OUR PROMISE: AN EXCELLENT FIRST GRADE AND EXCELLENT CHARACTER FOR EVERY PUPIL

TOPICAL BREAKDOWN – PRIMARY SIX -- 2026

THEME/TOPIC	SESSION	COMPETENCES	RELATED THEMES IN THEMATIC
TERM 1 **THEME: THE WORLD OF LIVING THINGS** **TOPIC 1: CLASSIFICATION OF ANIMALS**			
	1	❖ Characteristics of living things ❖ Characteristics of animals ❖ Factors considered when classifying animals ❖ Groups of animals Chart showing groups of animals	**THEME: OUR ENVIRONMENT P.2** **LIVING THINGS (ANIMALS IN OUR SUB-COUNTY/DIVISION) P.3**
	2	❖ Meaning of vertebrates ❖ Characteristics of vertebrates ❖ Groups of vertebrates ❖ Characteristics of birds ❖ Structure of a bird	
	3	❖ Groups of birds ❖ Birds of prey ❖ Scavenger birds ❖ Perching birds	

REAL SCHOOLS

	4	❖ Climbing birds ❖ Swimming birds ❖ Scratching birds ❖ Wading birds ❖ Flightless birds	
	5	❖ Mammals (characteristics of mammals) ❖ Groups of mammals ❖ Primates ❖ Egg laying mammals ❖ Rodents	
	6	❖ Pouched mammals ❖ Flesh eating mammals ❖ Flying mammals ❖ Sea mammals	
	7	❖ Ungulates ❖ Insectivores ❖ Adaptations of mammals to weather conditions	
	8	❖ Importance of mammals to man ❖ Groups of cold-blooded vertebrates ❖ Characteristics of reptiles ❖ Groups of reptiles ❖ Characteristics of snakes ❖ Classification of snakes ❖ Importance of snakes to man. ❖ Groups of lizards	
		❖ Amphibians	

REAL SCHOOLS

	9	❖ Characteristics of amphibians ❖ Examples of amphibians ❖ Differences between a toad and a frog ❖ Adaptations of amphibians to their way of living	
	10	❖ Fish ❖ Characteristics of fish ❖ Structure of a fish	
	11	❖ Meaning of invertebrates ❖ Characteristics of invertebrates ❖ Groups of invertebrates ❖ *Arthropods*	
	12	❖ Molluscs ❖ Sponges ❖ Coelenterates ❖ Echinoderms ❖ worms	
THEME: MATTER AND ENERGY **TOPIC 2: SOUND ENERGY**			
	13	❖ meaning of sound ❖ properties of sound ❖ experiments on production of sound ❖ How living things produce sound ❖ types of sound ❖ uses of sound to msn ❖ sources of sound	**HUMAN BODY AND HEALTH.** **P.2** **THINGS WE MAKE** **P.2**

READSCHOOLS

	14	❖ musical instruments ❖ groups of musical instruments ❖ percussion instruments ❖ wind instruments ❖ string instruments	
	15	❖ How does sound travel ❖ Speed of sound ❖ Factors that affect the speed of sound ❖ Echoes ❖ Advantages and disadvantages of echoes ❖ Ways of reducing effects of echoes ❖ Calculations on echoes	
	16	❖ Volume of sound ❖ Frequency of sound ❖ Pitch of sound ❖ Factors affecting pitch of sound ❖ Ways of storing sound ❖ Devices used to store sound ❖ Ways of reproducing stored sound	
	17	❖ The human ear ❖ Structure of the human ear ❖ Regions of the human ear	

REALSCHOOLS

		❖ Diseases and disorders of the human ear ❖ Ways of caring for the human ear	
THEME: HUMAN BODY **TOPIC 3: CIRCULATORY SYSTEM**			
	18	❖ Meaning of blood circulation ❖ Parts of circulatory system ❖ The human heart ❖ Parts of the human heart ❖ Process of blood circulation	**HUMAN BODY AND HEALTH** **P.2** **HEALTH IN OUR SUB-COUNTY/DIVISION** **P.3**
	19	❖ Blood ❖ Components of blood ❖ White blood cells ❖ Red blood cells ❖ Blood plasma ❖ Blood platelets	
	20	❖ Blood vessels ❖ Arteries ❖ Veins ❖ Blood capillaries	
	21	❖ Disorders of the circulatory system ❖ Diseases of the circulatory system	
THEME: HUMAN HEALTH **TOPIC 4: ALCOHOL, SMOKING AND DRUGS IN THE SOCIETY**			
	22	❖ Meaning of alcohol ❖ Types of alcohol ❖ Methods of producing alcohol	**HUMAN BODY AND HEALTH** **P.2**

