PREPARED BY GERALD NSEREKO 0775008438

LOCATION OF THE EAST AFRICA ON THE MAP OF AFRICA

Mention some ways of locating places on a map

- By using the grid reference system.
- By using the compass direction.
- By using neighbourhood.

Write down some ways of locating places

- By using the position of the sun.
- By using landmarks.
- By using a compass.

Note: We can locate East Africa using "Grid Reference."

- **What is Grid Reference?**
- Grid Reference is the method of locating places on a map using lines of latitude and longitude.

What are lines of latitude?

- Lines of latitude are the imaginary lines drawn on a map or a globe from East to West.
- Lines of latitude are also called "Latitudes.

What is latitude?

- Latitude is the angular distance of a place North or South of the Equator.

List down all the major lines of latitude.

- Arctic Circle marked 66 ½° N
- Tropic of Cancer marked 23 ½° N
- Equator marked 0°
- Tropic of Capricorn 23 ½° S
- Antarctic Circle 66 ½° S

Note: The Equator is marked 0° because it is the starting point when measuring and naming all latitudes.

What is a hemisphere?

- A hemisphere is the half of the world when divided by the Equator or the Prime Meridian.

Note: The Equator creates the Northern and the Southern hemispheres while the Prime Meridian creates the Eastern and the Western hemispheres.

Identify some countries that lie in both the Northern and the Southern hemispheres.

- Democratic Republic of Congo
- Uganda
- Kenya
- Somalia
- Congo Brazzaville

0775008438

What is Equinox?

- Equinox is the period of the year when the sun is overhead the Equator.

When do we find the sun overhead the Equator?

- On 21st March and 23rd September every year.

When do we find the sun overhead the Tropic of Cancer?

- On 21st June every year.

When do we find the sun overhead the Tropic of Capricorn?

- On 22nd December every year.

Write down the uses of latitudes

- Latitudes are used to determine climate.
- Latitudes are used to locate places on a map.

What are longitudes?

- Longitudes are the imaginary lines drawn on a map or a globe from North to South.
- Longitudes are also called "lines of longitude."

What is longitude?

- Longitude is the angular distance of a place East or West of the Prime Meridian.

What general name is given to all lines of longitude?

- Meridians

What general name is given to all lines of latitude?

- Parallels

0775008438

List down the major lines of longitude.

- The Prime Meridian (0º)
- The International Date Line (180ºE or W)

Note: The Prime Meridian is also called the Greenwich Meridian.

Why is the Prime Meridian also called the Greenwich Meridian?

- It is because the Prime Meridian crosses a town called Greenwich in England.

Why is the Prime Meridian marked 0?

- It is because the Prime Meridian is the starting point when measuring and naming all longitudes.

Which important line of longitude is used to determine time?

- The Prime Meridian.
- The International Date Line (IDL)

Write IDL in full

- International Date Line.

Note: The International Date Line is used to determine international days and dates.

Mention the city/town that is crossed by the Prime Meridian in Africa.

- Accra City (found in Ghana).

Mention the countries that are crossed by the Prime Meridian in Africa.

- Mali
- Ghana
- Algeria
- Burkina Faso

What is Equinox?

- Equinox is the period when the sun is overhead the Equator.
- Equinox occurs on 21st March and 23rd September every year.

What is solstice?

- Solstice is the period when the sun is overhead the Tropic of Cancer or the Tropic of Capricorn.

When do we find the sun overhead Tropic of Cancer?

- On 21st June.

When do we find the sun overhead Tropic of Capricorn?

- On 22nd December.

Mention some uses of latitudes.

- Latitudes are used to determine climate.
- Latitudes are used to locate places on a map.

What is a time zone?

- A time zone is the region with uniform standard time.
- Uganda, Kenya, and Tanzania are in East African Standard Time .
- Rwanda, Burundi and DRC are in Central African Standard Time.
- The standard time in England is called the Greenwich Mean Time (GMT)

Note: East African Standard Time is one hour ahead of Central African Standard Time and three (3) hours ahead of GMT.

- Calculation Methods:
- Every 15° to the West, you lose 1 hour (we subtract).
- Every 15^{0} to the East, you gain 1 hour (we add).

Time Zone Calculations

Question 1

If it is 4:00 pm at GMT, what time will it be at place which is 45° East of the GMT?

0°:00 pm
15°: 5:00 pm
30°: 6:00 pm
45°: 7:00 pm

- It will be 7:00 pm

Question 2

It is 6:00 pm at GMT. What time will it be in Kenya which is 60° West of the GMT?

0°: 6:00 pm
15°: 5:00 pm
30°: 4:00 pm
45°: 3:00 pm
60°: 2:00 pm

- It will be 2:00 pm in Kenya

0775008438

Question 3

If it is 8:30 am at the GMT, what time will it be at a place 15° East of the GMT?

0°: 8:30 am

15°: 9:30 am

❖ It will be 9:30 am

List down the countries that neighbours East Africa and their capital cities

DIRECTION	COUNTRY	CAPITAL CITY
❖ North	❖ North	❖ Juba
	❖ Ethiopia	❖ Addis Ababa
❖ West	❖ DRC	❖ Kinshasa
❖ Northeast	❖ Somalia	❖ Mogadishu
❖ South	❖ Mozambique	❖ Maputo
❖ Southwest	❖ Zambia	❖ Lusaka

List down the countries in East Africa and their capital cities

COUNTRY	CAPITAL CITY
❖ Uganda	❖ Kampala City
❖ Kenya	❖ Nairobi City
❖ Tanzania	❖ Dodoma City
❖ Rwanda	❖ Kigali City
❖ Burundi	❖ Gitega City

Note: Tanzania is the largest country in East Africa while Rwanda is the smallest.

What is a landlocked country? 0775008438

❖ A landlocked country is a country without her own seaport.

List down the landlocked countries in East Africa

❖ Uganda, Rwanda, Burundi.

List down the landlocked countries neighboring East Africa

❖ South Sudan, Ethiopia.

List down some problems faced by landlocked countries

❖ Delay of their overseas goods in transit.

- High taxes charged on their overseas goods.

Write down the seaports used by Uganda:

- Port Mombasa (Main port and the nearest to Uganda).
- Port Dar es Salaam.

Why does Uganda mostly use Port Mombasa instead of Port Dar es Salaam?

- Port Mombasa is nearer to Uganda than Port Dar es Salaam.

How can countries like Uganda solve the problem of being landlocked?

- By developing home industries.
- By developing air transport.

PREPARED BY GERALD NSEREKO 0775008438

THE EAST AFRICAN COMMUNITY (EAC)

- The East African Community is a common market which is made up of different member states or countries.

What is a common market?

- A common market is a group of countries that have come together mainly to trade.
- A common market is a group of countries that have come together with the main aim of promoting trade.
- A common market is an organisation which unites some countries with the main aim of promoting trade among its member states.

Note: The East African Community was formed on **1st December 1967.**

- The East African Community replaced the **East African Services Organisation** Common (EACSO) which had been formed in 1961.
- The East African Common Services Organisation had replaced the **East African High Commission** (E.A.H.C) which had been formed in 1948.

Note: The headquarters of the East African Community are in **Arusha Town** in Tanzania.

- The headquarters of the East African High Commission were in Nairobi in Kenya.

List down the objectives/aims of the East African Community

- To promote trade among its members.
- To promote unity among its members.
- To promote peace and security among its members.
- To have a common currency.
- To have common tax and similar prices on goods.
- To allow free movement of people from one member state to another.

Write E.A.C in full. 0775008438

- East African Community.

Give the reasons why the founder member states of the E.A.C decided to work together.

- They are developing countries.
- Their people have a lot in common.
- They were all once in colonial rule.

List down the founder members of the East African Community:

- Uganda
- Kenya
- Tanzania

Note: Founder members can be called the founder member states.

