It has enough labour force
- ❖ It has enough social security
- ❖ It is easy for children to know their relatives
- ❖ Children are not left alone in case of death of their parents

Disadvantages of an extended family

- ❖ It is expensive to provide food to family members
- ❖ It is expensive to provide medical care to family members
- ❖ It is expensive to provide education to family members
- ❖ Accommodation is expensive
- ❖ It is expensive to provide clothes to family members

0782297413 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Qn: **What is a foster family?**

- ❖ This is a family with adopted children e.g., orphans

A Family head

Qn: Who is a family head?

- ❖ This is a person who controls a family

Note: In most cases, a father heads a family however, some families are headed by mothers

Duties of a family head

- ❖ Paying school fees
- ❖ Providing shelter
- ❖ Providing security
- ❖ Providing clothes to family members
- ❖ Providing medical care
- ❖ Allocating work to family members
- ❖ Promoting morals among family members
- ❖ Settling disputes in the family

Children at home

- ❖ A Child is someone below eighteen years of age

Duties of a child in a home

- ❖ Respecting parents /elders
- ❖ Sweeping the compound
- ❖ Fetching water and firewood
- ❖ Cooking food
- ❖ Taking care of siblings

Qn: Why is it important for a child to belong to a family?

0782297445 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

LEGENDS

- ❖ Legends are stories of long ago

Examples of legends in Uganda

- ❖ The legend of Kintu and his cow
- ❖ The legend of the spear and the bead
- ❖ The legend of the three sons of Kintu
- ❖ The legend of Mundu and Seera
- ❖ The legend of the first king of the Bachwezi
- ❖ The legend of Isaza and the king of hell

Importance of legends

- ❖ They help us to know the origin of people in our district
- ❖ They help us to know how people of long ago lived
- ❖ They promote morals among children
- ❖ They promote culture

The legend of the legends

Legend of the spear and the bead

- ❖ We learn to forgive others
- ❖ We learn to avoid revenge
- ❖ We learn to use people's property with permission

Activity

1. What was the relationship between Gipiir and Labong?
2. Who was the father of Gipiir and labong?
3. Under which ethnic group did Gipiir and labong belong?
4. Who helped Gipiir to get back labong's spear?

0782207443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

5. Name the animal which ran away with labong's spear/

6. Why did Gipiir and Labong separate?

7. According to you, who is to blame? give a reason for your answer.

THE LEGEND OF KINTU AND NAMBI

Tests that were given to Kintu before taking Nambi

- ❖ Eating 100 basketsful of food
- ❖ To find his cow from Gulu's many cows
- ❖ To split a hard rock using an axe
- ❖ To fetch water using a basket full of holes

Lessons we learn from the legend of Kintu and Nambi

- ❖ Forgetfulness is bad
- ❖ Cruelty brings hatred
- ❖ We learn to follow instructions of our elders
- ❖ Poverty can't stop you from succeeding
- ❖ Determination leads to success

Activity

1. Who was the first **Muganda** on earth?
2. Who was the wife of Kintu?
3. List down the three children of Gulu.
4. Who was the king of Heaven according to the legend of Kintu and Nambi?
5. What does the name Walumbe mean?
6. Where did Walumbe hide?
7. Which tribe commonly tells the legend of Kintu and Nambi

0782297443 B.O.T I ASSESSMENT READY ,NOTES & SCHEMES

8. In which region is the of Kintu and Nambi told?

9. How was Kintu able to pass all the tasks?

THE LEGEND OF THE THREE SONS OF KINTU

Lessons we learn from this legend

- ❖ Children should be obedient to their parents
- ❖ We learn that a name is used for identification

Activity

1. What was the general name of kintu gave to his three sons?
2. Name the three sons of Kintu
3. Give meanings of names of the three sons of **Ruhanga**

THE LEGEND OF MUNDU AND SEERA

Lessons we learn

- ❖ We learn to be brave
- ❖ We learn to be responsible

Activity

1. Name the mountain where Mundu and Seera are believed to have come from
2. What does the word Ingishu mean?
3. Who were the two sons of Mundu and Seera?
4. Name the group of people who had stolen cows from Mamba

THE LEGEND OF ISAZA AND THE KING OF HELL

Activity

0782297443 BOT I ASSESSMENT READY , NOTES & SCHEMES

1. Who was the King of the underground?
2. Who was Isaza's gate keeper?
3. Who was the first king of the Bachwezi?
4. Who was the last king of the Bachwezi?
5. Who was the daughter of King Nyamiyonga?

ETHNIC GROUPS IN OUR DISTRICT

- An ethnic group is a group of people with the same origin and speak related languages
- Another name for an ethnic group is tribal group

Qn: Name the group of people which occupied Uganda before the coming of ethnic groups

- Bushmen

Qn: What was the major occupation of the Bushmen?

- Hunting

Qn: **What is a tribe?**

- This is a group of people with the same origin and speak the same language

Examples of ethnic groups

- Bantu
- Nilotics/ river lake Nilotes/ Luo speakers
- Hamites
- Nilo hamates
- Sudanic

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Bantu ethnic group

- ❖ It is the largest ethnic group in Uganda
- ❖ They came from Cameroon highlands
- ❖ Bantu was the first ethnic a group to enter Uganda
- ❖ They entered Uganda through the western direction
- ❖ The Bantu have a common word "Ntu"in their words which means people
- ❖ Their main economic activity is crop farming/cultivation
- ❖ They entered Uganda and settled in the interlacustrine region

Qn: **What is interlacustrine region**?

