SECTION B: 50 MARKS

51. Read the passage below and then answer, **in full sentences**, the questions that follow.

Electronic media refers to the communication tools that operate using electricity. These include radios, televisions, mobile phones, computers, and the internet. Electronic media is important because it helps people to receive news quickly and get updates about what is happening in the world. It allows learners to access educational information, and it enables people to communicate easily with others in different places. Many people depend on it for entertainment like music, cartoons, movies, games and sports among others.

Several professionals work in different types of electronic media. News anchors work on television stations where they read and present news. Radio presenters work in radio stations, entertaining listeners and sharing information. Computer technicians repair computers and other digital devices. They also help users of electronic media to understand how to operate them. All these people support the smooth running of electronic media.

In our town, there is a man called Mr. Samosa who owns a large electronic media shop. In his shop, he sells items such as radios, televisions, smartphones, laptops, and flash drives. Many different kinds of people buy from his shop. Teachers buy laptops for preparing lessons, students buy flash drives to store their work, and businesspeople buy smartphones to communicate with customers. Mr. Samosa's shop is always busy because electronic media has become **vital** in people's daily lives.

Spellings ($^1/_2$ mark)
Tenses ($^1/_2$ mark)

SAMPLE LETTER

Toronto Primary School
P.O. Box 1635
Toronto

10th November 2025

Dear John,
I hope you are fine. To me, studies are moving on well.

I am writing to kindly request you to lend me your Oxford Advanced Learner's Dictionary for two weeks. Our teacher has asked each learner to come with one next week, and my parents are still looking for money to buy mine.

I promise to take good care of your dictionary and return it in good condition after the two weeks.

Your friend,
Michael

END