List down the founders of East African Community:

- Apollo Milton Obote (Uganda)
- Julius Nyerere (Tanzania)
- Jomo Kenyatta (Kenya)

Note: Founders can also be called the founder presidents.

APOLLO MILTON OBOTE

- Apollo Milton Obote was born on 24th December 1924 at Akokoro village in the Lango sub-region of Uganda.
- He led Uganda to her independence on 9th October 1962.
- He formed the UPC party which led Uganda to her independence.
- He was the first executive Prime Minister of Uganda.

- Apollo Milton Obote died on 10th October 2005.

JOMO KENYATTA

- His original name was Johnstone Kamau.
- He was later renamed Jomo Kenyatta, a Swahili word which means **Kenya's Lamp.**
- Jomo Kenyatta formed the KANU party which led Kenya to independence.
- Jomo Kenyatta was the Prime Minister of Kenya.
- Jomo Kenyatta was imprisoned by the British for supporting the Mau Mau rebellion.

Write KANU in full:

- Kenya African National Union

0775008438

JULIUS NYERERE

- Julius Nyerere was born in 1922 at Butiama near the shores of Lake Victoria.
- He was trained as a teacher at Makerere College and he was renamed Mwalimu which means teacher.
- Julius Nyerere was a leader of TAA which later became TANU and led Tanzania to her independence.

Write TAA in full:

- Tanganyika African Association

Write TANU in full:

- Tanganyika African National Union

List down the departments of the former EAC

- East African Development Bank (EADB)
- East African Flying School
- East African Airways (EAA)
- East African Examinations Council
- East African Income Tax
- East African Custom and Excise Duty
- East African Court of Justice (E.A.C.)
- East African Literature Bureau (E.A.L.B.)
- East African Veterinary Research
- East African Institute of Medical Research

- East African Civil Aviation Board
- East African Marine Fisheries Research
- East African Income Tax
- East African Custom and Excise Duty 0775008438
- East African Court of Justice (E.A.C)
- East African Literature Bureau (E.A.L.B)
- East African Veterinary research.
- East African Institute of Medical Research
- East African Civil Aviation Board.
- East African Marine Fisheries Research.

List down the departments of the form E.A.C which remained after its collapse.

East African Flying School

- East African development Bank

Where are the headquarters of the East African Flying School?

- In Soroti in Uganda

Where are the headquarters of the East African Development Bank?

- In Kampala in Uganda

Mention some duties of the East African Development Bank.

- To give loans to members of E.A.C.
- To fund the development of projects of E.A.C.

List down the benefits of the former E.A.C to its member states

- It promoted unity among members
- It allowed free movement of people from one country to another.
- It created a wide market of goods to its members.
- It put in place common services like the railway for its members.
- It made transport easy among its members.

Mention the problems that were faced by the former E.A.C

- Internal conflicts among its members.
- Bad decision made by some leaders in E.A.C.

Note: The East African community collapsed in 1977.

Write EADB in full

- East African Development Bank.

Mention the reasons for the collapse of the East African community.

- Shortage of funds
- Amin wanted to control the western part of Uganda.
- The closing of boarders between Kenya and Tanzania.
- Some Kenyans were mistreated in Tanzania (The mistreatment of Kenyans in Tanzania).
- There were misunderstandings among the presidents of E.A.C. members.

Mention the effects of the collapse of the E.A.C

- It led to the decline of trade in a region.
- It led to enmity and lack among the E.A.C members
- It led to limited movement of people from a country to another.
- It led to increased dictatorship in Uganda.
- It changed the education system in the E.A.C members.

Who was the president of each following countries by the time the E.A.C collapsed?

- **Uganda** - Idi Amin Dada
- **Kenya** - Jomo Kenyatta
- **Tanzania** - Julius Nyerere

0775008438

THE REVIVAL OF THE E.A.C

- The process of reviving the E.A.C started in 1993
- In 1993 it was called the East African Co-operation up to 1999.
- The agreement to revive the E.A.C was signed on 30th November 1999 at Amri Abeid Memorial Stadium in Arusha

List down the president who revived the E.A.C

- Yoweri Kaguta Museveni - **Uganda**
- Daniel Arap Moi - **Kenya**
- Benjamin Mkapa - **Tanzania.**

Mention some reasons why the E.A.C revived

- To promote trade in the region.
- To promote peace and security in the region.

- To allow free movement of people from one member state to another.
- To promote co-operation among countries in the region.

Note: Rwanda and Burundi joined the E.A.C 1st July 2007
Note: South Sudan joined the E.A.C on 2nd March 2016.
Note: Democratic Republic of Congo joined the E.A.C on 11th July 2022
Note: Somalia joined the EAC on 24th November 2023

Give some reasons why Rwanda, Burundi, South Sudan, DRC and Somalia joined the E.A.C.

- To enjoy a wide market for goods.
- To enjoy peace and security in the E.A.C.
- To enjoy free movement state of the E.A.C to another.
- To enjoy co-operation and unity with other member states of E.A.C.
- The complete for economic development with other member states of E.A.C.

Who was the president of each of the following countries at the time they joined the E.A.C.

- **Rwanda** - Paul Kagame
- **Burundi** - Pierre Nkurunziza
- **South Sudan** - Salva Kiir
- **DRC** - Felix Tshisekedi Tshisekedi
- **V) Somalia**- Hassan Sheikh Mohamud

List down the current member states of the E.A.C.

- Kenya
- Uganda
- Tanzania
- Rwanda
- Burundi
- South Sudan
- DRC
- Somalia

A SKETCH MAP SHOWING CURRENT EAC MEMBERS

Mention the capital city of each of the E.A.C members.

- **Uganda** - Kampala
- **Kenya** - Nairobi
- **Tanzania** - Dodoma
- **Burundi** - Gitega
- **Rwanda** - Burundi
- **South Sudan** - Juba
- **DRC** – Kinshasa
- **Somalia**- Mogadishu

Mention the president of each of the E.A.C members.

- **Uganda** - Yoweri Kaguta Museveni.
- **Kenya** - William Ruto
- **Tanzania** - Suhulu Samia Hassan
- **Rwanda** - Paul Kagame
- **Burundi** - Evariste Ndayishimiye
- **DRC** - Felix Tshisekedi
- **Vii) Somalia**- Hassan Sheikh Mohamud

Name the latest country to join E.A.C

- Somalia

Name the largest member of E.A.C

- Democratic Republic of the Congo

Name the smallest country in E.A.C

- Rwanda

List down some symbols of E.A.C.

- The E.A.C flag

- The E.A.C Emblem
- The E.A.C Anthem
- The E.A.C Motto
- The E.A.C constitution

What is an emblem?

- An emblem is an object, animal or plant that is given much respect in a given country.

THE E.A.C EMBLEM

Note:

① The handshake on the E.A.C Emblem represents the unity of the E.A.C members

② The wheel on the E.A.C emblem represents industrial growth in the E.A.C

③ The arch leaves on the E.A.C emblem represents the rich vegetation and agricultural production in the E.A.C.

THE EAC ANTHEM

- The E.A.C anthem is called Wimbo wa Jumuiya ya Afrika Mashariki.
- E.A.C anthem was composed by Richard Khadambi from Kenya
- The E.A.C anthem was first used on 3rd December 2010.

Apart from Richard Khadambi, mention the other people who took part in composing the E.A.C anthem.

- John Muganga (Tanzania)
- Joseph Wasswa (Uganda)

Mention some occasions when the E.A.C Anthem is sung

- At school assemblies
- At the start of public ceremonies.
- During parliamentary sessions

State some importance of the E.A.C.

- It promotes regional unity.
- It promotes hardwork
- It promotes friendship
- It promotes patriotism
- It promotes love for good.

Note: The E.A.C Motto is One people One Destiny.

- Jumuiya Ya Afrika Mashariki is the swahili meaning of East African Community.

THE EAC FLAG

- The E.A.C flag has six colours and the E.A.C Emblem in the middle.
- The blue background on the E.A.C flag represents Lake Victoria.
- Other colours of the E.A.C flag were got from the flags of the E.A.C members.