- ❖ This is the area between the great lakes of East Africa

Note: Great lakes include:

- ❖ Lake Victoria
- ❖ L. Edward
- ❖ L. George
- ❖ L.Albert

Examples of Bantu tribes and their Languages

Tribe	Language
❖ Baganda	Luganda
❖ Basoga	Lusoga
❖ Banyankore	Runyankole
❖ Bagisu	Lumasaba
❖ Bakiga	Rukiga
❖ Bagwere	Lugwere
❖ Batoro	Rutoro
❖ Bakonjo	Rukonjo

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Qn: **What is a cradle land?**

- ❖ A cradle land is a place of origin

Reasons why the Bantu settled in the interlacustrine region

- ❖ Presence of good climate/reliable rainfall
- ❖ Presence of fertile soils

Causes of Bantu migration

- ❖ They were looking for fertile soils
- ❖ Due to civil wars in their homeland
- ❖ Drought caused famine
- ❖ Due to internal and external conflicts
- ❖ Due to epidemic diseases
- ❖ Due to over population in their cradle land

Effects for the coming of the Bantu

- ❖ They introduced new crops
- ❖ They introduced new languages
- ❖ They displaced the bushmen
- ❖ They increased the population of Uganda
- ❖ Kingdoms and chiefdoms were formed

Qn: Mention Bantu tribes that live on slopes of mountains

i) Bafumbira

ii) Bagisu

iii) Bakonzo

NILOTICS/RIVERS LAKE NILOTES/LUO SPEAKERS

- ❖ They migrated from **Bahr- El – Ghazel** in the current South Sudan

0782207423 L.O.I ASSESSMENT READY , NOTES & SCHEMES

- They speak Luo Languages
- They settled in **Pubungu** in northern Uganda

Qn: What was the major occupation of the Nilotics?

- Nomadic Pastoralism

Qn: Why are the Nilotics called river lake Nilotes>

- They lived along river Nile

Qn: Why did the river lake Nilotes settle near rivers?

- To carryout fishing

Tribes under Nilotics

- Alur
- Jopadhola
- Acholi

NILO HAMITES

- They are divided into plain Nilotes and highland Nilotes
- Their main occupation was nomadic pastoralism
- They entered Uganda through the North Eastern direction

Tribes under Nilo Hamites

Plain Nilotes

- Karimojong/Karamojong
- Iteso
- Kumam
- Jie
- Langi

Highland Nilotes

- Sabiny

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Pokot

Hamites/Cushite

- ❖ They entered Uganda through South western direction
- ❖ It is the smallest ethnic group
- ❖ They were mainly nomadic pastoralists

Reasons for migration of Nilotics

- ❖ To look for water and pasture for their animals
- ❖ Disease outbreaks in their cradle land
- ❖ Over population in their cradle land
- ❖ Internal and externa; conflicts
- ❖ Famine outbreak

Effects for the migration of the Nilotics

- ❖ Luo language was introduced
- ❖ New crops were introduced
- ❖ They introduced pet names
- ❖ They formed Luo Babito dynasty
- ❖ They displaced people in areas where they settled
- ❖ They caused wars in areas where they passed
- ❖ They led to overstocking of animals
- ❖ They Luo invasion led to the decline of Bunyoro Kitara empire

Tribes under hamates

- ❖ Bahima

Sudanic people

- ❖ They migrated from Juba in South Sudan
- ❖ They settled in west Nile
- ❖ They were cattle keepers

0782297413 BOT ASSESSMENT READY , NOTES & SCHEMES

Tribes under Sudanic

- Kakwa
- Madhi
- Lugbara
- Okebu
- Lendu

KINGDOMS

- A kingdom is an area ruled by a king or Queen
- Most Kingdoms in Uganda were formed by the Bantu

Examples of Kingdoms

Kingdom		title of the ruler
Buganda	-	Kabaka
Busoga	-	Kyabazinga
Bunyoro	-	Omukama
Toro	-	Omukama
Rwenzururu	-	Omusinga

Chiefdoms and their leaders

A chiefdom Is an area ruled by a chief

Chiefdoms		Title of the leader
Acholi	-	Rwot
Iteso		-Emorimor
Alur	-	Rwoth
Jopadhola	-	Adhola
Bagisu	-	Umukuka

Advantages of Kingdoms

- They promote culture

0782207743 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ They promote unity
- ❖ They promote morals
- ❖ They provide jobs to people/employment
- ❖ They promote development
- ❖ They provide scholarship to students

Disadvantages of Kingdoms

- ❖ They promote tribalism
- ❖ They promote dictatorship
- ❖ There is unequal distribution of wealth among people
- ❖ They promote regional development rather than national development

Qn: **Mention the current cultural leaders of the following**

i) **Baganda** – Kabaka Ronald Muwenda Mutebi II

ii) **Basoga**- WilberforceNadiope IV

iii) **Banyoro** -Solomon Gafabusa Iguru

iv) **Batooro**-Oyo Nyimba Kabamba Iguru

v) **Bakonzo** – Charles Wesley Mumbere

vi) **Jopadhola** -Owori Stephen

vii) **Acholi** – David OnenAchana

viii) **Iteso -**Augustine OsubanLemkol

TERM THREE

ADMINISTRATION IN OUR DISTRICT

Leaders in our district

- **Leadership** is the act of managing and controlling others
- **A leader** is someone given power/authority to guide and mange others

Importance of leaders

- They maintain law and order
- They settle conflicts among people
- They plan for development in a society
- They implement government programmes
- They provide guidance and counseling to people