REAL SCHOOLS

		❖ Examples of fermented alcohol ❖ Examples of distilled alcohol ❖ Uses of alcohol in the society	
	23	❖ Alcoholism ❖ Factors that lead to alcoholism ❖ Reasons for drinking alcohol ❖ Effects of alcoholism ❖ Life skills that safe guard people against alcoholism	
	24	❖ Meaning of smoking ❖ Commonly smoked drugs ❖ Components of tobacco ❖ Types of smoking ❖ Reasons for smoking ❖ Effects of smoking	
	25	❖ Examples of essential drugs ❖ Qualities of essential drugs ❖ Classes of essential drugs ❖ Types of essential drugs	
		❖ Meaning of drug prescription ❖ Factors considered when prescribing drugs ❖ Importance of drug prescription ❖ Drug misuse	

REAL SCHOOLS

	26	❖ Dangers of buying drugs from shops ❖ Effects of drug misuse ❖ Ways of storing drugs	
	27	❖ Meaning of drug of dependency ❖ Examples of narcotic drugs ❖ Factors that lead tom drug of dependency ❖ Effects of drug of dependency ❖ Drug abuse ❖ Examples of commonly abused drugs ❖ Effects of drug abuse	
TERM II **THEME: THE WORLD OF LIVING THINGS** **TOPIC 5: CLASSIFICATION OF PLANTS**			
	1	❖ Characteristics of plants ❖ Classification of plants ❖ Flowering plants ❖ Parts of a flowering plant ❖ Roots ❖ Types of roots ❖ Importance of roots to a plant	**LIVING THINGS: PLANTS IN OUR SUB COUNTY /DIVISION P.3** **OUR ENVIRONMENT.** **P.2**
		❖ Stems ❖ Types of stems ❖ Importance of stems	

READ SCHOOLS

	2	❖ Types of leaves ❖ Uses of leaves	
	3	❖ Classes of flowering plants ❖ Examples of monocots ❖ Examples of dicots ❖ Cereals ❖ Uses of cereals ❖ Legumes ❖ Uses of legumes ❖ Differences between monocots and dicots	
	4	❖ Groups of nonflowering plants ❖ Examples of spore bearing plants ❖ Mosses ❖ Ferns ❖ Liverworts ❖ Conifers ❖ algae	
	5	❖ plant propagation ❖ types of plant propagation ❖ Seed propagation ❖ Examples of plants propagated by seed ❖ A maize grain ❖ Parts of a maize grain	
	6	❖ Parts of a bean seed ❖ Types of germination ❖ Conditions necessary for germination	

REAL SCHOOLS

		❖ Seed dormancy causes of seed dormancy. ❖ Ways of preventing seed dormancy	
	7	❖ Vegetative propagation ❖ Types of vegetative propagation ❖ Methods of natural vegetative propagation ❖ Using rhizomes ❖ Using corms ❖ Using bulbs	
	8	❖ Using suckers ❖ Using stem tubers ❖ Using stolons ❖ Using root tubers ❖ Using leaves	
	9	❖ Methods of artificial vegetative propagation ❖ Grafting ❖ Layering ❖ Marcotting ❖ Budding ❖ Stem cuttings ❖ Advantages of vegetative propagation	
	10	❖ Fruit and seed dispersal ❖ Agents of seed dispersal ❖ Types of seed dispersal ❖ Animal dispersal ❖ Characteristics of animal seed dispersal	

REAL SCHOOLS

		❖ Examples of animal seed dispersal	
	11	❖ Wind seed dispersal ❖ Characteristics of wind seed dispersal ❖ Examples ❖ Adaptations of wind seed dispersal ❖ Water seed dispersal ❖ Self seed dispersal ❖ Importance of fruit and seed dispersal	
	12	❖ Characteristics of fruits ❖ Types of fruits ❖ Groups of succulent fruits ❖ Berries ❖ Drupes ❖ Groups of dry fruits	
THEME: SCIENCE IN HUMAN ACTIVITY AND OCCUPATION **TOPIC 6: KEEPING CATTLE**			
	13	❖ Importance of rearing cattle ❖ Parts of a cow ❖ Types of cattle ❖ Dairy cattle ❖ Characteristics of dairy cattle ❖ Examples of dairy cattle ❖ Beef cattle ❖ Examples of beef cattle ❖ Characteristics of beef cattle	**LIVING THINGS: ANIMALS IN OUR SUB-COUNTY/ DIVISION** **P.3** **OUR ENVIRONMENT** **P.3**
		❖ Difference between dairy and beef cattle	