Mention some places where the E.A.C flag can be raised.

- At schools
- At public offices
- At hospitals
- At Airports
- At banks

State the importance of the EAC flag

- It promotes regional unity.
- It promotes regional identity.

Mention the national motto of the E.A.C members

- **Uganda:** FOR GOD AND MY COUNTRY
- **Kenya:** Harambee (Let us Pull together)
- **Tanzania:** Uhuru Na Umoja (Independence and unity)
- **Rwanda:** Ubumuye, Umurimo, Gukunda Igihugu (unity, work and Patriotism)
- **Burundi:** Unite Travail Progress (Unity, work and progress)
- **South Sudan**: Justice, freedom and Prosperity
- **DRC:** Justice, Paix, Travail (Justice, peace, work)

Mention the organs of the East Africa Community.

- The summit of the E.A.C
- The secretariat of the E.A.C
- The sector Committee of the E.A.C.
- The Council of Ministers of the E.A.C.
- The co-ordination committee of the E.A.C
- The East African Court of Justice.
- The East African Legislative Assembly (EALA)

THE SUMMIT OF THE E.A.C

- The summit of the E.A.C is made up of presidents of the E.A.C members.
- The summit of the E.A.C gives general directions to the development of the E.A.C.
- The E.A.C summit is the main body organ of the E.A.C.

List down some duties of the E.A.C summit

- To appoint judges to the East Africa Court of Justice.
- To allow new members into the E.A.C.
- To approve bills passed by the E.A.L.A.

Who is the current chairperson of the E.A.C Summit?

- William Ruto

THE COUNCIL OF MINISTERS OF THE E.A.C

- The organ is made up of ministers of foreign affairs from the E.A.C member.
- The main role of this organisation is to make decisions on behalf of the E.A.C summit.

THE SECTOR COMMITTEE OF THE E.A.C

- The sector committee of the E.A.C is appointed by the council of minister of the E.A.C.
- The main role of this organ is to monitor the implementation of policies in the E.A.C.
- This organ prepares development programs of the E.A.C.

THE EAST AFRICAN COURT OF JUSTICE

- This organ is made of judges who are appointed from the E.A.C members.
- The main role of this organ is to ensure that the constitution of the E.A.C is followed.
- This organ settles conflicts among the E.A.C members.

EAST AFRICAN LEGISLATIVE ASSEMBLY (EALA)

- This organ serves as the parliament of the E.A.C
- The main role of the EALA is to make laws for the E.A.C
- The organ is made up of nine(9) members from each member state of the E.A.C.
- The headquarters of the EALA is in Arusha in Tanzania.
- The organ also approves the budget of the E.A.C.

Who is the current speaker of the EALA?

- Joseph Ntakirutimana

THE SECRETARIAT OF THE E.A.C

- This organ is head by the executive Secretary General of the E.A.C.
- This organ has its headquarters in Arusha in Tanzania.
- The main role of the E.A.C secretariat is to run the day to day activities of the E.A.C.

List down the Secretary Generals of the E.A.C since 1996.

- **Francis Mathaura** from Kenya (1996 - 2001)
- **Amanya Mushega** from Uganda (2001 - 2006)
- **Juma Swapachu** from Tanzania (2006 - 20011)
- **Richard Sezibera** from Rwanda (2011 - 2016)
- **Liberat Mfumukeko** from Burundi (2016 - 2021)
- **Peter Mathuki** from Kenya (2021 to date)

List down the Secretary Generals of the former E.A.C.

- **Dastan Omari** from Kenya (1967 - 1968)
- **Zerubaberi Bigirwenkya** from Uganda (1968 - 1971)
- **Charles Maira** from Kenya (1971 - 1974)
- **Edwin Mtei** from Tanzania (1974 - 1977)

Who was the first Secretary General of the E.A.C?

- Dunstan Omari

Who is the current Sectary General of the E.A.C

- Peter Mathuki

Mention some duties of the E.A.C secretary General

- To administer the finace of the E.A.C.
- To give information about the E.A.C to the public.
- To mobilize funds for developing the E.A.C projects.
- To give the budget of the E.A.C Council of ministers.

THE CO-ORDINATION COMMITTEE

- This organ reports to the E.A.C Council of Ministers.
- This organ implements decisions of the E.A.C Council of Ministers.

List down the departments / institution of the current E.A.C.

- East African Development Bank (EADB)
- East African flying School.
- Lake Victoria Basin Commission (L.V.B.C)
- Lake Victoria Fisheries Organisation (L.V.F.O)
- Lake Victoria Environment Programme.
- Inter University Council of East African (I.U.C.E.A)
- Civil Aviation Safety and Security Over Sight Agency (CASSOA)

Mention some benefits of the E.A.C to its member states.

- It provides jobs to some people in its members
- It promotes security among its people.
- It has promoted trade among its members.
- It has allowed movement of people from one country to another among its members.

Mention some benefits of the E.A.C to the non-member states

- Some EAC members provide peace keeping forces to countries with wars.
- The E.A.C provides market to goods of non-member states.

Mention some achievements of the E.A.C

- It has promoted employment among people in its members.
- It has improved transport among its members.
- It has promoted peace among people in its members.

Mention some problems facing common markets like E.A.C

- Lack of common language.
- Insecurity in some of their members.
- Shortage of funds.
- Poor transport network among their members.
- Political differences among presidents of some of their members.

Mention some ways how Common Markets Promote Trade

- By creating a wide market for goods.
- By promoting security among their members.
- By promoting common taxation policies.
- By developing a common currency.
- By allowing free movement of traders from one member to another.

Mention some conditions for a Common Market to be Successful

- Countries in a common market should be close to one another (neighbors).
- All countries should be at the same level of development.
- All countries should have peace and security.

Note: A common market is also called a Regional Economic Grouping.

Write down some future Plans of the EAC

- To have a common currency.
- To have the East African Federation.

Write down other Common Markets apart from the EAC

- Common Market for Eastern and Southern Africa (COMESA).

- Inter-Governmental Authority on Development (IGAD)

  Note: Headquarters in Djibouti City, Djibouti.
- African Growth Opportunity Act (AGOA).
- Southern African Development Community (SADC).
- Economic Community of West African States (ECOWAS).

  Why is Uganda not a member of OPEC?
- Uganda has not yet started exporting her oil.

  Write OPEC in full
- Organisation of Petroleum Exporting Countries

PREPARED BY GERALD NSEREKO 0775008438

THE PEOPLE OF EAST AFRICA

What was the pre-historical period?
- Pre-historical period was the period before written history.

  List down some major sources of history.
- Written records / Written history
- Anthropology
- Archaeology
- Linguistics
- Oral traditions

  What is written history?
- Written history is the recorded information collected from oral traditions.

  Mention some sources of written history.
- Books
- Magazines
- Newspapers

  Note: History is the study of past events.

  What are oral traditions?
- Oral traditions refer to the history that is got by the word of the mouth from one generation to another.

  List down some examples of oral traditions.
- Myths

- Legends
- Proverbs
- Poems
- Songs

Mention some advantages of oral traditions.

- Oral traditions save time.
- It is cheap to get information using oral traditions.

Mention some disadvantages of oral traditions.

- Sometimes oral traditions give wrong information.
- Oral traditions may give leave no record when the resource person dies.

What is anthropology?

- Anthropology is the study of culture, society and development of different people.

What is linguistics?

- Linguistics refers to the study of languages of different people.

What is archaeology?

- Archaeology is the study of fossils

What are fossils?

- Fossils are remains of early man.

Note: Early man refers to the people of long ago.

List down some examples of fossils.

- Bones
- Weapons like spears
- Rock paintings

PREPARED BY GERALD NSEREKO 0775008438

What is excavation?

- Excavation is the process of digging up fossils.

Who is an archaeologist?