Types of leaders

a) Political leaders

b) Religious leaders

c) Civic leaders

d) Cultural /traditional leaders

e) Voluntary leaders

Political leaders

- These are leaders who are elected by people

Examples of political leaders

- President
- Members of parliaments

0782997443 P.O.T I ASSESSMENT READY , NOTES & SCHEMES

- Major
- ChairpersonL.C1
- Chairperson LCII
- Chairperson LCIII
- Chairperson LCV
- RDC/ RCC

CIVIC LEADERS

- These are people who become leaders through appointment

Examples of civic leaders

- District Education Officer (DEO)
- Chief Administrative Officer (C.A.O)
- District Health Offices (D.H.O)
- District Police Commander (DPC)

RELIGIOUS LEADERS

- These are people who lead others in different religions
- They become leaders through ordination

Examples of religious leaders

- Priests
- Mufti
- Bishop
- Imam
- District Khadi
- Arch bishop
- Pastors

VOLUNTARY LEADERS

- These are leaders who provide free services to people
- They become leaders through volunteering

0782207443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Examples of voluntary leaders

- ❖ Scouts
- ❖ Girl guides
- ❖ Prefects

CULTURAL LEADERS

- ❖ These are people who become leaders through inheritance

Examples of cultural leaders

- ❖ Kings
- ❖ Chiefs
- ❖ Clan heads

Ways people become leaders

i) Through election/voting

ii) Through appointment

iii) Through volunteering

iv) Through inheritance/ succession

Problems leaders in our community face

- ❖ Shortage of funds
- ❖ Ignorance among people
- ❖ Corruption
- ❖ Interference from the central government

DECENTRALISATION

- ❖ This is the transfer of some powers from the central government to the local government

0782227443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Services that were decentralized

- ❖ Primary Education
- ❖ Health service
- ❖ Transport service

Advantages of decentralization

- ❖ It brings services near to people
- ❖ It creates more jobs
- ❖ It promotes development
- ❖ It makes administration easy

Level of leadership

Level		head
i)	Village	Chairperson LCI
ii)	Parish	Chairperson LC11
iii)	Sub county	Chairperson LCIII
iv)	Town council	Mayor
v)	Municipality	Mayor
vi)	Constituencies	Members of parliament
vii)	District	Chairperson LCV
viii)	Country	President

Qn: **Give the meaning of the following terms**

a) **A family** is a group of people related by blood, marriage or adoption

b) **A village** is a group of homes

c) **A parish** is a group of villages in the same area

0783297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

d) **A subcounty** is a group of parishes in the same area

e) **A county** is a group of sub countries in the same area

f) **A district** is an administrative area at the level of LC. V

Local council system

There four levels of local councils namely:

- ❖ Local council I(LC1)
- ❖ Local council II (LC11)
- ❖ Local council III (LCIII)
- ❖ Local council V(LCV)

Local council one (LC.1)

- ❖ This is the lowest unit of local government
- ❖ It has eleven (II) members on its executive committee

MEMBERS OF THE LOCAL COUNCIL 1 EXECUTIVE COMMITTEE

Member	Duties
Chairperson	❖ Heads alocal council committee ❖ Signs official documents ❖ Settles disputes ❖ Chairs the committee and council meetings
Vice chair person	❖ Assists the chairperson in all his duties. ❖ He is in charge of children's affairs
General Secretary	❖ Records minutes of council meetings ❖ Calls LC meetings ❖ Keeps records and council documents
Secretary for finance	❖ He is the treasurer of the council
Secretary for defense	❖ Maintains peace and security in an area

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Secretary for information, Education and mobilisation	❖ He passes on all information required by the people
Secretary for youth	❖ Mobilises the youth to participate in developmental activities
Secretary for women and public affairs	❖ She is in charge of women's affairs
Secretary for the disabled	❖ Promotes the affairs of the disabled
Secretary for production and environmental protection	❖ Promotes economic production ❖ Encourages the protection of environment in the area
Secretary for the elderly	❖ He or she is in charge of affairs of the elderly people

Qn: Under which ministry do local council operates?

❖ Ministry of Local government

Qn: Name the largest local council unit in Uganda

❖ Local council five (LCV)

Qn: Who is the political head of a sub county?

❖ LCIII Chairperson

Importance of local council

❖ They solve conflicts among people
❖ They maintain law and order

0782197413 B.O.T I ASSESSMENT READY NOTES & SCHEMES

- ❖ They promote sanitation
- ❖ They mobilise people for development
- ❖ They make by laws

Qn: **What are by laws?**

- ❖ These are laws made by local council

Importance of by laws

- ❖ They promote security
- ❖ They promote peace
- ❖ They promote morals
- ❖ They limit crimes
- ❖ They promote rule of law

Ways local councils promote law and order

- ❖ They solve simple civil cases
- ❖ They punish criminals
- ❖ They arrest law breakers/ suspects

Problems faced by local councils

- ❖ Shortage of funds
- ❖ Ignorance among people
- ❖ Corruption

District leadership (local council V)

- ❖ The political head of a district is chairperson LC. V

Members that make up LCV Committee

- ❖ Chairperson
- ❖ District speaker
- ❖ Two youth councilors
- ❖ Sub country councilors

