FOREWORD

Following the Outbreak of the CoVID-19 Pandemic, Government of Uganda closed all schools and other educational institutions to minimize the spread of the coronavirus. This has affected more than 36,314 primary schools, 3129 secondary schools, 430,778 teachers and 12,777,390 learners.

The COVID-19 outbreak and subsequent closure of all has had drastically impacted on learning especially curriculum coverage, loss of interest in education and learner readiness in case schools open. This could result in massive rates of learner dropouts due to unwanted pregnancies and lack of school fees among others.

To mitigate the impact of the pandemic on the education system in Uganda, the Ministry of Education and Sports (MoES) constituted a Sector Response Taskforce (SRT) to strengthen the sector's preparedness and response measures. The SRT and National Curriculum Development Centre developed print Home- Study Materials, radio and television scripts for some selected subjects for all learners from Pre-Primary to Advanced level. The materials will enhance continued learning and learning for progression during this period of the lockdown, and will still be relevant when schools resume.

The materials focused on critical competences in all subjects in the curricula to enable the learners to achieve without the teachers' guidance. Therefore effort should be made for all learners to access and use these materials during the lockdown. Similarly, teachers are advised to get these materials in order to plan appropriately for further learning when schools resume, while parents/guardians need to ensure that their children access copies of these materials and use them appropriately.

I recognise the effort of National Curriculum Development Centre in responding to this emergency through appropriate guidance and the timely development of these home study materials. I recommend them for use by all learners during the lockdown.

Alex Kakooza

Permanent Secretary

Ministry of EDUCATION AND SPORTS

ACKNOWLEDGEMENTS

National Curriculum Development Centre (NCDC) would like to express its appreciation to all those who worked tirelessly towards the production of home-study materials for Pre-Primary, Primary and Secondary Levels of Education during the COVID-19 lockdown in Uganda.

The Centre appreciates the contribution from all those who guided the development of these materials to make sure they are of quality; Development partners - SESIL, Save the Children and UNICEF; all the Panel members of the various subjects; sister institutions - UNEB and DES for their valuable contributions.

NCDC takes the responsibility for any shortcomings that might be identified in this publication and welcomes suggestions for improvement. The comments and suggestions may be communicated to NCDC through P.O. Box 7002 Kampala or email admin@ncdc.go.ug or by visiting our website at http://ncdc.go.ug/node/13.

Grace K. Baguma
Director,
National Curriculum Development Centre

ABOUT THIS BOOKLET

Dear learner, welcome to this home-study material which has been prepared for you. The material covers content for term 1, II and III.

The content covered has been carefully written covering the different topics in the syllabus. This is an addition to what you had learnt before schools were closed due to outbreak of COVID-19. The content is arranged using simple steps for your understanding. The activities provided in each topic are organised in such a way that they will enable you to relate with your local environment.

The content is organised into lessons. Each lesson has activities and summary notes that help you to understand the concepts. Some lessons have projects that you need to carry out at home during this period. You are encouraged to work individually as you do the practical and interactive activities.

Feel free to try out all the activities in this material.

Enjoy learning

HOME-STUDY MATERIAL

PRIMARY THREE

LITERACY

OUR SUB-COUNTY/DIVISION

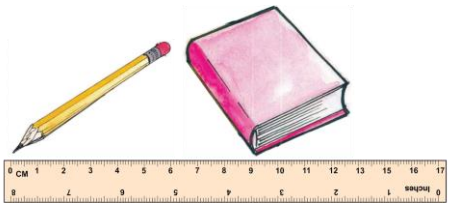

LESSON 1

Dear learner, you are welcome to this activity.
You are going to;

- read words
- draw pictures and maps.
- write words beginning with letter 'p'.
- write sentences using these words.

You will need a pencil, an exercise book and a ruler.

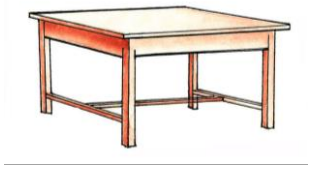

Activity 1: Read these words.

drawn	Object	Aside	map	Division
picture	Location	sub-county	parish	Village

Activity 2: Hello learner, now read and draw.

	A map of a table
	A map of a cup
	A map of a tree

Activity 3: Practice writing the words.

parish	place	people	picture

Activity 4: Write these sentences.

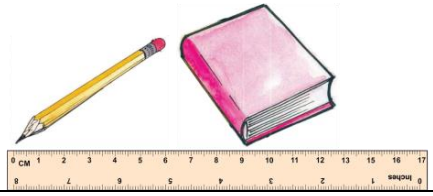

People in Muhanga parish are farmers.
Peter picked six pawpaws.

LESSON 2

Dear learner, you are welcome to this lesson
You are going to;

- give different ways of locating places.
- name landmarks used to locate places.
- Write words beginning with letter ‘s’.
- Write sentences using these words.

You will need; a pencil, an exercise book and a ruler.

Activity 1: Please read these words.

Valley	Rock	aside	map	division
picture	Location	sub-county	parish	village

Activity 2: Hello learner, please read this passage.
Jane can find her school.
She can find it using different ways.
She can use landmarks, neighbouring places and maps.
The position of the sun, shadows and a compass.

Activity 3: Name the following landmarks

Activity 4: Now, practice writing these words.

Stella	Sun	school	swamp

Practice writing these sentences.

Stella used the sun to locate her school.
Snakes stay in swamps.

Key message;
Wash your hands with soap and clean water to avoid diseases like COVID-19.

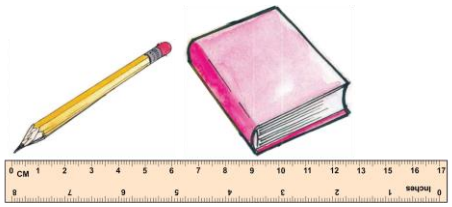

LESSON 3

Dear learner, you are welcome to this lesson.
You are going to;

- name major points of a compass.
- tell the different groups of people who use a compass.
- write words beginning with letter ‘s’.
- write given sentences correctly.

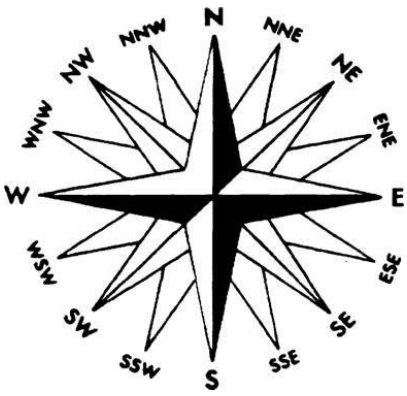

You will need; a pencil, an exercise book and a ruler.

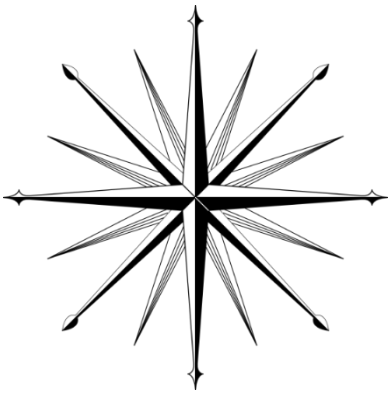

Activity 1: Hello; please read these words.

North	South	East	West
compass	Cardinal	direction	points

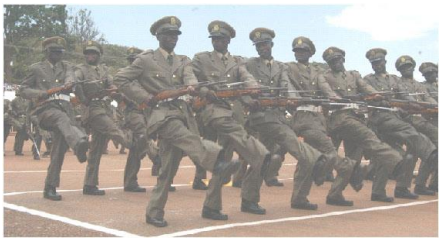

Thank you.

Activity 2: Please read the passage.
A compass is used to find direction.
It has four major points; North, South, East and West.
Sailors, soldiers, pilots and tourists use the compass.
It helps them to find direction and places.

Good! Now name the people in the picture.

Wonderful.

Activity 3:

Dear learner, please practice writing these words.

sailor	south	scout	soldier
Wow, you are wonderful.			

Activity 4: Please practice writing these sentences.

A sailor sails on water.
Steven is a serious soldier.

Key message;
Please cover yourself with a face mask to avoid COVID-19

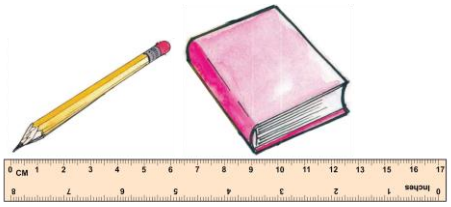

LESSON 4

Dear learner, you are most welcome for today's activity. You are going to;

* mention places on a map.
* tell the direction of the sub-county from other places.
* write words beginning with letter 'm'.
* write the given sentences.

You will need; an exercise book, a pencil, coloured pencil and a ruler for this activity.

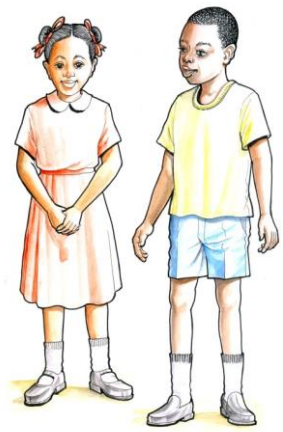

Now look at this sample map.