- An archaeologist is a person who studies fossils.

List down some archaeologists in East Africa.

- Doctor Louis Leakey
- Mary Leakey (The wife of Doctor Louis Leakey)
- Richard Leakey (The son to Mary and Louis Leakey)

- Doctor Merrick Posnansky
- James Kirkman

Note: Doctor Louis Leakey discovered the oldest skull of early man at Olduvai Gorge Tanzania.

- Doctor Louis Leakey named the oldest skull of early man **Zinjanthropus** which means **black man.**
- East Africa is called the origin of mankind because **the oldest skull of early man was discovered in East Africa.**

Who discovered the oldest skull of early man?

- Doctor Louis Leakey.

Where in East Africa was the oldest skull of early man discovered?

- At Olduvai Gorge in Tanzania.

Name the oldest Stone Age site in East Africa:

- Olduvai Gorge Stone Age Site.

Why is East Africa referred to as the "Cradle of Mankind"?

- It is because the oldest skull of early man was discovered in East Africa.

Note: Doctor Merrick Posnansky made his discoveries in the Chwezi Empire.

Note: The remains of early man are kept and displayed in museums.

What is a museum?

- A museum is a place where things of long ago are kept and displayed for public viewing.

List down some examples of museums in East Africa.

IN UGANDA

- Iganga Museum
- Kabale Museum
- Uganda Museum

IN KENYA

- Nairobi Museum
- Kisumu Museum
- Fort Jesus Museum

IN TANZANIA

- Arusha Museum
- Dar es Salaam Museum

IN BURUNDI

- Burundi Geological Museum
- Gitega Museum

IN RWANDA

- Butare Museum
- Ruhengeri Museum
- Kabgayi Museum

IN SOUTH SUDAN

- Nation Archive Museum

List down some importance of museums

- Museums provide jobs to some people.
- Museums attract tourists who bring income.
- Museums provide market for local materials used in making crafts.
- Museums are used for education and search.

Mention some importance of archaeology

- It provides jobs to some people.
- It promotes tourism.
- It provides information about early man.

Give the meaning of the term Zinjanthropus

- Zinjanthropus means Blackman.

What are Stone Age Sites?

- Stone Age Sites are places where fossils were discovered.

List down some examples of Stone Age Sites in Uganda.

- Bigobyamugenyi Stone Age Site.
- Nsongezi Stone Age Site
- Paraa Stone Age Site
- Magosi Stone Age Site
- Nyero Stone Age Site
- Luzira Stone Age Site
- Sango Bay Stone Age Site

Note: The headquarters of the Bachwezi were at Bigobyamugenyi in Ssembabule District.

Note: Nyero Stone Age Site is famous for the rock paintings of early man.

List down some Stone Age Sites in Kenya.

- ❖ Lewa Stone Age Site
- ❖ Kanam Stone Age Site
- ❖ Rusinga Stone Age Site.
- ❖ Yala Alego Stone Age Site.
- ❖ Kariandusi Stone Age Site.

List down the Stone Age Sites in Tanzania

- ❖ Apis Rock Stone Age Site.
- ❖ Olduvai Gorge Stone Age site.
- ❖ Lake Eyasi Stone Age site.
- ❖ Kisese Stone Age Site.
- ❖ Cheke Stone Age Site.
- ❖ Isimila Stone Age Site.
- ❖ Garusi Stone Age Site.

Mention the importance of Stone Age Sites.

- ❖ They attract tourists who bring income.
- ❖ They provide jobs to some people.
- ❖ They are used for education and research.

A SKETCH MAP SHOWING STONE AGE SITES IN EAST AFRICA.

List down the two stages of early man's development.

- ❖ Stone Age
- ❖ Iron Age

What was the Stone Age Period?

- ❖ Stone Age period is when early man used tools made out of stones.

Note: The Stone Age period had three stages.

List down the three stages of the Stone Age period.

- ❖ The Old Stone Age Period (Palaeolithic)
- ❖ The Middle Stone Age Period (Mesolithic)
- ❖ The New Stone Age Period (Neolithic)

THE OLD STONE AGE PERIOD

- ❖ The Old Stone Age Period was the first stage of Stone Age Period.

- The Old Stone Age Period is also called Palaeolithic.

List down some characteristics of early man in the Old Stone Age Period.

- Early man had hairy body.
- Early man lived a nomadic way of life.
- Early man lived under big trees without a permanent home.
- Early man used simple tools made out of stones.
- Early man moved naked.

Mention some ways how early man got food.

- Through hunting
- Through collecting wild fruits
- Through digging up roots of some trees.
- Through fishing

List down some examples of early man's food.

- Honey
- Raw meat
- Fruits
- Some insects
- Roots of some trees

List down some examples of early man's tools.

- A HAND AXE

Mention some importance of a hand axe to early man.

- It was used for skinning animals.
- It was used for chopping meat.
- It was used for shaping tools of early man.
- It was used for digging roots of some trees.

A BOLAS

Note: Early man used a bolas to trip fast running animals.

A SPEAR

Note: Early man used the spear to kill animals.

A BONE NEEDLE

Note: The bone needle was used to sew torn animal hides and skins.

A CLEAVER

Note: A cleaver was used to split wood.

- A cleaver was also used for chopping meat.

A THUMB NAIL SCRAPPER

Note: Early man used a thumb nail scrapper to remove the animal hides and skins.

- Early man used animal hides and skins to make clothes.

Note: The discovery of fire marked the end of the Old Stone Age Period.

How did early man discover fire?

- By rubbing a dry stick in wood.

Mention some ways how fire was important to early man.

- Early man used fire to roast meat.
- Early man used fire to light in caves.
- Early man used fire to harden tools.
- Early man used fire to provide warmth in caves.
- Early man used fire for protection.

Which discovery marked the end of the Old Stone Age Period.

- The discovery of fire.

THE MIDDLE STONE AGE PERIOD

- The Middle Stone Age Period was the second stage of the Stone Age Period.
- The Middle stone Age Period began with the discovery of fire.

Mention some characteristics of early man in the Middle Stone Age Period.

- Early man had less hair on the body.
- Early man-made better tools.
- Early man started eating roasted meat.
- Early man tamed a dog as the first animal.

Note: The discovery of farming marked the end of the Middle Stone Age Period.

Name the first animal to be tamed by early man.

- A dog

How was a dog useful to early man?

- It was used for hunting.
- It was used for protection.
- It was used to give company to early man.

THE NEW STONE AGE PERIOD

- The New Stone Age Period was the last stage of the Stone Age Period.
- The New Stone Age Period started with the discovery of farming.
- Early man tamed many animals in the New Stone Age Period.
- In this stage, early man started living in simple huts.
- In this stage, the discovery of farming helped early man to live a settled life.

Note: The discovery of iron smelting marked the end of the New Stone Age Period and the Stone Age Period as a whole.

How did the discovery of farming help early man to live a settled life?

- It helped early man to easily get food without moving from one place to another.

How did the discovery of iron smelting help early man?

- It made helped early man make better tools.

Which discovery helped early man to live a settled life?

- The discovery of farming.

Which discovery helped early man to make better tools?

- The discovery of iron smelting.

Which discovery helped early man to live safely in caves?

- The discovery of fire.

Which discovery marked the end of the Stone Age Period?

- The discovery of iron smelting.

IRON AGE

- The discovery of iron smelting marked the end of the Stone Age Period.
- A person who makes things out of iron (metals) is called a **Blacksmith.**
- The idea of iron smelting started in **Meroe** in Egypt.
- In Africa, iron smelting was started by the Cushites.

Note: The Bachwezi introduced the idea of iron smelting in East Africa.

List down some tools made out of iron

- Knives

- Pangas
- Hoes
- Axes
- Bow and arrow

ETHNIC GROUPS IN EAST AFRICA

What is an ethnic group?

- An ethnic group is a group of people who have the same origin and speak related languages.