0782207443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

❖ Two councilors for people with disabilities

District leaders and their duties

Leader	Duties
Chairperson	Monitors development in the district supervises other officials in the districts Heads the district
District speaker	Chairs district council meetings Calls for district council meetings
Resident District Commissioner (RDC)	To represent the president in the district Heads security in the district Supervises programmes of central government in the district Advises the LC. V Chairperson on national matters
Chief administrative Officer (C.A.O)	Heads civil servants in the district Officiates civil marriage Ensures payment of all district civilservants
District Education Officer (DEO)	Supervises primary schools in the district Improves education standards in the district Heads all education departments in the district
District Veterinary Officer (D.V.O)	Supervises veterinary doctors in the district Advises farmers on how to look after their animals

0782297443 B.O.T I ASSESSMENT READY NOTES & SCHEMES

	Teaches people on how to improve quality of their animals
District Police Commander (D.P.C)	Heads police force in the district He gives guidelines where public rallies to take place He ensures law and order in the district

District Internal Security Officer(DISO)	He advises security organs in the district He collects information on security
District planner	Plans for developments in the district
Resident City Commissioner (RCC)	Represents the president in the city He /she is in charge of security in the city

0782297443 B.O.T ASSESSMENT READY NOTES & SCHEMES

Activity

1. How does one become an RDC?

- ❖ Through appointment

2. Who appoints the R.D.C?

- ❖ The president

3. Who is the chief counting officer of the District?

- ❖ Chief Administrative Officer

4. Write the following in full

i) **ISO** Internal Security Organisation

ii) **ESO** External Security Organisation

5. Who represents the central governance in the district?

- ❖ RDC - Resident District Commissioner

6. Who is a civil servant?

- ❖ This is a person who works for the government
- ❖ This is a government worker

7. Name the highest civil servant in the district

- ❖ Chief Administrative Officer(CAO)

8. Which body recruits' civil servants in the district

- ❖ District service Commission

Examples of leaders in a school

- ❖ Prefects
- ❖ Headteacher
- ❖ Deputy headteacher
- ❖ Senior woman teacher

Importance of prefects in a school

0782229443 B.O.T ASSESSMENT READY NOTES & SCHEMES

- ❖ They help to promote order in a school
- ❖ They help to guide other leaners
- ❖ They help to maintain sanitation

Qn: How is democracy practiced in Schools?

- ❖ Through electing prefects
- ❖ Through freedom of worship
- ❖ Through freedom of association

Importance of school rules and regulations

- ❖ They promote morals
- ❖ They promote peace
- ❖ They promote smooth running of school programmes
- ❖ They promote order

Qn: **State the roles of the following in a school;**

i) Bursar

ii) Headteacher

iii) Deputy headteacher

iv) Gate keeper

v) Cooks

VOLUNTARY ORGANISATIONS

- ❖ A voluntary organization is a group of people which provides free services to people
- ❖ A voluntary organization can also be called non-governmental Organisation (N.G.O)
- ❖ **A volunteer** is person who offers free services to people willingly

0782274423 B.O.T I ASSESSMENT READY NOTES & SCHEMES

- A voluntary service is work done by people willingly without being paid

Example of voluntary organizations

- Uganda Red Cross Society
- World vision
- Compassion International
- The Aids support Organisation (TASO)
- Uganda Women's Effort to save Orphans (UWESO)
- Carry American Relief Everywhere (CARE)
- Adventist Development Relief Agency (ADRA)
- Islamic Relief Agency (I.R.A)
- Save the children fund

Roles of UWESO

- It cares for orphans and widows
- It pays schools for orphans
- It provides medical care for orphans

Roles of TASO

- It provides medicine to AIDS patients
- It provides guidance and counseling to AIDS patients

Roles of Red cross

- It provides food to the needy
- It provides clothes to the needy
- It provides shelter to the needy
- It provides medical care
- It relocates people to safe places

Grouped of people helped by voluntary organizations

- AIDS patients/victims

0782297443 B.OT ASSESSMENT READY , NOTES & SCHEMES

- War victims
- Orphans
- Widows
- People hit by natural disasters
- Refugees

Items provided by voluntary organizations

- Food
- Clean water
- Tents/houses
- Medicine
- Clothes
- Scholastic materials

Problems faced by voluntary organization

- Shortage of funds
- Political interference
- Embezzlement of funds
- Corruption

Qn: Which ministry is in charge of voluntary organization?

- Ministry of internal Affairs

Qualities of a good leaders

- A good leader should be approachable
- A good leader should be hard working
- A good leader should be confident
- A good leader should be exemplary
- A good leader should be God fearing
- A good leader should be trustworthy
- A good leader should be faithful

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

ELECTIONS

Qn: **Define the terms below as related to elections**

An election

This is a democratic way of choosing leaders

A ballot paper

This is a piece of paper on which a voter marks a candidate of his/ her choice

Ballot box

This is a special box where voters cast their votes

Presiding officer

This is a person who heads all election activities at a polling station.

Candidate

This is someone standing for a post

Polling agent

This is a person who represents a candidate on a polling station

Voter' register

this is a list of voters registered by the electoral commission

Returning officer

this is someone in charge of elections in the district

Polling assistant

This is a person who helps the presiding officer at a polling station

Police constable

0782229445 B.O.T ASSESSMENT READY ,NOTES & SCHEMES

This is a police officers in charge of security at a polling station

System of elections

- ❖ Secret ballot elections
- ❖ Open elections

Importance of elections

- ❖ They promote peaceful change of leaders
- ❖ They promote unity
- ❖ They promote democracy
- ❖ They promote peace

Qn: Name the body responsible for organizing elections in Uganda

- ❖ Electoral Commission (EC)

Qn: What title is given to the head of EC?