Activity 1: Please answer these questions.

1. Name two sub-counties on the map.
2. Which district is to the East of Kinoni sub-county?
3. Name the sub-county found to the East of Ndejja sub-county.

Activity 2: Please read the conversation.

Peter: Hello Jane, I am going to the sub-county.

Jane: What are you going to do there?

Peter: To attend a meeting. Have you forgotten?

Jane: You mean the one with sub-county chiefs?

Peter: Yes. It is today. Please hurry.

Jane: Okay. We shall meet there.

Peter: Hurry, it is good for children to attend.

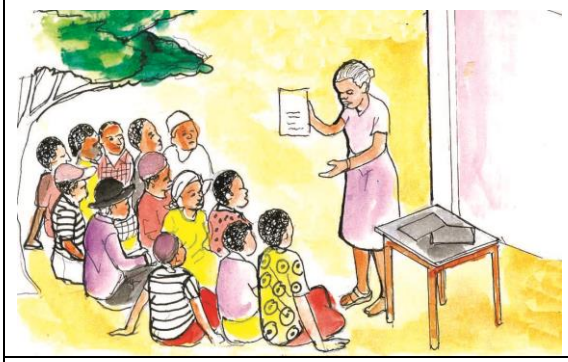

Oooh!, Thank you

Now answer these questions.

i) Name the children in the conversation.

ii) What are they going to do at the sub county?

iii) Mention any two leaders in your sub-county.

Activity 3: Dear learner, please practice writing the words

map	mountain	major	moon

Activity 4: Thank you, now practice writing these sentences.

The tourist located places on a map.
Muhavura is a mountain in Uganda.

Key message.

Avoid touching your eyes, mouth and nose with unwashed hands to chase Corona virus.

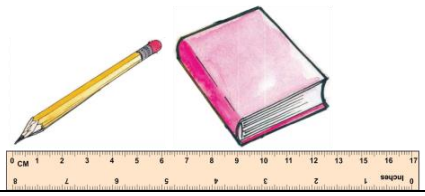

LIVELIHOOD IN OUR SUB-COUNTY.

LESSON 1

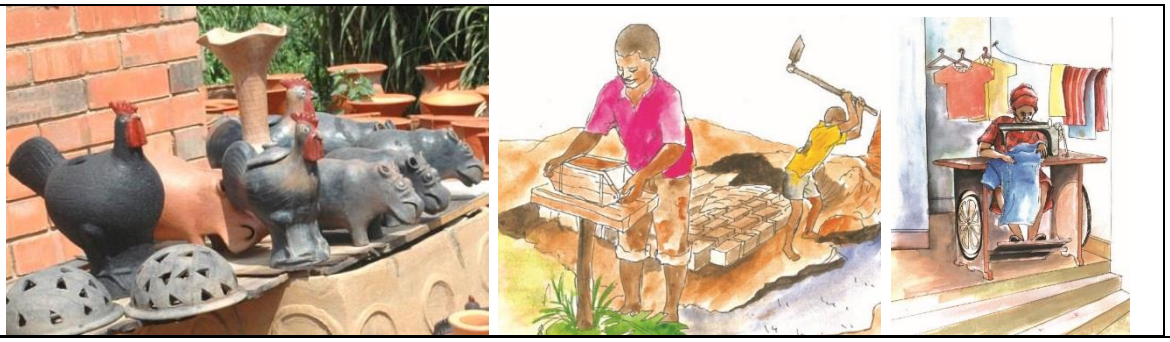

Dear learner, you are welcome to today's activity. You are going to;

- Θ mention types of work people do to get money.
- Θ mention the types of work people do in your sub-county.
- Θ write words beginning with letter 'f'
- Θ write the given sentences.

You will need a pencil, an exercise book, a ruler and colour pencils for this work.

Activity 1; Now look at the picture and answer the questions.

Dear learner, please answer these questions

1) Name the types of work shown in the picture.
2) Mention those done in your sub-county?
3) Which type is most done in your sub-county?

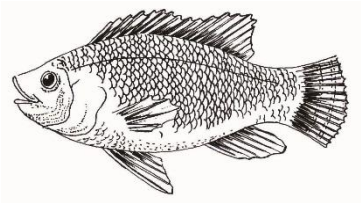

Activity 2: Mention the different types of work shown in the picture

Activity 3; Dear learner, please fill in the missing letters.

m___n___rs
ca__p__nte__s
hu__t__rs
p__lo__s
we__ders
f__rme__s
dr__ve__s
t__ad__
po__ters

Activity 4: Read and shade these picture.

Fish	Fisherman	Farmer
		

Hello learner, please match pictures to sentences

Faisal is a fisherman

Jane is a farmer

Juma is a carpenter

Key message; Stay safe, avoid shaking hands to keep Corona virus away.

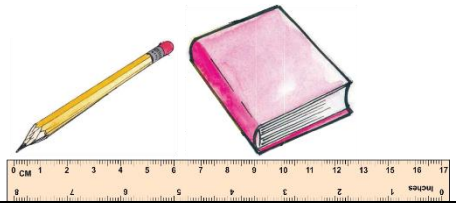

LESSON 2

Dear learner, welcome for today's activity. You are going to;

- φ Sing and give the meaning of farming and crop growing.
- φ mention the importance of farming and growing crops.
- φ mention the major crops (cash and food crops) grown in your sub-county.
- φ write words beginning with letter 'c' and the given sentences.

You will need; a pencil, an exercise book, a ruler and coloured pencils.

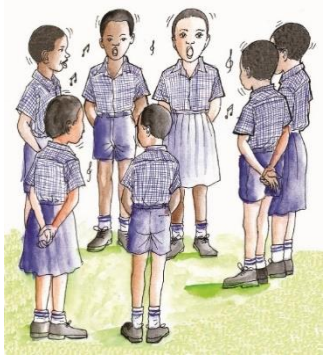

Activity 1; Dear learner, please sing this song.

Farmer, farmer, where are you?

Here I am x2 how do you do.

I need food x2 where are you?

Here I am x2 get the food.

Thank you.

Activity 2; Now Answer these questions.

1) Why are farmers good to us?
2) Name these three crops grown by farmers in your sub-county?

Activity 3; Practice writing these words and sentences.

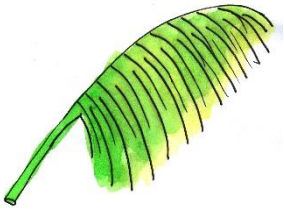

crops	cash	coffee	cotton

Now write these sentences.

Cathy makes clothes from cotton.
Collins cut the carpet with a red cutter.

Activity 4; Read this story and match as shown.

Mr. Lule is a farmer. He grows cash crops mainly for income.
He grows coffee, cotton and vanilla.
He also grows crops for food.
He grows; bananas, cassava, maize and millet.
Cotton was grown for clothes, tea for tea leaves, sugarcanes for sugar and oil palm for cooking oil.

	
	
	
	
	

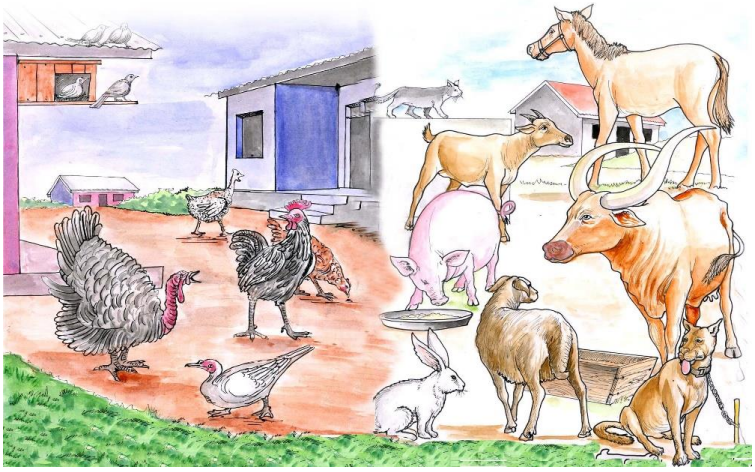

LESSON 3

Dear learner, you are welcome for today's activity. You are going to;

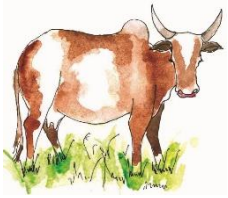

- Θ mention the animals kept at home.
- Θ give examples of products got from animals.
- Θ write words beginning with letter 'd'.
- Θ write sentences with the 'd' words

Activity 1; Dear learner, please look at these pictures.

Name the animals you see in the picture.

Activity 2; Match animals with pictures

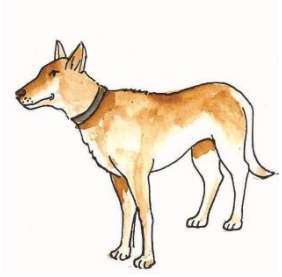

used for transport

security

skins, hides, meat, shoes, belts, bags, milk

meat

Activity 3; Now practice writing these words.

dog	donkey	domestic	drum

Activity 4: Practice writing these sentences.
Dogs are domestic animals.

Cows are good domestic animals.