Note: An ethnic group is also called **a tribal group.**

- Ethnic groups are made of tribes.

What is a tribe?

- A tribe is a group of people who have the same origin and speak the same language

List down some characteristics of a tribe.

- People have the same origin.
- People speak the same language.
- People have the same main occupation.
- People have the same cultural practices.
- People have the same political set up.

Mention some characteristics of ethnic groups.

- People have the same origin.
- People speak related languages.
- People have the same main occupation.
- People have similar cultural practices.
- People have similar political set up.

List down the major ethnic groups in East Africa and their places of origin.

ETHNIC GROUP	PLACE OF ORIGIN
❖ The Bantu	❖ Cameroon Highlands / Congo Basin
❖ The Nilotics / River Lake Nilotes	❖ Bahr el Ghazal
❖ The Hamites / Cushites	❖ Ethiopia
❖ The Plain Nilotes / Nilo Hamites	❖ Ethiopian Highlands
❖ The Highland Nilotes	❖ Ethiopian Highlands
❖ The Sudanic People	❖ Juba in South Sudan

List down sub-groups under the Nilotes.

0775008438

- ❖ The Plain Nilotes.
- ❖ The Highland Nilotes.
- ❖ The River Lake Nilotes.

Note: The main occupation of all other ethnic groups is pastoralism but that of the Bantu is crop growing.

Mention other reasons why some ethnic groups migrated from their homelands.

- ❖ They had drought in their homelands.
- ❖ They had famine in their homelands.
- ❖ They had internal conflicts in their homelands.
- ❖ It was due to shortage of land in their homelands.

Mention some factors that influenced the settlement patterns of ethnic groups in East Africa.

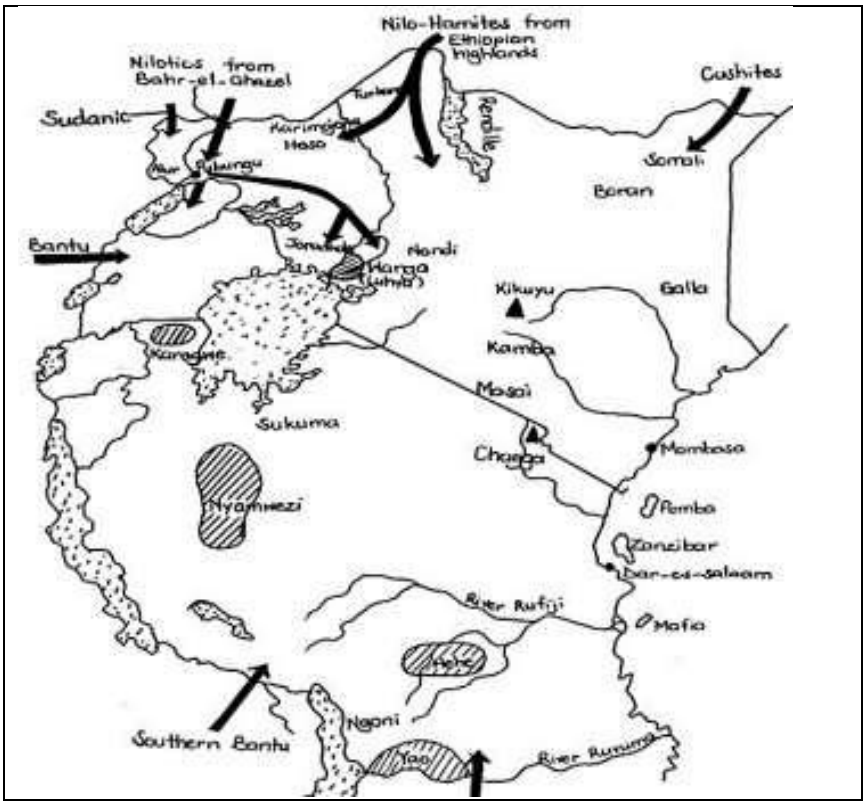

- ❖ Climate
- ❖ Nature of soil
- ❖ Vegetation

Mention some problems that were faced by the ethnic groups during migration from their homelands.

- ❖ Attacks from hostile tribes.
- ❖ Attacks from some wild animals.
- ❖ Shortage of food and water.

- Attacks from tropical diseases.
- Poor transport network.
- Difficulty in crossing some physical features.

A SKETCH MAP SHOWING DIRECTIONS FROM WHICH ETHNIC GROUPS ENTERED EAST AFRICA

THE BANTU

- The Bantu are the largest ethnic group in East Africa.
- The Bantu originated from Cameroon Highlands.
- The main occupation of the Bantu is crop growing.
- The Bantu entered Uganda through the West direction.

List down some Bantu tribes in each of the following countries.

UGANDA

- The Baganda
- The Batoro
- The Banyoro
- The Basoga

0775008438

- The Banyankole
- The Bakiga

KENYA

- The Akamba
- The Kikuyu
- The Luhya
- The Meru
- The Mijikenda
- The Gusi
- The Pokomo
- The Taita

TANZANIA

- The Chagga
- The Hehe
- The Nyamwezi
- The Ngoni
- The Makonde
- The Wasukuma

RWANDA AND BURUNDI

- The Hutu

Note: The Bantu mainly settled in the interlacustrine region.

- What is the interlacustrine region?
- Interlacustrine region is the region between great lakes of East Africa.

List down some lakes that form the interlacustrine region.

- Lake Victoria
- Lake Albert
- Lake Kyoga
- Lake Tanganyika
- Lake George
- Lake Edward

0775008438

Mention some reasons why the Bantu settled in the interlacustrine region.

- The area had fertile soils for crop growing.

- The area had good climate for human settlement.
- The area received reliable rainfall.
- The area had weak inhabitants.

Note: The Bushmen were the original inhabitants of East Africa before the coming of ethnic groups.

Mention some positive contributions of the Bantu in East Africa.

- They introduced some new crops like bananas, millet and groundnuts.
- They introduced new languages.
- They formed kingdoms / chiefdoms.
- They introduced Royal Regalia.
- They introduced pottery.
- They introduced the idea of iron smelting.

Mention some negative contributions of the Bantu in East Africa.

- They led to overpopulation in East Africa.
- They displaced the Bushmen from their lands.
- They led to shortage of land in East Africa.
- They led to conflicts in some areas of East Africa.

List down the Bantu groups in East Africa.

- The Northern Bantu (the Banyoro etc.)
- The Central Bantu (the Hutu, the Nyamwezi etc.)
- The Southern Bantu (the Ngoni, the Yao etc.)
- The Coastal Bantu (the Mijikenda etc.)
- The Highland Bantu (the Chagga, the Kikuyu etc.)

Note: The Ngoni were the last Bantu tribe to enter East Africa.

- The Ngoni entered East Africa through Tanzania in the South direction.

THE NILOTICS 0775008438

- The Nilotics are also called River Lake Nilotes or Luo speakers.
- The original homeland of the Nilotics is Bahr el Ghazal in South Sudan.

- The Nilotics are called River Lake Nilotic because they lived in the Nile valley (along the River).
- The Nilotics entered East Africa through the North direction in Uganda.
- In Uganda, the Nilotics first settled at Pubungu.

List down some tribes under the Nilotics.

- The Alur, The Acholi, The Japadhola} In Uganda
- The Dinka, The Nuer, The Anwale, The Shilluk} In South Sudan

Note: The Alur tribe existed as a result of intermarriages between the Luo and the Lendu.

Mention some reasons why the Nilotics migrated from their homeland.

- They were looking for water and pasture for their animals.
- They had drought in their homeland.
- They had conflicts in their homeland.
- They had famine in their homeland.

Name some positive contributions of the Nilotics in East Africa.

- They introduced new crops like millet and Sorghum.
- They introduced new breeds of animals.
- They introduced pet names like Akiiki, Atwaki, and Amooth.
- They introduced the Luo Babito Dynasty.
- They introduced the Luo languages. 0775008438

Mention the negative contributions of the Nilotics in East Africa.