REAL SCHOOLS

	14	❖ Dual purpose cattle ❖ Work type cattle ❖ Breeds of cattle ❖ local breeds of cattle ❖ Features of local breeds of cattle	
	14	❖ Exotic breeds of cattle ❖ Characteristics of exotic breeds of cattle ❖ Differences between local and exotic breeds of cattle ❖ Crossbreeds ❖ Reasons for crossbreeding ❖ Meaning of breeding ❖ Types of breeding in cattle management	
	15	❖ Reproduction in cattle ❖ Parts of reproductive system of a cow ❖ Parts of reproductive system of a bull	
		❖ Meaning of heat period ❖ Signs of a cow on heat ❖ Mating in cattle ❖ Meaning of insemination ❖ Types of insemination	

REAL SCHOOLS

	16	❖ Advantages and disadvantages of natural and artificial insemination	
	17	❖ Fertilization in cattle ❖ Male and female reproductive cells ❖ Parts of developing foetus in the uterus ❖ Gestation period of a cow ❖ Signs of pregnancy in cattle	
	18	❖ Dry period in cattle ❖ Signs of calving ❖ Feeding a calf ❖ Importance of colostrum ❖ Methods of feeding a calf ❖ Reasons for weaning calves ❖ Milk products ❖ Methods of preserving milk	
	19	❖ Grazing and feeding in cattle ❖ Types of cattle feeds ❖ Meaning of pasture ❖ Types of cattle pasture ❖ Importance of pasture ❖ Storage cattle feeds ❖ Parts of digestive system of a cow	

REAL SCHOOLS

	20	❖ Methods of grazing cattle ❖ Rotational grazing ❖ Paddocking system ❖ Advantages and disadvantages of paddocking system ❖ Strip grazing ❖ tethering system of grazing	
	21	❖ Herding system of grazing ❖ Advantages and disadvantages of herding ❖ Zero grazing ❖ Advantages and dis advantages of zero grazing ❖ Housing in cattle	
	22	❖ Cattle management practices ❖ Deworming ❖ castration	
	23	❖ Dipping ❖ Dusting ❖ Spraying ❖ Dehorning ❖ Ways of cattle identification ❖ Tail bobbing ❖ Advantages and disadvantages of each practice.	
		❖ Examples of cattle parasites ❖ Types of cattle parasite	

REAL SCHOOLS

	24	❖ Examples of ecto and endo parasites ❖ Ways of controlling cattle parasites ❖ Effects of cattle parasites to cattle	
	25	❖ Cattle diseases ❖ Causes of sickness in cattle ❖ Signs of sickness in animal ❖ Signs of good health in animal ❖ Examples of cattle diseases, way of spread, signs, symptom and way of preventing their spread	
	25	❖ Examples of cattle products ❖ Methods of preserving meat ❖ Methods of preserving hides ❖ Requirements for starting a cattle farm ❖ Farm records ❖ Types of farm records ❖ Importance of keeping records on the farm ❖ Practices that harm animals on the farm	
THEME: THE ENVIRONMENT **TOPIC 7: RESOURCES IN THE ENVIRONMENT**			
		❖ Meaning of resources	**MANAGING RESOURCES IN**

REAL SCHOOLS

	26	❖ Examples of nonliving resources ❖ Soil as a resource ❖ Ways air acts as a resource ❖ Wind as a resource ❖ Sun as a resource	**OUR SUB-COUNTY /DIVISION** **P.3** **ENVRONMENT AND WEATHER IN OUR SUB - COUNTY/DIVISION** **P.3**
	27	❖ Rocks and minerals as resources ❖ Examples of minerals ❖ Uses of minerals ❖ Alloys ❖ Importance of making alloys ❖ Examples of alloys	
	28	❖ Uses of rocks ❖ Types of rocks ❖ Fossil fuels as resources ❖ Uses of fossils ❖ Examples of fossil fuels ❖ Coal ❖ Natural gas ❖ petroleum	
	29	❖ examples of living resources ❖ ways plants act as resources ❖ examples of plant fibres ❖ resources got from plants ❖ The process of charcoal making ❖ Ways animal act as resources	
		❖ Types of resources	

REAL SCHOOLS

	30	❖ ways of harvesting resources ❖ proper ways of harvesting trees ❖ conservation of resources	
THEME: THE HUMAN BODY **TOPIC 8: RESPIRATORY SYSTEM**			
	31	✓ Respiration ✓ Products of respiration ✓ Parts of the respiratory system ✓ Adaptions of air sacs to their functions ✓ The process of breathing ✓ Types of breathing ✓ Events that take place during breathing in or out	**HUMAN BODY AND HEALTH**
	32	✓ Composition of air breathed in and out ✓ Models of lungs ✓ Disease and disorders of the respiratory system ✓ Ways of caring for respiratory system	
TERM III **THEME: SCIENCE IN HUMAN ACTIVITY AND OCCUPATION** **TOPIC 9: SCIENCE AT HOME AND IN OUR COMMUNITY**			
SCIENCE AT HOME AND IN OUR COMMUNITY	**1**	❖ Characteristics of pure water ❖ Uses of water ❖ Ways of preparing safe and clean water	