Key message
Wash your hands using soap and clean water to avoid COVID-19

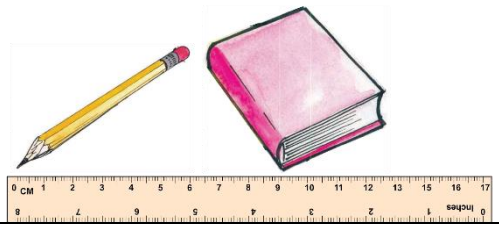

LESSON 4

Dear learner, welcome to this lesson. You are going to;

- mention different types of houses.
- name materials used for building.
- write words beginning with letter ‘b’.
- write sentences.

You will need a pencil and exercise book for this activity.

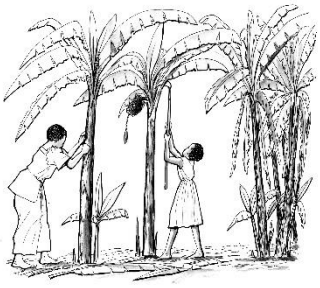

Activity 1; Sing this song.

Builder, builder x2 Where are you?
Here I am x2 how do you do?
I need sand x2 Where are you?
Here I am x2 Get the sand you want.

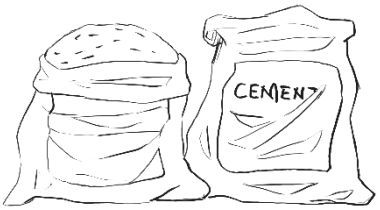

Activity 2; Hello learner, please match houses and materials

Activity 3; Practice writing these words.

bars	bricks	bungalow	building

Activity 4: Practice writing these sentences.

Bungalows are built with bricks and bars.

Building bricks and iron bars are good materials.

Key message: Stay home and stay safe from corona virus.

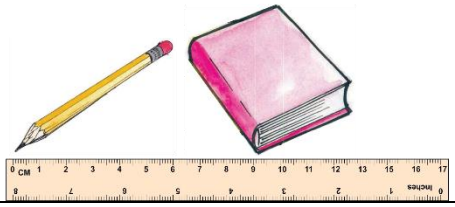

LESSON 5

Dear learner, welcome to today's lesson. You are going to;

* mention the tools used for fishing.
* mention examples of fish caught.
* write words beginning with letter 's'.
* use the words to write sentences

You will need a pencil and an exercise book for this activity.

Activity 1; Recite the rhyme about fishing.

Fishing, fishing is so good.

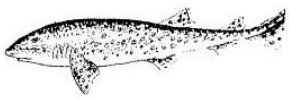

All in a river is so good.

Who will fish the fish in the river.

The fisherman will fish the fish for me.

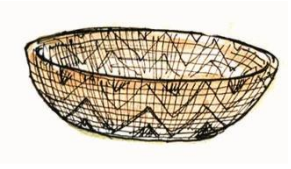

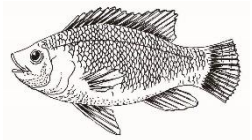

Activity 2; Name the following types of fish
Name the fishing materials

Activity 3; Now practice writing these words.

swamps	silver fish	spears	smoking	salting

Activity 4: please practice writing these sentences.

Salting keeps Silver fish safe.
Swamps are sources of fish.
Smoking keeps fish dry.

Key message:
Avoid crowds and stay at home to be safe from CoVid-19.

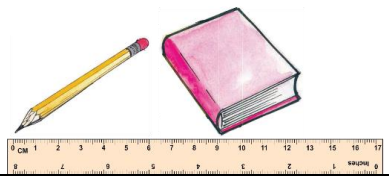

OUR ENVIRONMENT IN OUR SUB-COUNTY.

LESSON 1

Dear learner, you are welcome for today's activity. You are going to; recite a rhyme about soil.

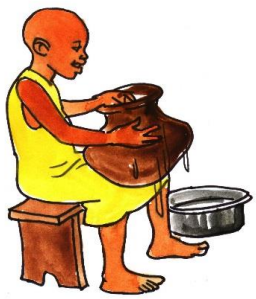

mention the things that make the soil.
write words beginning with letter 'a'.
write sentences using the words.

You will need an exercise book and a pencil for this work.

Activity 1; Now recite the rhyme.

Tontoma

Soill soil soil
You are wonderful.
For building, we run to you.
For brick making, we run to you.
Oh! What a wonderful friend you are.

Activity 2; Things that make the soil.
Many things make the soil.
Water and rubbish.
Air that animals in the soil breath.
Air that insects in the soil breath.
Mention these materials that make soil

Activity 3; Hello learner, please practice writing these words.

air	animals	ants	armyworms

Thank you.

Activity 4: Now dear learner, practice writing these sentences.

Air helps animals to breath.
Ants and worms need air to grow.

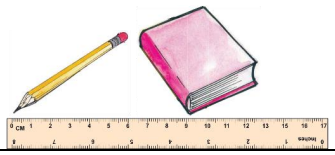

Key message: Corona virus kills. Avoid crowds and stay home.

LESSON 2

Dear learner, you are welcome for today's lesson. You are going to;

- Θ recite a rhyme about soil
- Θ mention the uses of water in the soil.
- Θ Write words beginning with letter 'w'.
- Θ Write sentences from the words.

You will need an exercise book and a pencil for this exercise.

Activity 1; Read and recite this poem.

Soil soil soil
A home for water.
A home for worms.
A home for insects.
A home for growing plants
Oh! What a wonderful friend you are!

Activity 2; Name the uses of water in the soil.

Thank you.

Activity 3; Now Practice writing these words.

ant	air	animals	armyworms

Activity 4: Please practice writing these sentences

Ants live in the soil.
Animals need air to breath and grow
Ants and armyworms live together.

Key message: Always wash your hands with clean water and soap to prevent CoVid-19.

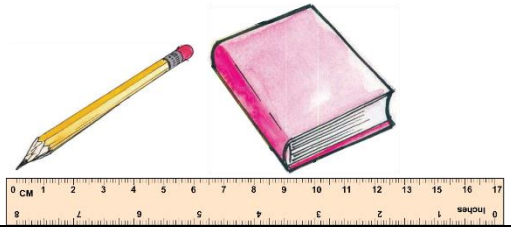

LESSON 3

Dear learner, welcome to this lesson. You are going to;

- recite a rhyme about uses of soil.
- Name the soil components.
- Write words beginning with letter 'h' correctly.
- Shade a picture

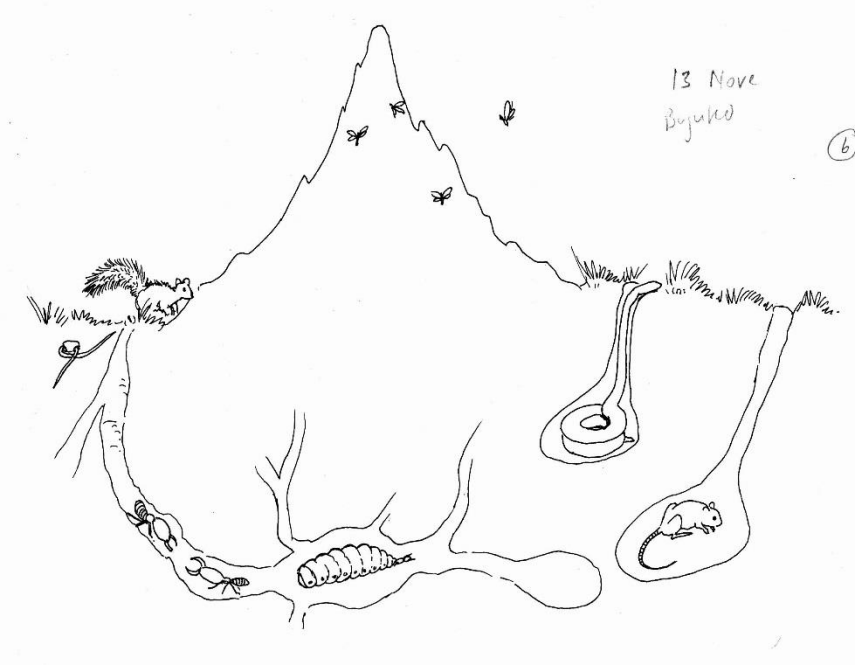

You will need an exercise book, coloured pencils and a pencil for this exercise.

Activity 1; Recite a rhyme about soil.

Soil soil soil soil
In you we plant seeds
In you we grow food
From you we get marram for roads
In you our animals hide and bathe

Activity 2; Name the soil components

Activity 3; Dear learner, copy and write these words.

humus	heap	hide	hold	help

Now read and shade this picture.

We use clay soil for making pots.

Key message

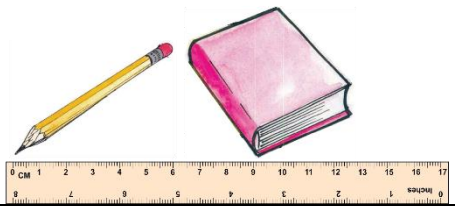

Avoid touching your eyes, nose and mouth to prevent corona virus.

OUR ENVIRONMENT AND WEATHER IN OUR SUB-COUNTY.

Dear learners, you are most welcome to today's activity. You are going to;

- recite a rhyme about air
- read a passage about air.
- write words about air.
- shade the given picture.

You will need an exercise book, a pencil and coloured pencils for this exercise.