- They led to shortage of land in East Africa.
- They displaced the people in East Africa.
- They led to the overpopulations in the new areas of settlement.

THE PLAIN NILOTES

- The plain Nilotes are also called the Nilo-Hamites.
- The plain Nilotes originated from the Ethiopian Highlands.
- Their main occupation of the Plain Nilotes is Pastoralism.

List down some tribes under the Plain Nilotes.

- The Karimojong / The Karamojong
- The Iteso

- The Jie
- The Langi} **In Uganda**

- The Turkana
- The Masai
- The Samburu} **In Kenya**

- The Maasai **(in Tanzania)**

- The Bari
- The Mundari
- The Kakwa
- The Pojulu} **In South Sudan**

Note: In Uganda, the Plain Nilotes settled in Moroto.

Mention the reasons why the Plain Nilotes changed to mixed farming.

- They settled in areas with fertile soils.
- They were attracted by the Bantu to grow crops.
- Most of their cattle had died.

Mention some reasons why the Plain Nilotes migrated from their homeland.

- They were looking for water and pasture for their animals.
- They were running away from conflicts in their homeland.
- They had drought in their homeland.
- They had famine in their homeland.
- They had animal diseases and vectors in their homeland.
- They were looking for enough land to graze their animals.

Mention the reasons why the Plain Nilotes settled in plain areas.

- The areas had enough pasture for animals.
- The areas were free from vectors.
- The areas had many free from vectors.

Mention the positive contributions of the Plain Nilotes in East Africa.

- They introduced new breeds of animals in East Africa.
- They introduced new culture in East Africa.
- They led to overpopulation in East Africa.
- They led to shortage of land in East Africa. 0775008438
- They led to land conflicts in East Africa.
- They led to overstocking in East Africa.

THE HIGHLAND NILOTES

- The Highland Nilotes originated from the Ethiopian Highlands.
- The main occupation of the Highland Nilotes is pastoralism.

List down some tribes under the Highland Nilotes.

- The Sabiny, The Pokot} In Uganda
- The Sabiny, The Pokot, The Kipsigis, The Tugen, The Keiyo, The Nandi, The Bangomek} In Kenya
- The Dondong (in Tanzania)

Note: The Sabiny live on slopes of Mount Elgon in Uganda.

- The Sabiny grow finger millet on slopes of Mount Elgon.
- The Sabiny are well known for female genital mutilation.

Mention the reasons why the Highland Nilotes migrated from their homeland.

- They were looking for water and pasture for their animals.
- They had conflicts in their homeland.
- They had drought in their homeland.
- They had animal diseases and vectors in their homeland.
- They were looking for enough land to graze their animals.

Mention the effects of the migration of the Highland Nilotes into East Africa.

- They led to over population in East Africa.
- They led to shortage of land in East Africa.
- They led to land conflicts in East Africa.

THE HAMMITES

- The Hamites are also called the Cushites.
- The Hamites are the smallest ethnic group in East Africa.
- The Hamites originated from Ethiopia.

List down some tribes under the Hamites

- The Bahima, The Bahinda, The Basita, The Tutsi } in Uganda
- The Kinje, The Somali, The Galla, The Boran } in Kenya

- The Iragi,The Mbugu in Tanzania
- The Tutsi in Rwanda and Burundi

Note: The Hamites entered Uganda through the Southwest direction.

Mention the reasons why the Hamites migrated from their homeland.

- They were looking for water and pasture for their animals.
- They had conflicts in their homeland.
- They had drought in their homeland.
- They had famine in their homeland.

Mention the positive contributions of the Hamites in East Africa.

- They introduced long horned cattle in East Africa.
- They introduced new languages in East Africa.

Mention the negative contributions of the Hamites in East Africa.

- They led to overpopulation in East Africa.
- They led to shortage of land in East Africa.
- They led to land conflicts in East Africa.
- They led to displacement of people from their lands in East Africa.

What is a Kingdom?

- A Kingdom is an area that is controlled by a King or Queen.

List down some kingdoms in East Africa.

- Buganda Kingdom
- Bunyaro Kingdom
- Toro Kingdom} **In Uganda**

THE WANGA KINGDOM

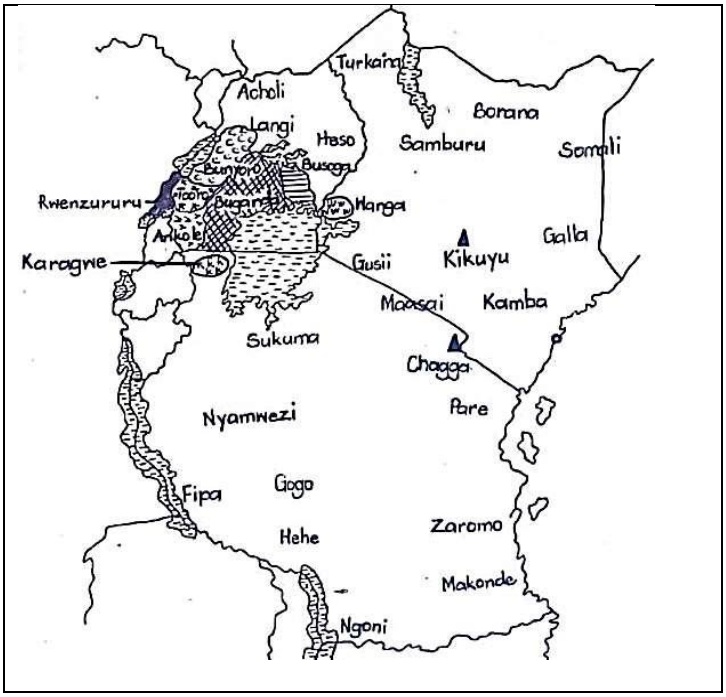

- The Wanga Kingdom was formed in Kenya.

- The Wanga Kingdom is the only Bantu Kingdom.
- The Wanga Kingdom was formed by the Luhya tribe.
- The title given to the leader of the Wanga is **Nabongo.**
- The first leader of the Wanga Kingdom was Nabongo Wanga.The Wanga Kingdom got its name from their first leader Wanga.
  Note: Nabongo Mumia was one of the greatest leaders of the Wanga Kingdom.
  Name the leader of Wanga kingdom who collaborated with the British in Kenya.
- Nabongo Mumia
  Name the only Bantu kingdom that was formed in Kenya.
- The Wanga kingdom.

THE KARAGWE KINGDOM

- The Karagwe Kingdom was formed in Tanzania.
- The Karagwe Kingdom is located in the Southwest of Lake Victoria in Tanzania.
  Note: the title given to the leader is **Omuggabe.**
- The Karagwe Kingdom was formed by the Bahinda clan.

THE SKETCH MAP SHOWING THE LOCATION OF SOME KINGDOMS IN EAST AFRICA.

What is a chiefdom?

- A chiefdom is an area that is controlled by a Chief.

List down some tribes that formed chiefdoms in East Africa.

- The Iteso, The Acholi, The Akamba, The Basoga, The Masai, The Kikuyu, The Chagga.

List down some duties of a Chief in a chiefdom.

- To settle conflicts among people.
- To conduct cultural ceremonies.

List down some importance of chiefdoms.

They promote unity among people. 0775008438

- They promote culture among people.
- They promote peace among people.
- They promote good morals among people.

What is an Empire?

- An Empire is an area that is controlled by an Emperor or Empress.

List down the examples of Empires that were formed in East Africa.

- Bunyoro Kitara Empire. 0775008438
- Nyamwezi Empire.
- Zenj Empire.

THE ZENJ EMPIRE

- The Zenj Empire was formed by founded by Hassan Bin Ali / Hassan ibn Ali.
- Hassan ibn Ali was one of the leaders of Oman at the coast of East Africa.
- The word zenj means Black man.
- The word zenj Empire means the land of Black people.
- The Zenj Empire had its headquarters at Kilwa.
- The Zenj Empire was mainly built on trade.
- Zanzibar was the main trading centre of the Zenj Empire.