- ❖ Chairperson Electoral Commission

Duties of Electoral Commission

- ❖ It registers voters
- ❖ It conducts voter education /civil education
- ❖ It registers candidates
- ❖ It announces election results
- ❖ It provides election materials
- ❖ It demarcates polling stations
- ❖ It sets dates for elections

Qn: What is the minimum age at which one can participate in elections in Uganda?

- ❖ 18 years

Qn: Why are children not allowed to vote in national elections?

0782297143 B.O.T ASSESSMENT READY ,NOTES & SCHEMES

- ❖ They are considered young according to the law /constitution
- ❖ They cannot make their own decisions

Examples of elections materials

- ❖ Ballot paper
- ❖ Ballot Box
- ❖ Ink
- ❖ Pen
- ❖ Inkpad

HOW TO MEET PEOPLE'S NEEDS IN OUR DISTRICT

Social services

- ❖ Social services are benefits provided by the government to people to live a better life

Examples of social services

- ❖ Education service
- ❖ Health service
- ❖ Transport service
- ❖ Banking service
- ❖ Security service
- ❖ Communication

Social service centers

- ❖ These are places where social services are provided

Examples of social service centers

- ❖ Schools
- ❖ Hospital
- ❖ Banks

0782297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Airports/Airfield
- ❖ Police station
- ❖ Army barracks
- ❖ Taxi parks

Social service provides

- ❖ These are people who provide social services

Examples of social service providers

- ❖ Doctors
- ❖ Teachers
- ❖ Policeman /policewomen
- ❖ Pilots
- ❖ Soldiers
- ❖ Drivers
- ❖ Mid wives
- ❖ Nurses
- ❖ Ship captains
- ❖ Bankers

Qn: **State the duties of the following people**

Social service providers	Duty
Doctor	Treats people
Dentist	Treats teeth
Oculist	Treats eye
Optician	checks and examines eyes
Surgeon	Operates patients
Midwives	Help pregnant women to give birth
Nurses	Take care of patients

0782297443 B.OT ASSESSMENT READY , NOTES & SCHEMES

	Give first aid
Police officers	They provide security
Drivers/pilots	They transport people and goods
Teachers	provide education services
Bankers	they provide banking services

EDUCATION SERVICE

- ❖ Education is the process of acquiring knowledge and skills

Types of education

i) Formal education

ii) Informal education

Formal education

- ❖ This is the type of education we get from schools
- ❖ It involves reading, writing and Arithmetic (3yrs)
- ❖ It was introduced in Uganda by Missionaries
- ❖ It involves writing exams and awarding certificates

Grouped of people who provide formal education

- ❖ Teachers
- ❖ Lecturers
- ❖ Professors
- ❖ Tutors

Places where formal education is provided

- ❖ Schools
- ❖ Colleges
- ❖ Universities

Levels of formal education

- ❖ Nursery /preprimary school/ kindergarten
- ❖ Primary level (P.1 – P.7)

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Secondary level (S.1 - S.4) Advanced (S.5 – S.6)
- ❖ Tertiary institution / technical college
- ❖ University level

Qn: **Give examples of universities you know in Uganda**

- ✓ **Kyambogo university**
- ✓ **Bugema university**
- ✓ **Busitema university**
- ✓ **Mbarara university**
- ✓ **Gulu university**
- ✓ **Kabale university**
- ✓ **Muni university**
- ✓ **Lira university**
- ✓ **Soroti university**
- ✓ **Makerere university**
- ✓ **Mountains of moon university**
- ✓ **Uganda Christian university**
- ✓ **Kampala international university**
- ✓ **Ndejje university**
- ✓ **Islamic university in Uganda**
- ✓ **Nkumba university**
- ✓ **Uganda martyrs university etc.**

Importance of formal education

- ❖ It enables people to learn to read and write
- ❖ It enables people to get jobs
- ❖ It promotes discipline(morals)
- ❖ It promotes development
- ❖ It promotes friendship because it brings people together

Types of schools in Uganda

i) **Government aided schools**

- ❖ These are schools founded and funded by the government
- ❖ The government supports those schools through providing money, text books, furniture, paying teachers e.tc

0782207143 P.O.T ASSESSMENT READY , NOTES & SCHEMES

ii) **Private schools**

- ❖ These are schools owned and funded by individuals.

Qn; **Write the following in full**

i) **UNEB** – Uganda National Examination Boards

ii) **PLE** – Primary Leaving Examination

Qn: Which body sets national examinations in Uganda?

- ❖ UNEB

Informal education

- ❖ This is the type of education which is mainly got from homes
- ❖ It is provided by parents, relatives and elders
- ❖ It mainly focuses on practical skills and moral development
- ❖ Informal education is/was given according to sex

Skills taught under informal education

Boys	Girls
Hunting	How to take care of a husband babies
Grazing animals	Preparing meals (cooking, peeling)
Building	How to cultivate food n
Fishing	Making mats
Backcloth making	How to wash utensils and clothes
Digging	
How to handle a wife	
taking care of the family	

Importance of informal education

- ❖ It promotes morals
- ❖ It promotes unity between children and their relatives
- ❖ It promotes peace(harmony)
- ❖ Children are taught practical skill

0762297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ It promotes culture

Advantages of informal education

- ❖ It doesn't involve paying school fees
- ❖ It promotes morals
- ❖ Materials to use are got from the environment
- ❖ It promotes culture

Difference between formal and informal education

Formal education	informal education
it is got from schools	it is got from home
Itis provided by trained teachers	it is provided by parents and relatives
Involves reading and writing	It involves development of practical skills
School fees is paid	No school fees is paid
It has a syllabus to follow	Does not have a syllabus to follow
It involves a ward of certificates	It does not involve award of certificates

Government programmes that provide free education in Uganda

i) Universal Primary Education (UPE)

ii) Universal secondary Education (USE)

Qn: Which programme was introduced in Karamoja sub region to provide free education?