REAL SCHOOLS

	2	❖ Water contamination ❖ Way how water sources can be contaminated ❖ Ways of preventing water contamination ❖ Water impurities ❖ Causes of silting	**ENVIRONMENT AND WEATHER IN OUR SUB-COUNTY/ DIVISION** **P.3**
	3	❖ Soft and hard water ❖ Advantages of using both soft and hard water ❖ Diseases associated with water ❖ Steps taken when cleaning clothes	
THEME: HUMAN HEALTH **TOPIC 1O: ACCIDENTS AND FIRST AID**			
	4	❖ Meaning of accident ❖ Common accidents at home ❖ Effects of accidents ❖ Meaning of first aid ❖ Reasons for giving first aid ❖ Steps followed when giving first aid ❖ First aid kit and first aid box ❖	**ACCIDENTS AND SAFETY** **P.1 AND P.2**
	5	❖ Burns and scalds ❖ Causes of burns and scalds ❖ Degree of burns ❖ First aid of burns and scalds	

REAL SCHOOLS

	6	❖ Fever and convulsions ❖ Causes of fever and convulsions ❖ First aid of fever and convulsions ❖ Drowning and near drowning ❖ Causes of near drowning ❖ First aid of near drowning	
	7	❖ Fainting ❖ Causes of fainting ❖ First aid of fainting ❖ Poisoning ❖ Causes of poisoning ❖ First aid of poisoning ❖ Nose bleeding ❖ Causes of nose bleeding ❖ First aid of nose bleeding	
	8	❖ Fracture ❖ Causes of fracture ❖ First aid of fracture ❖ Foreign bodies ❖ Examples of natural body openings ❖ Examples of foreign bodies ❖ First aid of foreign bodies	
THEME: HUMAN HEALTH **TOPIC 11: SANITATION**			
		❖ Meaning of sanitation	**HUMAN BODY AND HEALTH**

REAL SCHOOLS

	9	❖ Ways of maintaining sanitation ❖ Causes of poor sanitation ❖ Indicators of poor sanitation ❖ Activities done to address poor sanitation ❖ Examples of diseases result from poor sanitation ❖ Types of latrines ❖ Pit latrine ❖ Qualities of a well-built latrine ❖ Ordinary pit latrine ❖ Parts of a flush toilet ❖ ECOSAN toilet ❖ potties	**P.2** **HEALTH IN OUR SUB-COUNTY** **P.3**
THEME: HUMAN BODY **TOPIC 12: THE REPRODUCTIVE SYSTEM**			
	10	❖ Meaning of growth and development ❖ Meaning of adolescence and puberty ❖ Changes that take place during adolescence ❖ Primary sex characteristics in both girls and boys ❖ Secondary sex characteristics in both boys and girls	**HUMAN BODY AND HEALTH** **P.2**
	11	❖ Examples of emotional changes ❖ Examples of social changes	

REAL SCHOOLS

		❖ Examples of out of step adolescence changes ❖ Reproduction in humans ❖ Parts of male reproductive organs ❖ Meaning of ovulation ❖ Menstruation ❖ Ways of caring for the reproductive organs ❖ Reproductive cells and gametes	
	12	❖ Meaning of fertilization, conception and pregnancy in humans ❖ The process of fertilization ❖ Events take place after fertilization ❖ Development of a foetus in uterus wall ❖ Requirements for pregnant mothers	
	13	❖ Meaning of antenatal care ❖ Importance of antenatal care ❖ How to care for pregnant mother ❖ Danger signs during pregnancy ❖ Meaning of birth and labour ❖ What happens to a child after birth	

REAL SCHOOLS

	14	❖ Types of twins ❖ Types of chromosomes ❖ Teenage pregnancy ❖ Causes of teenage pregnancy ❖ Effects of teenage pregnancy ❖ Ways of preventing teenage pregnancy ❖ Meaning of family planning ❖ Advantages and disadvantages of family planning ❖ Effects of frequent births	
	15	❖ Family planning methods ❖ Types of family planning methods ❖ Meaning of child spacing ❖ Advantages of child spacing ❖ Advantages of having many children ❖ Disadvantages of having many children	
	16	❖ Diseases and disorders of the reproductive system ❖ Meaning of reproductive health ❖ Components of reproductive health ❖ Reproductive health problems	

REAL SCHOOLS

		❖ PIASCY messages ❖ Importance of PIASCY messages ❖ Ways PAISCY messages can be passed on	

REAL SCHOOLS