Who was the founder of the Zenj Empire?

- Hassan ibn Ali

Give the meaning of the term zenj.

- Zenj means Black man.

THE NYAMWEZI EMPIRE

- The Nyamwezi empire was formed by the Nyamwezi people.
- The Nyamwezi were called so because they come from the direction where the moon was seen first.
- The name Nyamwezi means People of the moon.
- The Nyamwezi Empire was formed in the South lake of Victoria in Tanzania.
- The leader of Nyamwezi Empire is called **Ntemi.**

List down some duties of the Ntemi:

- To settle conflicts among people.
- To make sacrifices to Gods on behalf of the people.
- To pray for the people.
- To collect taxes from the people.

List down some leaders of the Nyamwezi Empire:

- Mirambo 0775008438
- Nyungu Ya Mawe

THE RULE OF MIRAMBO

- Mirambo started as a leader of a small chiefdom called **Ugowe.**
- Mirambo expanded his territories by attacking the neighbouring communities.
- The headquarters of Mirambo were at Urambo.
- Urambo which were the headquarters of Mirambo became a major trading centre.

Mention some reasons why Mirambo was successful:

- Mirambo had the ability to fight and defeat his neighbouring communities.
- Mirambo was so hardworking.
- Mirambo had well trained soldiers.
- Mirambo had guns which he had got from the Arabs.

Note: The strong soldiers of Mirambo were called the **Ruga Ruga.**

List down some importance of the Ruga Ruga to the Nyamwezi Empire:

- The Ruga Ruga protected the Nyamwezi Empire.
- The Ruga Ruga expanded the Nyamwezi Empire by raiding the neighbouring communities.

List down some factors that led to the fall of Mirambo rule

- The indiscipline of the Ruga Ruga.
- The death of Mirambo.
- The weakness of the leaders like Mirambo's brother called Mpandashalo.

NYUNGU YA MAWE

- Nyungu Ya Mawe means Pot of stones.
- The headquarters of Nyungu Ya Mawe were at Kiwere.
- Nyungu Ya Mawe succeeded Mirambo.

Mention some reasons why Nyungu Ya Mawe was successful

- He raided trade caravans for their items.
- He had control over main trade routes.
- He sold slaves and ivory.

Note: Nyungu Ya Mawe died in 1884 and was succeeded by his brother Mgalula.

Mention some ways how people of long ago were socially organised:

- They had clans.
- They had age groups.
- They had families.
- They had food taboos.

What is a clan?

- A clan is a group of people under one forefather.

List down some symbols of a clan:

- A clan totem.
- A clan name.
- A clan motto.

List down some duties of the clan head:

- To settle conflicts in a clan.
- To conduct cultural ceremonies in a clan.
- To chair clan meetings.

PREPARED BY GERALD NSEREKO 0775008438

What is education?

- Education is the process of acquiring knowledge, skills and values.

Mention the types of education that was in East Africa before the coming of foreigners:

- Informal education.

Which type of education was introduced by European Missionaries in East Africa:

- Formal education.

Mention some ways how traditional/informal education was taught:

- Through stories.
- Through songs.
- Through proverbs.

Mention some people who provided informal education:

- Elders.
- Parents.
- Leaders.

Mention some importance of traditional education:

- It taught practical skills.
- It promoted culture.
- It promoted good morals among people.

What are social activities?

- Social activities are events that bring people together in good or bad times.

OR

- Social activities are events that bring people together in a society.

List down some examples of social activities:

- A burial ceremony.
- A burial ceremony.
- A wedding/marriage ceremony.
- A child naming ceremony.
- A circumcision ceremony.

❖ An introduction ceremony. 0775008438

Mention some importance of social activities:

❖ They promote unity among people.
❖ They promote culture among people.
❖ They promote peace and love among people.
❖ They promote good morals among people.

What is culture?

❖ Culture is the way people live and behave.

OR

❖ Culture is the people's way of life.

List down the types of culture:

❖ Material culture.
❖ Non-material culture.

Mention some challenges facing African culture:

❖ Use of internet.
❖ Separation of children from their parents.
❖ Some parents take little time with their children due to work.
❖ Environmental degradation.

Mention some ways of preserving/promoting culture:

❖ By allowing children to attend cultural ceremonies.
❖ By organising cultural ceremonies.
❖ By protecting historical sites.

PREPARED BY GERALD NSEREKO 0775008438

Who were the Missionaries?

❖ Missionaries were the foreigners who came to East Africa to spread Christianity.

Who is a missionary?

❖ A missionary is a person who goes to a foreign land to spread Christianity.

List down the groups of missionaries that came to East Africa:

❖ The Anglican Missionaries (first group)
❖ The Roman Catholic Missionaries (second group)

List down some Anglican Missionaries that came to East Africa:

- O'Neil
- Alexander Mackay
- Johann Ludwig Krapf
- Bishop Steer
- Johannes Rebmann
- Jakob Erhardt
- Doctor David Livingstone
- Shergold Smith
- Bishop Alfred Tucker
- Bishop Tozer
- Reverend Kenneth Borup
- Reverend Robert Ashe

List down the examples of Roman Catholic Missionaries that came to East Africa:

- Father Simon Loudel
- Brother Amans Delmas
- Father Leon Barbot
- Father Levinhac
- Father Lodovic Girault
- Mother Thereza

0775008438

Write short notes about each of the following missionaries:

Johann Ludwig Krapf:

- He built the first mission station in East Africa at Rabai Mpya.
- He translated the New Testament of the Bible into Kiswahili.
- He named Mount Kenya.

Mention some ways how Rabai Mpya was important to the missionaries:

- It was used for Bible teaching.
- It was used for printing Bibles.
- It was used for Bible translation.
- It was used for training catechists.
- It was used for music rehearsals.

Note: Johannes Rebmann named Mount Kilimanjaro.

Father Simeon Lourdel:

- ❖ He was the leader of the Roman Catholic Missionaries in Uganda.
- ❖ He was also called Mapeera.

Jakob Erhardt:

- ❖ He was the first European to draw the sketch map.
- ❖ He drew the sketch map of East Africa but it mainly showed Lake Victoria.

Doctor Steer:

- ❖ He built homes for freed slaves in Zanzibar.
- ❖ He built a Cathedral in Zanzibar.

Alexander Mackay:

- ❖ He introduced the first printing press in Uganda.
- ❖ He taught practical skills like building and carpentry in Uganda.
- ❖ He was the leader of the Church Missionary Society in Uganda.

Doctor David Livingstone:

- ❖ He was a missionary, a teacher and a doctor.
- ❖ He treated people with sleeping sickness in East Africa.
- ❖ He preached against slave trade.
- ❖ He built some mission stations in East Africa.
- ❖ He named lake Malawi and lake Nyasa in Africa.

Mention some positive contributions of the European Missionaries in East Africa:

- ❖ They spread Christianity in East Africa.
- ❖ They taught the people of East Africa how to read and write.
- ❖ They built some schools in East Africa.
- ❖ They preached against slave trade in East Africa.
- ❖ They introduced some new crops in East Africa.

Mention some negative contributions of the European Missionaries in East Africa:

- ❖ They led to division of people which led to religious wars.
- ❖ They preached against African culture.
- ❖ They encouraged colonialists in East Africa.

Mention some problems that were faced by the European Missionaries in East Africa:

- Poor communication network. 0775008438
- Attacks from hostile tribes.
- Attacks from some wild animals.
- Attacks from tropical diseases.
- Shortage of supplies like food and water.
- Opposition from the Arabs.

Mention some ways how the European Missionaries solved the problem of language barrier in East Africa:

- By using interpreters.

What is a denomination?

- A denomination is a group of believers with the same religious doctrine.