- ❖ ABER (Alternative Basic Education for Karamoja)

Reasons why UPE was introduced in Uganda

- ❖ To fight against illiteracy (major)
- ❖ To fight against poverty
- ❖ To provide girl child education
- ❖ To create employment opportunities

Problems faced by UPE schools in Uganda

0782297445 P.O.T ASSESSMENT READY NOTES & SCHEMES

- ❖ Shortage of funds
- ❖ Shortage of classrooms
- ❖ Shortage of scholastics materials
- ❖ Under staffing/ few teachers
- ❖ Low salaries for UPE teachers
- ❖ Corruption
- ❖ Delay of government funds

Solution to problems facing UPE schools

- ❖ By providing enough teachers to UPE schools
- ❖ Constructing more /enough classrooms
- ❖ The government should provide enough funds to school
- ❖ Increasing salaries for UPE teachers
- ❖ Enforcing laws against corrupt officials

Problems faced by children on their ways to and from school

- ❖ The schools provide education to the community
- ❖ It provides jobs to the community
- ❖ It provides market to the community

Importance of a community to a school

- ❖ It provided food to the school
- ❖ It provides labour to a school
- ❖ It provides pupils to a school
- ❖ It provides firewood to a school
- ❖ It provides furniture to a school

Facilities shared by the school end the community

- ❖ Field
- ❖ Water sources
- ❖ Furniture

Qn: Name the ministry under which schools operate

- ❖ Ministry of Education and Sports (MOES)

0782207413 BOT ASSESMENT READY , NOTES & SCHEMES

Qn: Who is the current minister for education and sports in Uganda?

SECURITY SERVICE

i) Security is the state of being free from danger

ii) Insecurity is a state of being subject to danger

Groups of people who provide security

- The police
- The Army (Uganda People's Defence Forces)
- Uganda Prisons
- Local DefenceUnit (LDU)
- Private security Organisation

Importance of security

- It promotes peace and stability
- It promotes safety of property
- It promotes trade
- It promotes tourism
- It attracts rich investors

Causes of insecurity

- Unemployment
- Poverty
- High population
- Corruption
- Wars
- Moral / decay/disrespect

THE POLICE

Qn: What is the main duty of the police?

- To keep law and order

Qn: which title is given to the head of police in Uganda?

- IGP – Inspector General of Police

0782297443 B.O.T.I ASSESSMENT READY , NOTES & SCHEMES

Qn: Under which ministry do we find the following?

i) **Police force** - Ministry of Internal Affairs

ii) **The army**- Ministry of defence and veteran affairs

Qn: State the major duty of the army

- ❖ To protect people and their property
- ❖ To protect the country for its enemies

Ways the police do its work

- ❖ By arresting suspects
- ❖ Through investigating crimes
- ❖ By arresting law breakers
- ❖ By guarding VIPS
- ❖ Guarding important places
- ❖ Setting off big fire
- ❖ Provide security large public gathering
- ❖ Controlling traffic flow
- ❖ Stopping riots

Problems police faces while doing its work

- ❖ Shortage of funds
- ❖ Mob justice by people
- ❖ Corruption among police officers
- ❖ Political interference
- ❖ Some people fear to be witnesses in courts law
- ❖ Poor transport network
- ❖ Poor housing facilities
- ❖ Ignorance among people
- ❖ Poor pay
- ❖ Shortage of equipment
- ❖ Unexpected attacks from the community

0782297443 BOT ASSESSMENT READY , NOTES & SCHEMES

POLICE POST STATION

- This is where people report wrong doers.

Activities done at a police post

- Reporting wrong doers
- Settling disputes
- Investigating crimes
- Issuing arrest warrants

Departments of Uganda Police

- Directorate of Interpol
- Directorate of police health services
- Directorate of traffic and road safety
- Directorate of police fire prevention and rescue services
- Directorate of special duties
- Directorate of forensic services
- Directorate of operations
- Directorate counter terrorism
- Directorate of criminal investigation and crime intelligence
- Directorate of information and communication technology (ICT)

Qn: Where are the headquarters of Uganda police found?

- Naguru in Kampala

UGANDA PRISONS

The prisons are under ministry of internal affairs

Qn: What title is given to the head of prisons in Uganda?

- Commissioner General of Prisons

Duties of prisons

0782207443 B.O.T ASSESMENT READY , NOTES & SCHEMES

- ❖ They keep prisoners
- ❖ They escort prisoners to courts of law
- ❖ They help to transform criminals into responsible citizens
- ❖ They teach prisoners practical skills

Qn: <u>How do prisons help to transform criminals into responsible people?</u>

- ❖ They teach them practical skills

Qn: **<u>Give importance of courts of law in our community</u>**

- ❖ They settle disputes
- ❖ They sentence criminals
- ❖ They judge cases
- ❖ They interpret laws

<u>Places where we get security services</u>

- ❖ Police station
- ❖ Barracks

<u>Why are criminals sentenced to prison/given fine?</u>

- ❖ To promote justice
- ❖ To enable them to reform
- ❖ To prevent mob justice

<u>HEALTH SERVICES</u>

- ❖ This is the social service through which people get medical care

<u>Places where people get health services</u>

- ❖ Hospitals
- ❖ Dispensaries
- ❖ Clinics

0782207443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Drug shops
- ❖ Pharmacies
- ❖ Health centres

Qn: Which is the largest referral hospital in Uganda?