Activity 1; Recite the rhyme.

The wind is over the ocean
The wind is over the sea
The wind is over the ocean
Oh, blow out the air (today)x2

Blow……blow……..x2
Blow the air (today)x2

Activity 2; Read the passage below.

In air are gases.
There is oxygen and carbon dioxide.
People breath in oxygen.
People breath out carbon dioxide

Activity 3; Now copy and write these words.

air	activity	aid	angry

Activity4.
Practice shading the picture.

The wind is swaying the branches.

Key message
Always wear a mask when moving out in public to protect yourself from corona virus.

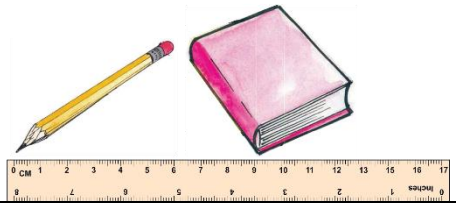

LESSON 2

Dear learner, you are welcome to today's activity. You are going to;

- recite the rhyme
- mention the uses of air
- write words beginning with letter 'b'.
- colour the given picture.

You will need a pencil, an exercise book and coloured pencils for this activity.

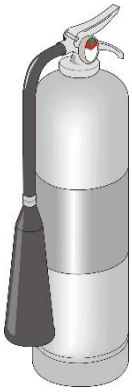

Activity 1;
Hello learner, please recite the rhyme.

Woo…. Woo…., woo,,,.. the air moves.
Look at the swaying, the tree branches.
Woo, woo, woo, It is a strong wind.

Good.

Activity 2; Now read the following passage about air.

There is oxygen in the air.

Oxygen is used in breathing.

It is used in burning of materials.

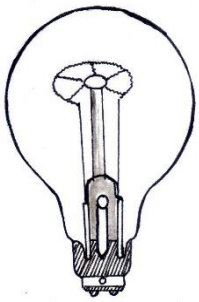

Carbon dioxide is used in stopping burning fire.

Wonderful!!

Activity 3: Please practice Writing the following words.

burning	breathing	bulbs
This is great.		

Activity4: Now shade the picture.

Key message

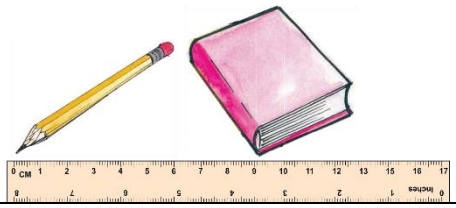

Stay home and stay safe from corona virus.

LESSON 3

Dear learner, welcome to this lesson. You are going to;

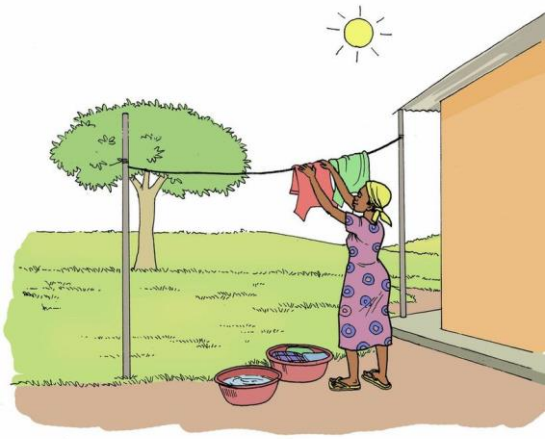

- ✓ recite a rhyme about wind.
- ✓ mention the uses of wind to people.
- ✓ write words beginning with letter ‘w’ correctly.
- ✓ shade the given picture.

You will need a pencil, an exercise book and coloured pencils for this work.

Activity 1; Hello learner, recite the rhyme .

Oh! The wind.
You move things like kites.
You dry our clothes.
You are good.
You are sometimes bad.
You blow off the roofs of our houses.

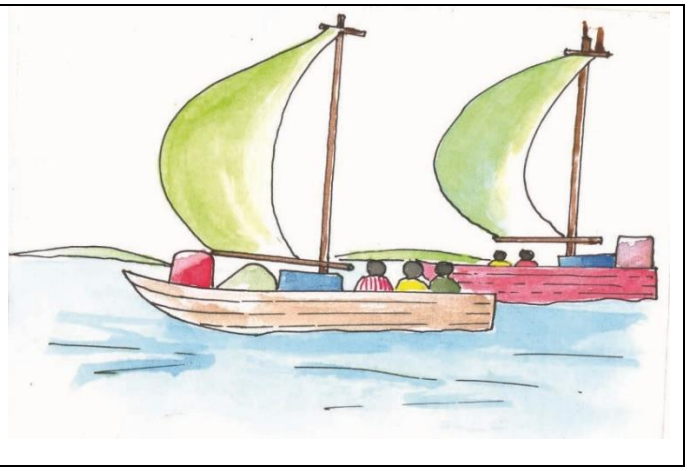

Activity 2; Read the passage about wind.

Wind is moving air in the atmosphere. It is used in the following ways;

- It is used in winnowing.

Thank you dear.

Activity 3; Now practice writing these words.

wind	winnowing	water	air
You are good.			

Activity 4: Please shade the pictures

Key message

Avoid touching your mouth, nose and eyes with unwashed hands.

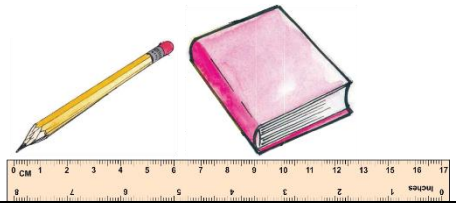

LESSON 4

Dear learner, welcome to today's activity. You are going to;

* mention the uses of the sun.
* shadows, how they are formed and their use.
* write words beginning with letter 's'.
* shade the given picture.

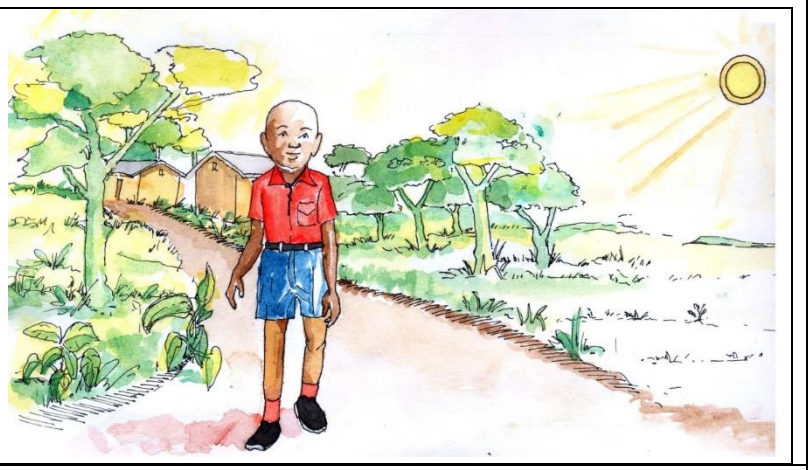

You need a pencil, an exercise book and coloured pencils for this work.

Activity 1: Hello learner, please mention the uses of the sun.

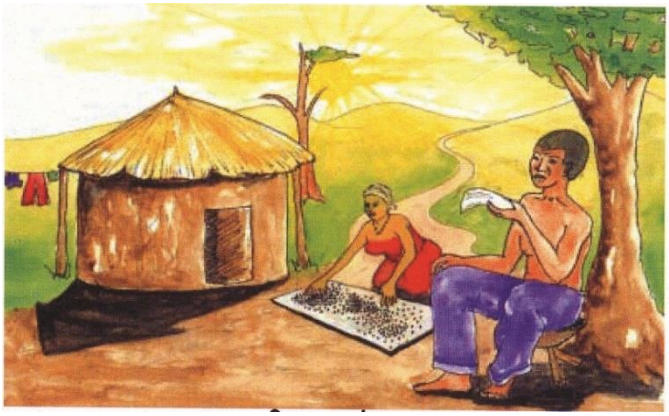

Activity 2; Read the passage below about the sun.

The sun is good.

It rises from the East.

It sets in the West.

Sunlight forms shadows of where we sit and rest.

Activity 3: Use the table below to form correct words.

h	v	a	d	t
m	e	r	s	w
l	o	a	n	i
e	u	t	b	j
n	g	o	o	c

i) morning

ii) .....

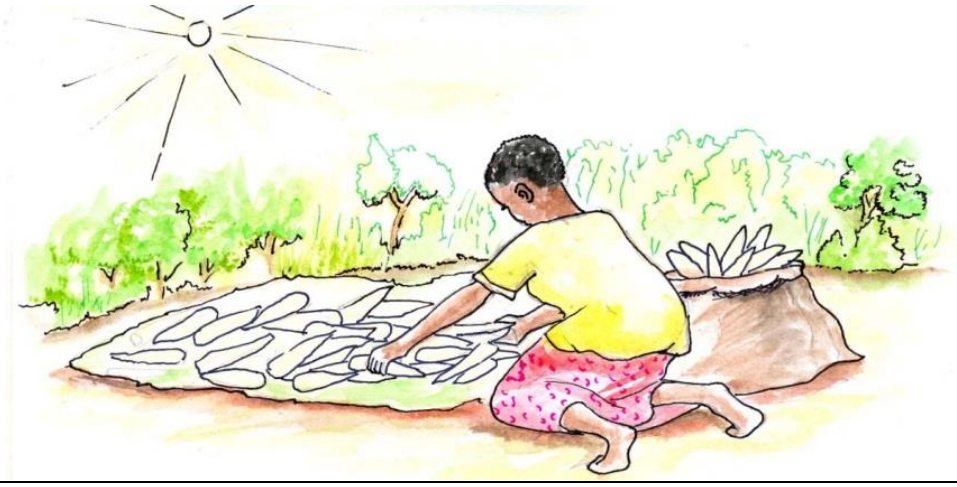

iii) .....

iv) .....

v) .....

