6.	**Describes each economic grouping** **Describes the membership of economic groupings** **Discusses the challenges facing**	**Notable facts about Common markets in Africa.** COMESA is the largest common market in Africa. COMESA replaced the Preferential Trade Area (PTA) Tanzania is the only East African country which is not a member ate of COMESA.				**Guided discovery** **Guided group discussion** **Think pair share** **Presentation**	To help the learner Understand the global importance of oil and energy markets To help the learner Learn	**Describing each economic grouping** **Describing the membership of economic groupings**	Mapping Africa's Regional Bodies **Comparing Regional Bodies**

	economic groupings	Tanzania felt that it was more profitable to participate in SADC han in COMESA. SADC replaced the Southern African Development Co-Ordination onference (SADCC). IGAD replaced the Intergovernmental Authority on Drought and evelopment (IGADD) which had been formed to control drought nd promote faster development in the member states. The Economic Community of West African States Monitoring roup (ECOMOG) is the military wing of ECOWAS. ECOMOG is responsible for maintaining peace in case there is a ar among ECOWAS member states. Kagera Basin Organisation (KBO) was dissolved in 2004 because ember states felt that they could achieve its objectives through ther regional bodies. COMESA has a development bank in Bujumbura. **EAST AFRICAN COMMUNITY (EAC) (Jumuiya ya Afrika Mashariki- in Kiswahili)** Founders: Dr. Apollo Milton Obote. Jomo Kenyatta		how supply, demand, and pricing work in real life To help Understand international cooperation and interdependence To enable the learner Connect economics, politics, and geography To enable the learner Develop critical thinking and awareness of global issues To enable the learner	**Discussing the challenges facing economic groupings**	ECOWAS Peacekeeping Mission

				Julius Nyerere			Appreciate the environmental and sustainable development impact To enable the learner Explore potential careers in energy and international relations		
			Founder members	Uganda Kenya Tanzania					
			Headquarters	• In Arusha, Tanzania					
			Objectives *(Why it was formed in 1967)*	To promote cooperation and unity among the member states. To create a wider market for goods produced in east Africa. To have common taxes on goods for similar prices. To have a common currency in east Africa. To promote peace and security in the region. To reduce on smuggling of goods.					

			To allow easy movement of people and goods across the borders of the member states.					
		Why it collapsed in 1977	Shortage of funds to run its activities. Harassment of the Kenyans in Tanzania. Political differences among the member states.					
			Misunderstandings between Kenya and Tanzania which led to border closure. Imbalance in economic development among the member states. Declaration of Idi Amin Dada to take control of the Western part of Kenya.					

		Effects of the collapse of EAC	Trade declined in East Africa. It led to enmity among the member states. It increased dependence on foreign aid by the East African countries. It restricted movement of people and goods from one East African country to another.					
		Organs of the EAC	The Summit of the heads of state headed by …… The Secretariat headed by Mr. *Liberat Mfumukeko*. East African Legislative Assembly (EALA) headed by *Hon Martin Ngoga.* East African Court of Justice headed by *Justice Dr. Emmanuel Ugirashebuja.* Council of ministers					

			The Co-ordinating committee The Sectoral committee					
		Symbols of the EAC	East African community anthem East African community emblem East African community flag East African community motto (One People One Destiny)					
		Benefits of EAC a) To member states	It has promoted cooperation and unity among the member states. It has created a wider market for goods produced in the member states. It has promoted peace and security in the region. Member states are allowed to transport their goods from one					

			country to another without restrictions.					
		b) To individuals	It has created job opportunities to people of east Africa. People are free to move from one member state to another without restrictions. It has widened market for goods in the region. People are able to get access to goods which their countries cannot produce.					
		New member states	South Sudan in 2016. Rwanda and Burundi in 2007					
		Why the above	To widen market for their goods.					

		countries joined the EAC.	To be able to trade freely with other EAC member states. To make it easier for their citizens to travel to other EAC member states. To promote peace and security with in the region.				

➢ Activity: Mention all the regional bodies to which Uganda is a member.

General objectives / aims of Common markets in Africa.

- To promote regional development.
- To promote cooperation and unity among the member states.
- To promote peace and stability in the region.
- To create a wider market for goods and services.
- To reduce over dependence on foreign countries.
- To ease movement of people and goods across borders of the member states.
- To eliminate trade barriers on locally manufactured goods.
- To have common taxes on goods for similar prices.

		Benefits / importance of Common markets. ➢ They have promoted cooperation and unity among the member states. ➢ They have reduced smuggling. ➢ They have created a wider market for goods and services. ➢ They have eased movement of people and goods across borders of the member states. **Challenges facing regional bodies/ Common markets in Africa.** ➢ Shortage of funds to run their programmes effectively. ➢ Civil wars in some member states. ➢ Production of similar goods which reduces trade. ➢ Absence of a common language. ➢ Absence of a common currency. ➢ Importation of low quality goods due to free trade. ➢ Different political systems in the member states. ➢ Member states are forced to buy low quality goods in order to support industries in the region. **Possible solutions to the challenges facing regional bodies.** ➢ By improving on security in the region.				

		➢ By promoting democracy and good governance. ➢ By diversifying economies of different countries. ➢ By encouraging specialisation in production of goods. ➢ By legalising a unifying language which is understood by most people in the region. ➢ By holding peace talks in order to solve conflicts between countries.