- ❖ Mulago hospital

Groups of people who provide health services

- ❖ Nurses
- ❖ Midwives
- ❖ Oculists
- ❖ Opticians
- ❖ Dentists
- ❖ Gynecologists

Services provided in health centres

- ❖ Dental service
- ❖ Guidance and counseling
- ❖ X-Ray services
- ❖ Medical checkup
- ❖ Antenatal and postnatal service
- ❖ Immunisation

Qn: Name the ministry under which hospital operate

- ❖ Ministry of Health

Examples of major hospitals in Uganda

- ❖ Mulago hospital (Largest hospitals in Uganda
- ❖ Mengo hospital (First hospital in Uganda)
- ❖ Nsambya Hospital
- ❖ Kisubi Hospital

0782297143 B.O.T ASSESSMENT READY , NOTES & SCHEMES

Advantages of having good health services

- ❖ It lowers death rates
- ❖ It helps to reduce on spread of infectious diseases
- ❖ They promote good health

TRANSPORT SERVICE

- ❖ Transport is the movement of people or goods from one place to another.

Types of transport

- ❖ Road transport
- ❖ Water transport
- ❖ Air transport
- ❖ Railway transport
- ❖ Pipeline transport

Importance of transport

- ❖ It promotes trade
- ❖ It promotes tourism
- ❖ It promotes industrialisation
- ❖ It links rural areas to urban areas
- ❖ It makes the movement of goods and service easy

Road users

- ❖ **Pedestrians** are people who walk along the road
- ❖ **Cyclists** are people who ride bicycles and motorcycle on the road
- ❖ **Motorists** are people who drive along the roads

Factors to consider while choosing a type of transport

- ❖ Distance to be covered

078 297443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Cost of transport
- ❖ Weather
- ❖ Nature of goods

Traditional means of transport

- ❖ Camels
- ❖ Donkeys
- ❖ Canoes
- ❖ Dhows
- ❖ Horses
- ❖ Rafts
- ❖ Carts

Road transport

- ❖ It is the commonest type of transport used in Uganda/Our district

Means of road transport

- ❖ Cars
- ❖ Buses
- ❖ Lorries
- ❖ Bicycles
- ❖ Motorcycles

Road users

- ❖ Pedestrians
- ❖ Motorists
- ❖ Cyclists

Qn: Draw those means of road transport

i) Tarmac roads (Roads made up of tar and small stones)

0782297413 D.O.T I ASSESSMENT READY , NOTES & SCHEMES

ii) Murram roads (Roads made up of soil and grave)

Advantages of tarmac roads

- ❖ Tarmac roads are durable
- ❖ Tarmac roads don't have a lot of potholes
- ❖ Tarmac roads are not dusty
- ❖ Tarmac roads are not slippery during rainy weathers

Disadvantages of murram roads

- ❖ They are slippery
- ❖ They are dusty
- ❖ They have potholes
- ❖ They are not durable

Qn: Why are murram roads common in Uganda?

- ❖ They are cheap to construct and maintain

Qn: Why are murram roads impossible during?

i) **Rainy season** – They are slippery

- They are muddy

ii) **Dry season** - They are dusty

Causes of potholes

- ❖ Heavy rainfall
- ❖ Heavy trucks

Feeder roads

- ❖ These are minor roads that connect to major roads

Importance of feeder roads

- ❖ They help farmers to transport their produce to market centres

0782227443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ They help people to access services easily

Advantages of road transport

- ❖ It is common
- ❖ It is cheap
- ❖ It is flexible/provide door to door services

Disadvantages of road transport

- ❖ It is affected by bad weather
- ❖ Accidents are common
- ❖ It is affected by traffic jam
- ❖ It needs regular maintenance

Qn: Name the body responsible for construction of roads and bridges in Uganda

- ❖ UNRA – Uganda National Roads Authority

Qn: Which Ministry is responsible for constructing major roads

- ❖ Ministry of works and Transport

Causes of road accidents

- ❖ Over loading vehicles
- ❖ Speeding of vehicles
- ❖ Failure to follow road signs
- ❖ Driving vehicles under dangerous mechanical conditions
- ❖ Driving while drunk /driving under the influence of alcohol
- ❖ Talking on Phone while driving

Ways of controlling road accidents

- ❖ Teaching people road safety rules
- ❖ People should avoid over loading vehicles
- ❖ Enforcing strict traffic laws

0782207743 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ People should follow road signs
- ❖ People should avoid speeding vehicles

Road safety education

- ❖ This is teaching people proper use of roads to control accidents

Areas emphasized in road safety education

- ❖ Practicing safe ways of crossing the road
- ❖ Don't drink and drive
- ❖ Avoid overloading
- ❖ Don't drive vehicles under dangerous mechanical conditions
- ❖ Do not over take in dangerous spots
- ❖ Following traffic rules and regulations

ROAD SIGNS

- ❖ These are instructions put along the road to guide road users

Importance of road signs

- ❖ They help to control accidents
- ❖ They help to guide road users

Examples of road signs

Traffic lights

Men at work

Safety ways when one is using road transport

- Wearing seat belts

Water transport

- This is the movement of people or goods using water means
- It is the cheapest and slowest type of transport
- It is suitable for carrying bulky and fragile goods

Means of water transport

- Boats
- Ships
- Canoes
- Rafts
- Ferries
- Steamers

Qn: Draw those means of water transport

Qn: What are bulky goods?