Activity 4: Please shade the picture

The sun dries crops.

Key message

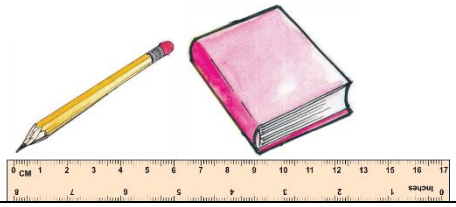

Wash hands with clean water and soap to prevent corona virus.

LESSON 6

Dear learner, you are welcome for this activity. You are going to;

- ✓ give the different sources of water.
- ✓ mention the uses of water.
- ✓ write words beginning with letter ‘w’.
- ✓ shade the drawn picture.

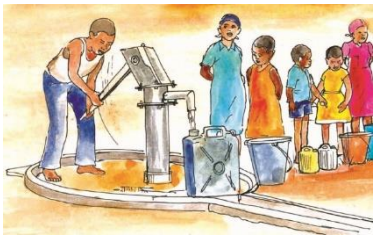

You will need a pencil, an exercise book and coloured pencils.

Activity 1; Dear learner, match pictures to words.

taps

lake

swamps

boreholes

Activity 2; Mention the uses of water in the picture.

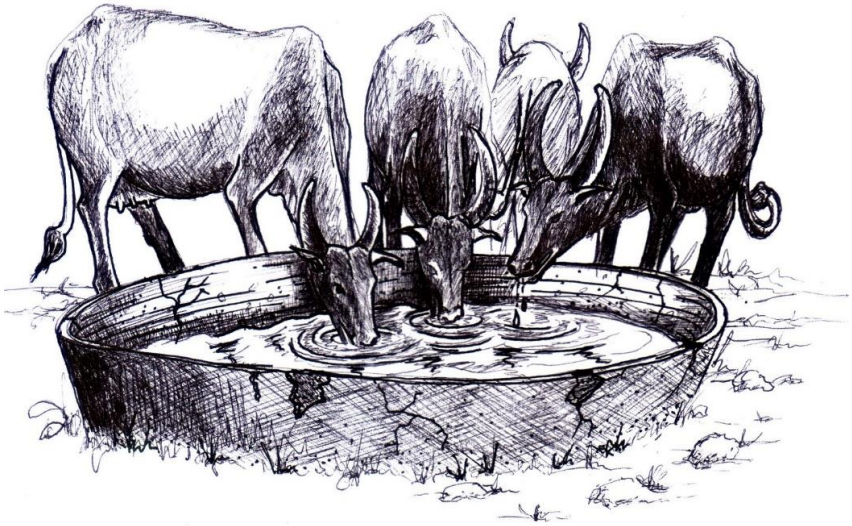

Wonderful.

Activity 3; Now practice writing these words.

water	wells	wet	weak	wind
Thank you.				

Activity4: Please shade the pictures.

Water is used by animals for drinking

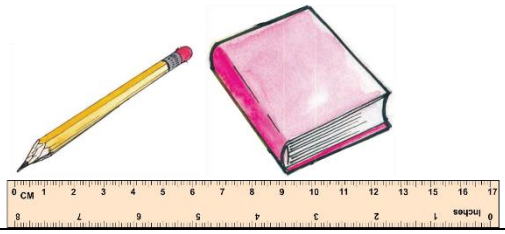

Key message: Remember to wear a mask when moving out in public.

LESSON SEVEN.

You will need a pencil and an exercise book for this work.

Activity 1: Dear learner, Please recite this rhyme.

Rain rain go away
Come again another day
Little children want to play
They want the sun to stay.
Rain rain go away.
Good.

Activity 2: Now read these sentences.

The sun makes water warm.
The water vapour goes up the sky.
It forms clouds.
The clouds make rain.

Thank you,

Activity3: Please practice writing words starting with letter 'c'

Clouds comes children colour

Activity 4: Now dear child, practice writing these.

Children saw clouds.
The clouds were of a dark colour.
From dark colour clouds comes rain.

Thank you,
You are wonderful.

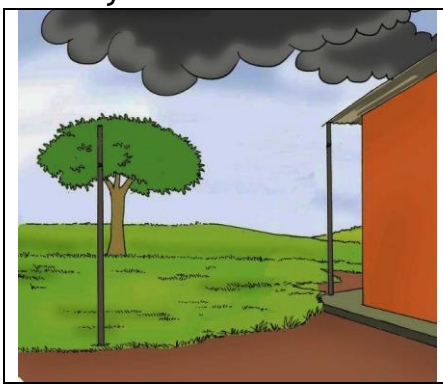

Key message: Always wear a mask when moving out in public.

LESSON EIGHT.

Dear learner, welcome to today's lesson. You are going to;

* mention different types of clouds.
* give the uses of clouds.
* Match words with pictures
* Write sentences using the words

Activity 1: Read the riddle.

I live in the sky
On a sunny day
I am light and white
Before it rains
I am dark and heavy.
Who am I?

Activity 2: Read the following sentences.

Clouds are found in the sky.
They are our shade from the sun.
They give us rain
There are four types of clouds.

.

Cirrus clouds are like feathers in the sky.	Cumulus clouds look like cotton.
	 

Nimbus clouds bring rain.	Stratus clouds show fine weather
	

Activity 3: Match the following clouds to their appearance.

Dark 

Cotton piles 

Feathers 

Activity 4: Please practice Writing the sentences.

Cumulus clouds look like cotton.
Cirrus clouds are like feathers in the sky
Nimbus clouds bring rain

Key message
Avoid touching your eyes, nose and mouth with unwashed hands.

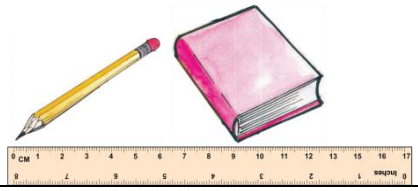

LESSON NINE.

Dear learner, welcome to this session. You are going to;

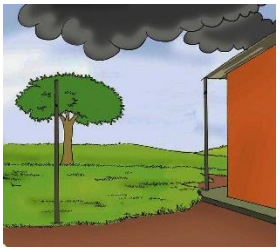

- Θ read the types of weather.
- Θ Name the types of weather.
- Θ Write words starting with letter 'w'
- Θ Write sentences with the words

You will need a pencil, an exercise book and coloured pencils for this exercise.

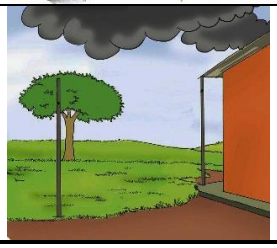

Activity 1: Read these words below.

Rainy	Cloudy	Windy	Sunny
			

Activity 2: Name the types of weather.

	_____
	_____
	_____
	_____

Activity 4: Please practice writing the sentences.
The wind helped mother when she was winnowing.

The weather today is windy

Key message
Always wear a mask when moving out in public.

LESSON TEN.

Dear learner, you are most welcome to this lesson. You are going to;

* Recite a poem about rain.
* mention the importance of rain.
* give the dangers of rain.
* draw and shade pictures.

Activity 1: Read the poem below.

Oh! Mighty rain

From the dark sky

You come like drops of water

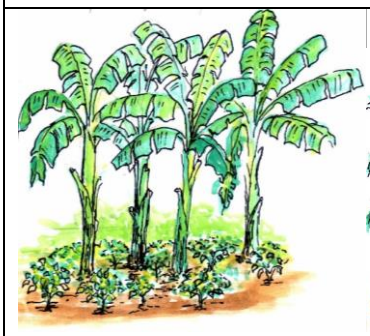

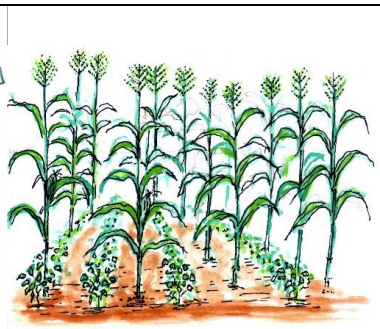

People need you to grow

Plants need you to grow

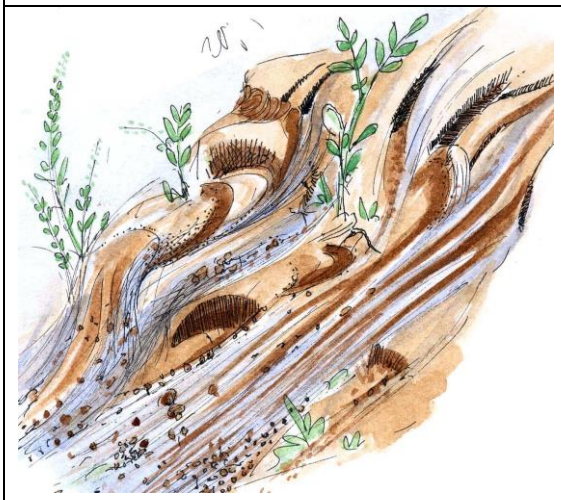

Oh! The mighty rain.

