4. Teaching and Learning Activities

Steps	Teacher's Activity	Learner's Activity
1. Introduction	Greet learners, revise previous lesson, introduce sub-topic.	Respond to greetings and recall previous vocabulary.
2. Presentation	Present new structures (should, mustn't, unless) and model pronunciation.	Listen, repeat and practice sentence structures.
3. Practice Activity	Guide pair work and role play activities on road safety.	Work in pairs to form sentences and perform role plays.
4. Assessment	Ask oral questions, give short dictation and reading tasks.	Answer questions and write dictated words.
5. Conclusion	Summarise key points and	Participate in summary and

	give follow-up assignment.	note assignment.

5. Evaluation

Strengths	Weaknesses	Way Forward
Learners actively participated in discussions and role play. Most used sentence structures correctly.	Some learners struggled with complex grammar structures. Limited vocabulary retention for a few learners.	Provide more guided practice in next lesson. Use more visual aids and revision activities.