- These are heavy goods

Examples of bulky goods

- Cement

0782227443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

- ❖ Minerals
- ❖ Iron bars
- ❖ Timbers
- ❖ Vehicles
- ❖ Iron sheets

Qn: **What are fragile goods?**

- ❖ These are goods which can get broken easily

Examples of fragile goods

- ❖ Glasses
- ❖ Flasks
- ❖ Eggs

Qn: Why is water transport suitable for fragile goods?

- ❖ It is smooth

Advantages of water transport

- ❖ It is cheap
- ❖ It carries bulky goods
- ❖ It is not affected by traffic jam

Disadvantages of water transport

- ❖ It is slow
- ❖ It is not flexible /does not provide door to door services
- ❖ It is affected by piracy (theft on water)
- ❖ It is affected by bad weather

Causes of water accidents

- ❖ Strong waves and winds
- ❖ Over loading of boats
- ❖ Boats in bad conditions

0782207143 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ Dangerous water animals
- ❖ Water hyacinth

Qn: **Give reasons why some rivers are not used for water transport**

- ❖ They have waterfalls
- ❖ They have floating vegetation
- ❖ Presence of fast running waters
- ❖ Presence of water sudds

Qn: Give one safe way of moving on water

- ❖ By wearing life jackets

AIR TRASPORT

- ❖ This is the movement of people or goods using air transport means
- ❖ It is the quickest /fastest type of transport
- ❖ It is the most expensive type of transport

Means of air transport

- ❖ Helicopters
- ❖ Aeroplane
- ❖ Jets
- ❖ Parachutes
- ❖ Air balloons
- ❖ Rockets

Qn: Draw those means of air transports

Places where means of air transport are found

- ❖ Airport
- ❖ Airfield
- ❖ Air strip

0782297145 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Qn: What is an airport?

- ❖ This is a place where Aeroplanes land and take off

Qn: Name Uganda's major airport

- ❖ Entebbe international Airport

Examples of airfields

- ❖ Kimaka Airfields
- ❖ Kajjansi Airfield
- ❖ Tororo Airfield
- ❖ Kasese Airfield
- ❖ Arua airfield

Qn: Give one example of an airfield in Uganda

- ❖ Kololo airstrip

Types of planes

- ❖ Passenger planes
- ❖ Cargo planes

Advantages of air transport

- ❖ It is very quick
- ❖ It is very comfortable
- ❖ It is not affected by traffic jam
- ❖ It has a fixed timetable
- ❖ It is good for transporting perishable goods

Disadvantages of air transport

- ❖ It is expensive
- ❖ It is affected by bad weather
- ❖ It is not common

0782291443 B.O.T ASSESSMENT READY , NOTES & SCHEMES

- ❖ It can lead to total death in case of an accident

Qn: Why is air transport not commonly used in Uganda?

- ❖ It is expensive

Qn: What are perishable goods?

- ❖ These are goods that can easily go bad

Examples of perishable goods

- ❖ Fish
- ❖ Flowers
- ❖ Vegetables
- ❖ Milk
- ❖ Tomatoes

Qn: Name the body responsible for air transport in Uganda

- ❖ CAA – Civil Aviation Authority

Causes of air transport

- ❖ Bad weather
- ❖ Pilot error
- ❖ Aeroplanes in bad mechanical conditions

RAILWAY TRANSPORT

- ❖ This is the movement of people or goods by use of trains

Note: Trains are the only means of railway transport

Qn: Draw a train

Types of train

i) Passenger trains

II) Cargo trains

0782297443 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Advantages of railway transport

- ❖ It is cheap
- ❖ It is timetabled
- ❖ It carries bulky goods
- ❖ It is not affected by traffic jam
- ❖ It is less affected by bad weather conditions

Disadvantage of railway transport

- ❖ It is not flexible
- ❖ It is slow/does not provide door to door services
- ❖ It is not common
- ❖ Railway lines are expensive to construct

Animals that can be used for transport (pack animals)

- ❖ Donkeys
- ❖ Camels
- ❖ Horses
- ❖ Oxen

COMMUNICATION SERVICES

- ❖ Communication is the sending and receiving of messages

Types of communication

i) Verbal communication

ii) Nonverbal communication

iii) Written communication

Means of communication

- ❖ These are items used to send and receive messages

0782207443 E.O.T I ASSESSMENT READY , NOTES & SCHEMES

Types of means of communication

- Traditional means of communication
- Modern means of communication

Traditional means of communication

- These are means of communication that were used long ago before introduction of modern ones

Examples of traditional means of communication

- Drum
- Smoke
- Horns
- Whistles
- Bells
- Rock pictures
- Messengers

Traditional ways of communication

- Blowing horns
- Whistling
- Drumming
- Blowing trumpets
- Ringing bells
- Clapping

Advantages of traditional means of communication

- They are cheap
- They are easy to use
- They readily available
- They cater for both literates and illiterates

0782207413 B.O.T I ASSESSMENT READY , NOTES & SCHEMES

Disadvantages of traditional means of communication

- ❖ They cover a small area
- ❖ They don't give feed back
- ❖ They are tiring
- ❖ They need a lot of interpretation

Modern means of communication

- ❖ These are means of communication that were introduced by foreigners

Examples of modern means of communication

- ❖ Radios
- ❖ Newspapers
- ❖ Telephones
- ❖ Magazines
- ❖ Televisions
- ❖ Internet
- ❖ Billboards

Qn: Give the commonest means of communication

- ❖ Radios

Qn: Identify the quickest means of communication

- ❖ Telephones

Advantages of modern means of communication