Activity 2: Read the following sentences.

Rain gives us water to use at home.	Rain makes the soil soft to dig.
	
It provides water for crops to grow.	
 	

Activity 3: Give the dangers of rain.

Rain causes soil erosion.	Rain sometimes kills animals in the environment.
	

Activity 4: Please practice writing these sentences

Rain falls and fills rivers.

Roses grow well when there is rain.

Key message

Always wash your hands with water and soap.

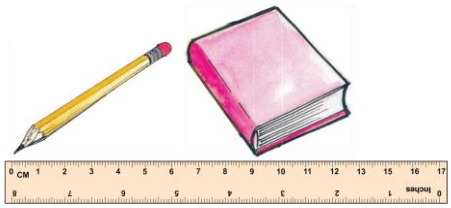

LESSON ELEVEN

Dear learner, welcome to this session. You are going to;

- name the sources of water.
- Mention ways of keeping water.
- write words starting with letter ‘s’
- write sentences with the words.

You need a pencil, exercise book and coloured pencils for this work.

Activity 1: Read the poem below.

Water water water
You come as rain
We collect you from lakes, rivers, seas and oceans
You are our friend.

Activity 2: Recite a rhyme about water storage

Water water water
We store you in drums
We store you in tanks
Plastic, metallic and underground, concrete.
Water water water
We need you for life!

Activity 3: Please practice writing these words

Sea	storage	store	source

Activity 4: Now practice writing these sentences.

A sea is a source of water.
A tank is a storage of water.
Stored water in the drums.

Thank you!

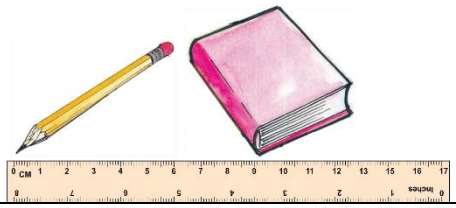

Key message
Always wear a mask when moving out in public.

LESSON TWELVE.

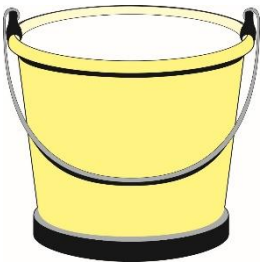

Dear learner, you are welcome to this lesson. You are going to;

- ❖ Mention the ways water sources can get dirty.
- ❖ Mention ways of cleaning water sources.
- ❖ Write words starting with letter ‘d’.
- ❖ Write sentences using the words.

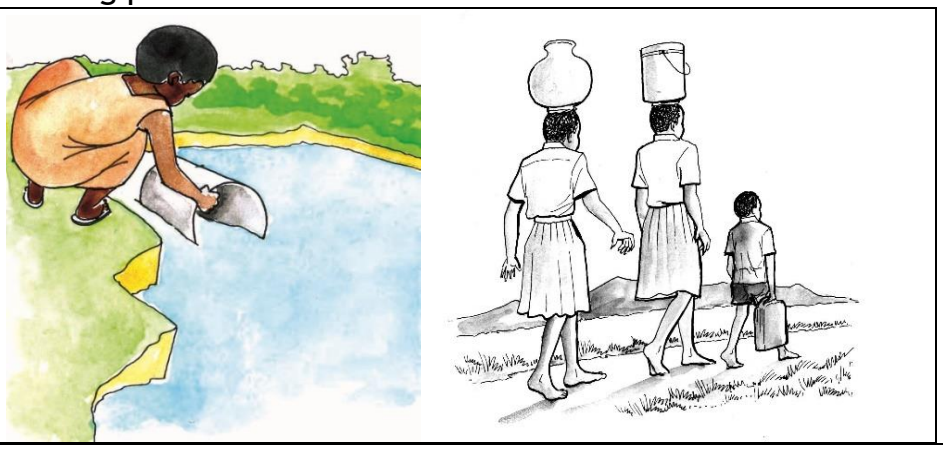

You will need a pencil, exercise book and coloured pencils for this exercise.

Activity 1: Recite the rhyme below.

Water in bottles Water in pans Water in kettles Water in cans All is water.		

Shade the following picture.

Copy and shade the following pattern.

A pattern of letter d.
A pattern of letter d.

Key message

Always wear a face mask when moving out in public.

LIVING THINGS; ANIMALS IN OUR SUB-COUNTY.

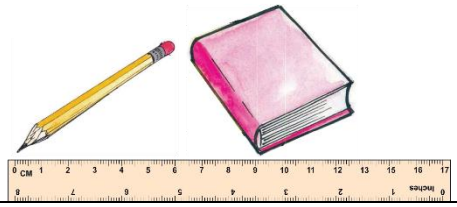

LESSON ONE.

Dear learner, welcome to this lesson. You are going to;

- Mention what is in the picture
- name examples of living and non-living things.
- write words using letters in the box
- write sentences using the words.

You will need a pencil, an exercise book and colour pencils for this exercise.

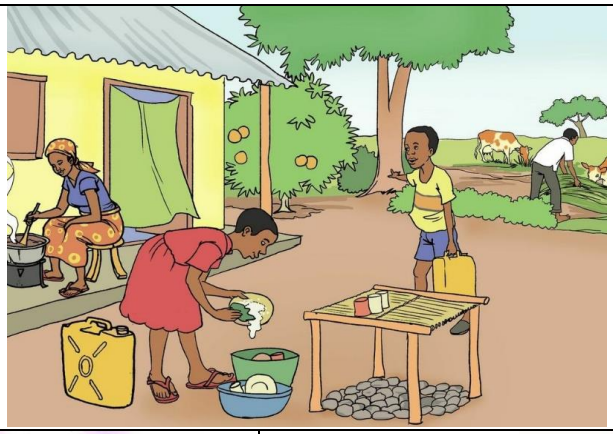

Activity 1: mention what is in the picture.

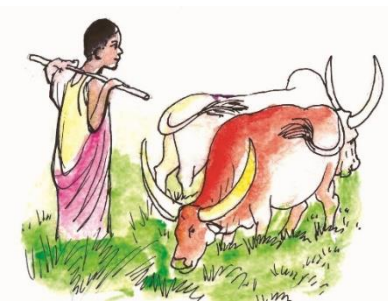

- Activity 2: Name examples of living and non-living things.

Activity 3: Now form words using this table.

s	g	l	k
w	o	c	a
r	s	i	r
e	a	t	l

i) glass
ii) _____
iii) _____
iv) _____
v) _____
vi) _____

Activity 4: Practice writing words starting with letter 'a'

Ants arrow	animals	axe

Key message
Stay home and stay safe from corona virus.

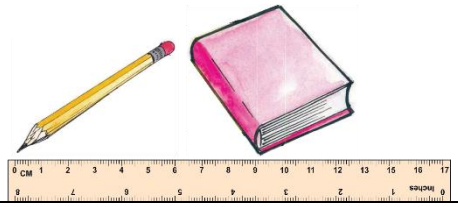

LESSON TWO.

Dear learner, you are welcome to this lesson. You are going to;

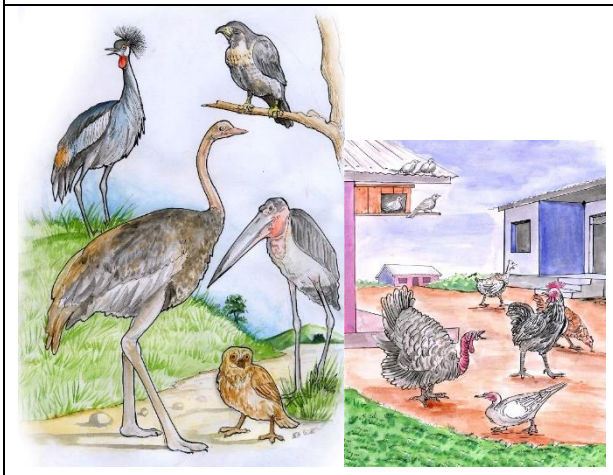

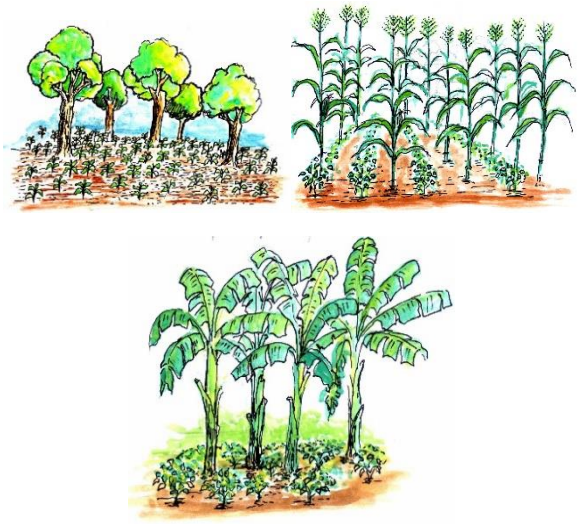

- read words showing different classes of living things.
- Read sentences about characteristics of living things.
- shade pictures of non-living things.
- draw pictures of living and non-living things.