List down some examples of denominations in East Africa:

- Catholics
- Anglicans
- Orthodox
- Pentecostals
- Seventh Day Adventists (SDA)

List down some religious organisations in East Africa:

- Mothers' Union
- Adventist Development and Relief Agency (ADRA)
- Young Men's Christian Association (Y.M.C.A)
- Young Women's Christian Association (Y.W.C.A)

List down some common beliefs in Christianity

- A belief in one God
- A belief in the Holy trinity
- A belief in the Holy Spirit
- A belief in the Judgement Day
- A belief in the Holy Bible

Mention some ways how Christians worship

- Through praying
- Through fasting
- Through singing religious songs
- Through reading the Bible

❖ Through paying tithe

PREPARED BY GERALD NSEREKO 0775008438

What is Islam?

❖ Islam is the total submission to the will of Allah.

Note: The Arabs introduced Islam in East Africa.

❖ The first Arab trader to come to Uganda was Ahmed bin Ibrahim.

❖ Islam was introduced to Uganda by Ahmed bin Ibrahim.

List down some Arab traders that came to Uganda in East Africa

❖ Ahmed bin Ibrahim

❖ Hassan ibn Ali

❖ Seyyid Said

Note: Hassan ibn Ali was the founder of the Zenj Empire.

Note: Seyyid Said introduced the growing of cloves in East Africa.

Mention some reasons why Arabs came to East Africa

❖ To trade

❖ To spread Islam

❖ To run away from religious wars in their homeland

List down some common beliefs in Islam

❖ A belief in one Allah.

❖ A belief in Prophets and Angels.

❖ A belief in the Judgement Day.

❖ A belief in the will of Allah.

❖ A belief in Holy books.

Mention some ways how Muslims worship Allah

❖ Through reciting the Quran

❖ Through praying

❖ Through fasting

❖ Through paying Zakat.

Mention some positive contributions of the Arabs in East Africa

❖ They introduced Islam in East Africa.

- They introduced Zebu cattle in East Africa.
- They introduced some new items of trade in East Africa.
- They introduced new crops in East Africa.
- They developed some coastal towns in East Africa.

Mention some negative contributions of the Arabs in East Africa

- They introduced slave trade in East Africa.
- They led to religious wars in East Africa.

Mention some problems that were faced by the Arabs in East Africa

- Attacks from hostile tribes.
- Attacks from tropical diseases.

0775008438

- Poor communication network.
- Shortage of supplies like food and water.
- Attacks from some wild animals.

What is trade?

- Trade is the buying and selling of goods or services.

What is barter trade?

- Barter trade is the exchange of goods for goods or services for services.

Note: People of long ago mostly carried out barter trade.

Why did people of long-ago practice barter trade?

- It's because there was no money.

List down some advantages of barter trade

- It is cheap.
- It promoted unity among people.

0775008438

- It promoted friendship among people.

Mention some disadvantages of barter trade

- It had no standard measure of the value of goods.
- It was difficult to move long distances with goods for exchange.

Name the first form of currency to be used in Uganda

- Cowrie Shells

Mention the first coin money to be introduced/used in East Africa

- The Indian Rupees

Note: Barter trade was replaced by monetary trade.

What is monetary trade?

- Monetary trade is the type of trade where money is used as a medium of exchange.

What was Long Distance Trade?

- Long distance trade was the type of trade between people at the coast and those in the interior of East Africa.
- Long Distance trade is also called so because traders moved long journeys to trade.

Note: Barter Trade was used during Long Distance Trade.

List down some tribes that took part in Long Distance Trade

- The Baganda / The Banyoro (In Uganda)
- The Akamba / The Kikuyu (In Kenya)
- The Yao / The Nyamwezi (In Tanzania)

List down the foreigners that took part in Long Distance Trade

- The Arabs
- The Indians

List down some items that were taken from East Africa during Long Distance Trade

- Slaves, Ivory, Salt, Copper, Honey, Animal hides and skins.

List down some items that the Arabs brought to East Africa during Long Distance Trade

- Clothes, Knives, Guns, Beads, Plates, Cups.

Note: During Long-Distance Trade, traders moved in Caravans.

What is trade caravan?

- A trade caravan is a large group of traders moving together.

Why did traders of long ago move in Caravans?

- For protection.

Mention the positive effects of Long Distance Trade

- It made African Kings and Chiefs richer.
- It led to the development of some towns in East Africa.
- It led to introduction of Islam in East Africa.
- It led to introduction of new items in East Africa.

Mention the negative effects of Long Distance Trade

- It led to slave trade in East Africa.
- It led to death of some people in East Africa.
- It led to religious wars in East Africa.
- It led to destruction of some property in East Africa.

PREPARED BY GERALD NSEREKO 0775008438

SLAVE TRADE IN EAST AFRICA

What is slave trade?

- Slave trade is the buying and selling of human beings as slaves.

What is slavery?

- Slavery is the state of being a slave.

Who is a slave?

- A slave is a person who is illegally owned and controlled by another person.

Which group of foreigners introduced slave trade in East Africa?

- The Arab traders.

Mention some reasons why slave trade started

- Arabs wanted slaves to work on their plantations.
- Slaves were needed to do domestic work.
- African Kings and chiefs wanted to sell their war captives.
- Slaves were needed to carry goods from the interior to the coast of East Africa.
- African Kings and Chiefs wanted to get riches from slave trade.

Mention some ways how slaves were got / obtained in East African

- By raiding villages.
- By capturing lonely people.
- By buying war captives from African Kings and Chiefs.

Mention the main two slave markets where slaves of East Africa were taken

- Zanzibar slave market.
- Tabora slave market.

0775008438

Which was the largest slave market at the coast of East Africa?

- Zanzibar slave market.

Which was the largest slave market in the interior of East Africa?

- Tabora slave market.

Mention some positive effects of slave trade in East Africa

- Slave trade made African Kings and chiefs richer.
- Slave trade led to expansion of some kingdoms.
- Slave trade led to the begin bringing of new trade items in East Africa.

❖ Enumerators are people who collect and record the information during population census.

Note: In Uganda, population census is carried out every after ten years.

Why is population census carried out every after ten years in Uganda?

❖ It is expensive to carry out population census.
❖ To allow many population changes to take place.
❖ It is a government policy.

Which ministry is responsible for carrying out population census in Uganda.

❖ Ministry of Finance, Planning and Economic Development.

Name the body responsible for carrying out population census in Uganda.

❖ UBOS

Write UBOS in full.

0775008438

❖ Uganda Bureau of Statistics

What is census night?

❖ A census night is the night before official day of beginning population census.

Mention some reasons why the government carries out population census.

❖ To know the number of people in the country.
❖ To plan for people in a country.
❖ To compare the birth and death rates of people in a country.
❖ To know the living standards of people in a country.
❖ To know the levels of education among people in a country.

Mention some problems faced by the government when carrying out population census.

- ❖ Shortage of funds.
- ❖ Ignorance among people.
- ❖ Language barrier.
- ❖ Some people give wrong information.
- ❖ Shortage of skilled enumerators.
- ❖ Poor transport network in some areas.

Mention some problems faced by enumerators when carrying out population census.

- ❖ Bad weather conditions.
- ❖ Insecurity in some areas.
- ❖ Language barrier / Poor communication network.
- ❖ Walking long and tiring distances.
- ❖ Some people hide from the enumerators.

0775008438

Mention some information collected during population census.

- ❖ Number of people in a home.
- ❖ Sex of people in a home.
- ❖ Number of children in a home.
- ❖ Occupation of people in a home.
- ❖ Education levels of people in a home.
- ❖ Sources of income for people in a home.
- ❖ The living standards of people in a home.

List down some advantages of a high population

- ❖ It provides a large market for goods.
- ❖ It provides high labour force.
- ❖ It is a source of high revenue through taxation.

List down some dangers of a high population

- ❖ It leads to shortage of land.
- ❖ It may lead to shortage of jobs.
- ❖ It may lead high crime rate.