You will need an exercise book, a pencil and coloured pencils for this exercise.

Activity 1: Read these words.

Birds	Animals
	
Plants	**Insects**
	

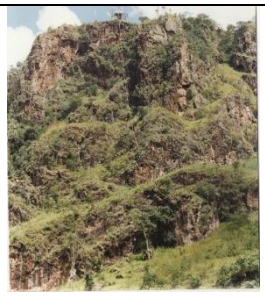

Activity 2: Read the following sentences.
Living things feed, move, breathe, respond to stimuli, reproduce and excrete.

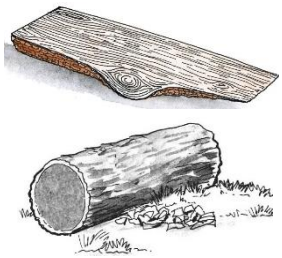

Activity 3: Shade pictures of non-living things.
Non-living things don't feed, move, breathe, reproduce nor excrete.

Key message
Always wear a mask when moving out in public.

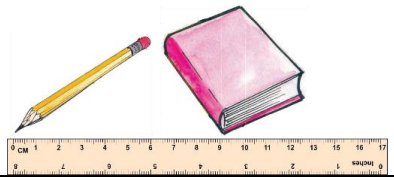

LESSON THREE.

Dear learner, you are welcome for this lesson. You are going to;

* give names of insects.
* read given sentences.
* Shade the given pictures.
* Write the sentences

You need a pencil, an exercise and coloured pencils for this work.

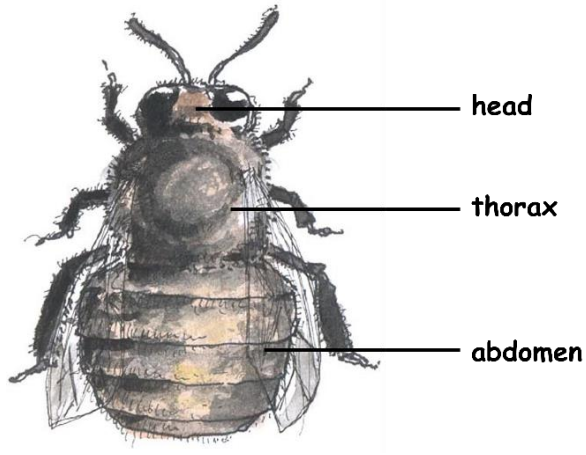

Activity 1: Name the insects you see in this picture.

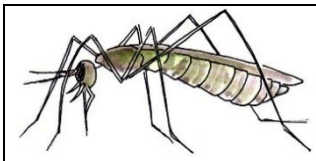

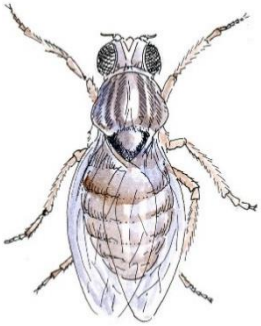

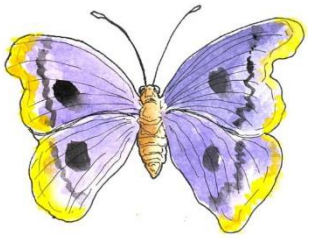

Activity 2: Read the following sentences.

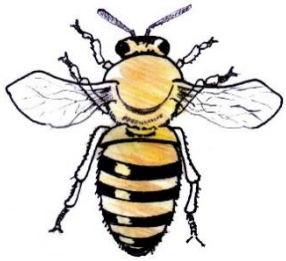

Insects are examples of living things.
They have six legs and three main body parts.

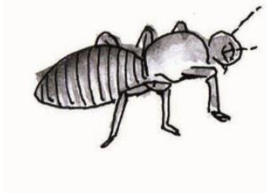

Common insects include mosquitoes, houseflies, butterflies, wasps.

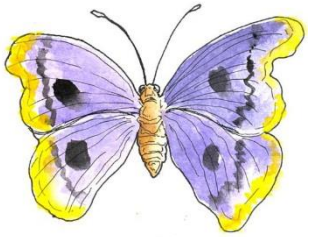

Bees, grasshoppers, locusts, white ants.

Activity 3: Shade the following pictures.

Activity 4: Practice writing the words.

Butterfly bench	bee	book

Key message

CoVid-19 is a dangerous disease and kills. Stay home and stay safe from corona virus.

LESSON FOUR.

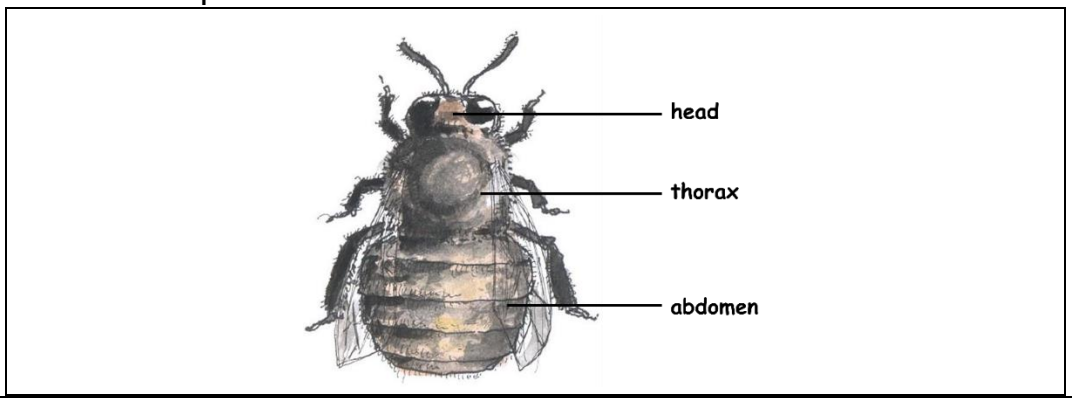

Dear learner, welcome to this lesson. You are going to;

* give the characteristics of insects.
* name the parts of the insects labelled .
* circle and shade the ones without wings.
* write words using letter ‘t’

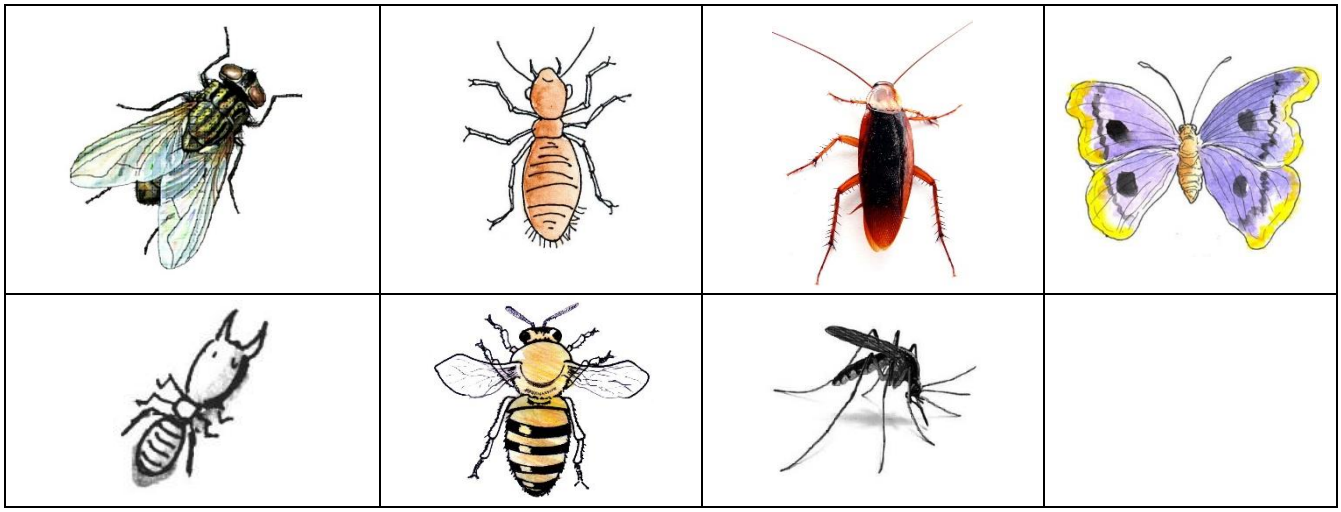

Activity 1: Read the following words.

Head thorax abdomen wings

Activity 2: Name the parts of the insect.

Activity 3: Circle and shade the ones without wings.

Activity 4: Copy and write the following words.

Thorax termite take tell

Key message

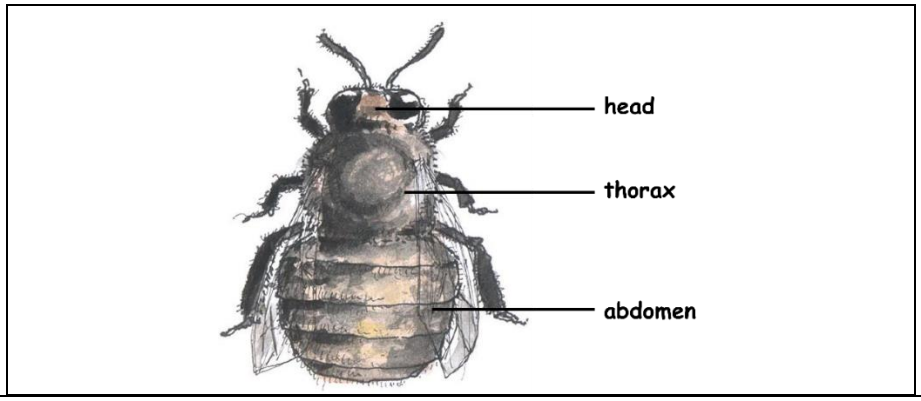

Always wear a face mask when moving out in public.

LESSON FIVE.

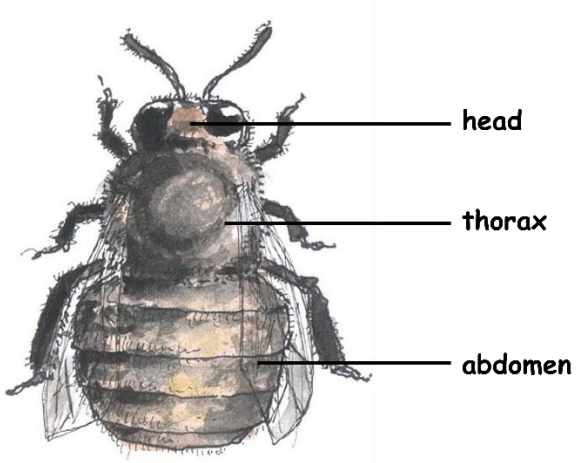

Dear learner, you are welcome to today's activity. You're going to;

- ❖ mention the parts of the insect labelled.
- ❖ mention the uses of the parts.
- ❖ match pictures to sentences
- ❖ write words that start with letter 'a'.

Activity 1: Look at the following picture and mention the parts labelled.

Activity 2: Mention the uses of the parts labelled

Wings for flying

Compound eye for seeing.

Antenna for feeling

Legs for walking.

Activity 4: Practice writing words starting with letter 'a'

Ant	abdomen	animal	armyworm

Key message:
Avoid playing near flooded rivers, lakes and if you are going to swim, please first get permission from your parents.
Stay home, stay safe

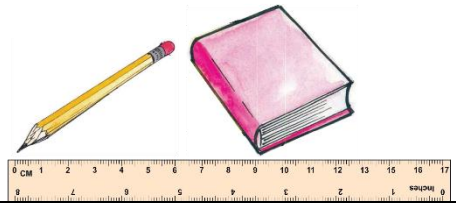

LESSON SIX.

Dear learner, you are welcome to this activity. You are going to;

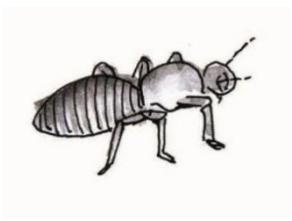

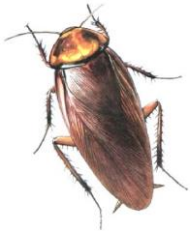

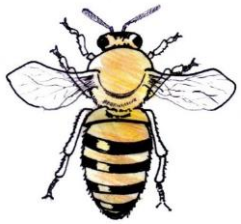

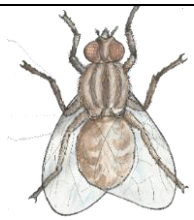

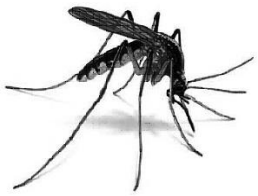

- name types of insects.
- match pictures of insects to what they do to us.
- Write words beginning with letter ‘m’.
- Write sentences using the words.

You need a pencil, an exercise book and coloured pencils for this work.

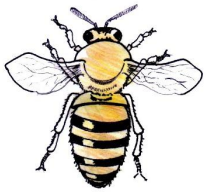

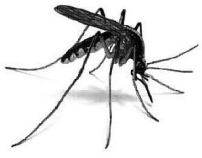

Activity 1: Name the insects in the picture.

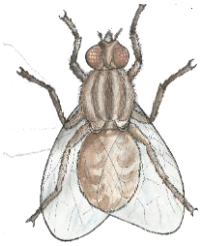

Activity 2: Match pictures to sentences

bites people and makes them sick

puts germs on peoples food and causes diarrhoea

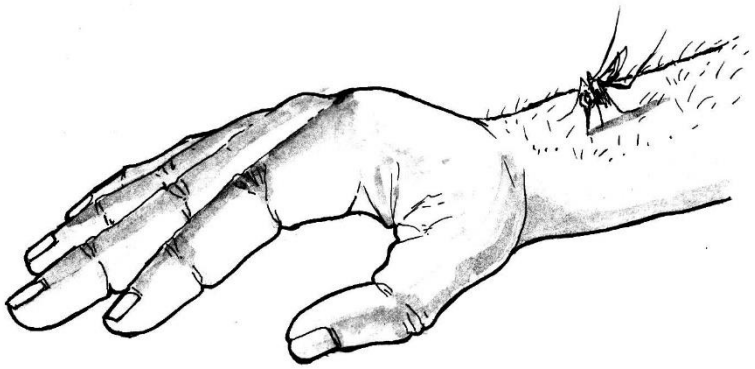

Stings and makes people feel pain

Activity 3: Practice writing the following words

Mosquito	malaria	maggots	make

Activity 4: Now children, practice writing the following sentences.
Mosquitoes spread malaria.
Malaria makes people weak.

Key message
Always wear a face mask when moving out in public.

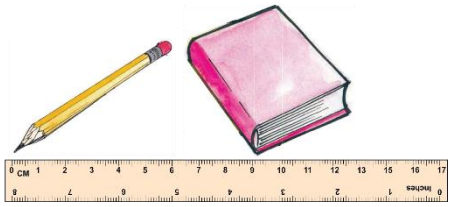

LESSON SEVEN.

Dear learner, you are welcome to this lesson. You are going to;

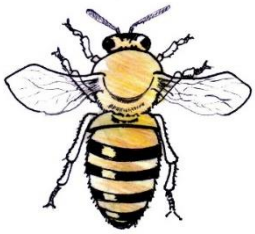

- ❖ name examples of useful insects.
- ❖ mention the importance of insects.
- ❖ write words beginning with letter ‘b.
- ❖ write sentences using the words.

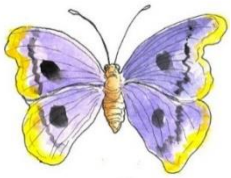

You will need a pencil, an exercise book and coloured pencils for this book.

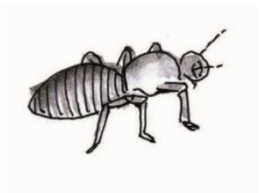

Activity 1; Name the useful insects in the picture.

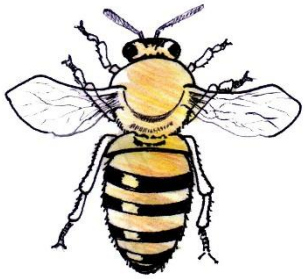

Activity 2; Match the insects to their uses.

We eat it as food.

It makes honey for us.

Activity 3; That was good. Now practice writing these words.

bees	butterfly	book	blue
You are wonderful.			

Activity 4: Now dear learner, practice writing these sentences.
The bees are in the blue book.
A butterfly and a bee are in the house.
Draw a picture of a house
Draw a picture of a book
Draw pictures of bees and a butterfly.

Key message
Avoid touching your nose, eyes and mouth with unwashed hands.
Stay home, stay safe

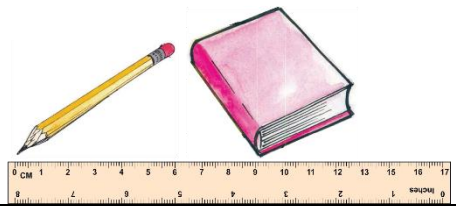

LESSON EIGHT.

Dear learner, you are welcome to this session. You are going to;

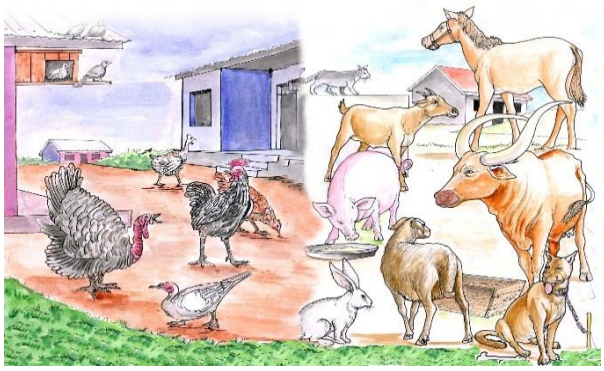

- Θ mention the animals in the picture.
- Θ mention the types of animals.
- Θ write words beginning with letter ‘g’.
- Θ write sentences using the words.

You will need an exercise book, pencil and coloured pencils for this exercise.
